Innovative Data Solutions, Inc. d/b/a PowerDMS (PowerDMS) offers a cloud-based content management platform that allows clients to reduce risk and manage their critical content. This product assists organizations in managing crucial documents, training and testing employees and maintaining regulatory and accreditation standards. PowerDMS is considering expanding its workforce in response to rapid growth. The company currently has 46 employees in Florida.

If the QTI program incentive is made available to the company, PowerDMS will create 65 new-to-Florida jobs in the next three years paying an average annual wage of \$84,672, which is at least 200% of the Orange County average annual wage. The average value of benefits that will be available to employees is \$7,500, which includes health and dental insurance, short term and long term disability insurance, AD&D policy, and life insurance. Non cash benefits include in-office massages, fitness reimbursement and connectivity allowances. In addition to the City of Orlando, the company is considering Texas, New York and California for this expansion.

The City of Orlando will provide \$130,000 as an incentive over a six-year period.
