

CITY OF ORLANDO

2nd ADVISORY COMMITTEE MEETING MINUTES

RQS14-0324

**Request for Qualification Statements for
Construction Engineering and Inspection
Professional Services for Road and Drainage Improvements
Sligh Boulevard and Columbia Street
October 2, 2014 – 9 a.m.
Agenda and Tarpon Conference Rooms
City Hall, 400 S. Orange Ave., Orlando, FL**

The purpose of the subject meeting was to hold discussions and hear presentations from shortlisted firms and then review, score, and rank each of those firms.

Committee Members Present:

Frank Consoli, Traffic Operations Engineer (Chair)
John Rhoades, Economic Development Department
Jeremy Crowe, Civil Engineer IV, Public Works Department
Howard Elkin, Streets and Stormwater, Assistant Division Manager
Byron Raysor, Compliance Investigator III, MWBE Office

Other City Personnel Present:

Roger Cooper, Contract Administrator (Facilitator)
Silvia Coste, Purchasing Agent II
Maureen Bowman, Purchasing Agent II

Members of the General Public Present:

None

City staff introduced themselves and signed the attendance roster. The meeting was publicly posted for more than 48 hours in advance, and there was a quorum present.

Presentation Schedule of Shortlisted Firms:

<u>Time</u>	<u>Date</u>	<u>Company Name</u>	<u>Meeting Room</u>	<u>Floor</u>
9:00 -- 9:30 a.m.	10/2/14	Mehta and Associates, Inc.	Agenda Conference Room	2nd
9:40 -- 10:10 a.m.	10/2/14	Page One Consultants, Inc.	Tarpon Conference Room	4th
10:20 -- 10:50 a.m.	10/2/14	Target Engineering Group, Inc.	Agenda Conference Room	2nd

After presentations, the Facilitator handed out the pre-determined scores for the Volume of Previous Work Awarded to Each Respondent (Shortlist Category E).

Committee Members were advised that Qualification Statements must be independently scored by each Member; that Committee Members should not indicate what score he/she gives to a particular firm; and that Committee Members must not attempt to influence other Committee Members in their scoring.

Committee members held discussions and individually scored and conducted rankings for each shortlisted firm according to the criteria outlined in the Request for Qualification Statements and clarified during presentations.

The results are as follows:

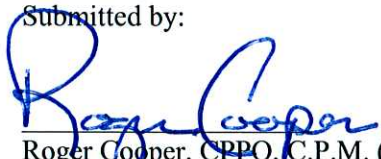

1. Target Engineering Group, Inc.
2. Mehta and Associates, Inc.
3. Page One Consultants, Inc.

A motion was made by John Rhoades, and seconded by Howard Elkin, to accept the rankings and to recommend to City Council for City staff to commence negotiations for a contract with the top ranked firm in ranked order until successful. There were no members of the general public present. The motion carried unanimously.

A motion was made by Byron Raysor, and seconded by Jeremy Crowe, to adjourn at 11:34 a.m. The motion carried unanimously.

These minutes are considered to be the official minutes of the RQS14-0324 Advisory Committee Meeting held on October 2, 2014, and no other notes, tapes, or other recordings taken by anyone takes precedence.

EVALUATION CRITERIA FOR FINAL RANKING

RQS14-0324 Construction Engineering and Inspection Professional Services for
Road and Drainage Improvements for Sligh Boulevard and Columbia Street

Committee Member: FRANK A. CONSOLI October 2, 2014

Firm Name: MEHTA AND ASSOCIATES

Ranked: 3

The Advisory Committee will evaluate and score the Respondents based upon their Qualification Statements in accordance with the following rating factors.

RATING FACTORS	MAXIMUM POINTS	ITEM SCORE
A. Respondent's experience and qualifications.	30	26
B. The experience and qualifications of the sub-consultants.	20	18
C. The Respondent and subconsultants' records of successful performances on past projects including factors such as cost control, work quality and demonstrated ability to adhere to schedules and budgetary requirements for such projects.	25	23
D. Ability of Respondent's and subconsultants' personnel to devote necessary time to the project and work successfully with City staff and any other stakeholders, as well as make effective public presentations.	10	9
E. Volume of work previously awarded to Respondent by the City.	5	5
F. Respondent's demonstrated understanding of the project's scope of work and approach to successful project completion.	10	8
TOTAL SCORE	100	89

Notes regarding Exhibit "F": Each Advisory Committee member will evaluate the above factors to determine the short-listing of the Respondents. Each member will assign an item score ranging from zero (0) points to the maximum points allowed for each rating factor. The item scores will then be added to determine the total score. The maximum possible total score for this evaluation table is one hundred (100). Each member will rank the Respondents based upon the member's score for each Respondent. The ranking established by each member will be accumulated to determine the final ranking. Each member's top-ranked firm will be assigned one (1) point, second-ranked firm two (2) points and so on. After accumulating the members' scores, the firm with the lowest score shall be ranked first, the next lowest score shall be ranked second, and so on. In the event of a tie, the tied Respondents' total scores from each member will be added and compared. The Respondent with the highest point total will be ranked highest of the tied Respondents.

Firm Name: Mehta and Associates, Inc

Ranked: 1

The Advisory Committee will evaluate and score the Respondents based upon their Qualification Statements in accordance with the following rating factors.

RATING FACTORS	MAXIMUM POINTS	ITEM SCORE
A. Respondent's experience and qualifications.	30	30
B. The experience and qualifications of the sub-consultants.	20	20
C. The Respondent and subconsultants' records of successful performances on past projects including factors such as cost control, work quality and demonstrated ability to adhere to schedules and budgetary requirements for such projects.	25	25
D. Ability of Respondent's and subconsultants' personnel to devote necessary time to the project and work successfully with City staff and any other stakeholders, as well as make effective public presentations.	10	10
E. Volume of work previously awarded to Respondent by the City.	5	5
F. Respondent's demonstrated understanding of the project's scope of work and approach to successful project completion.	10	9
TOTAL SCORE	100	99

Notes regarding Exhibit "F": Each Advisory Committee member will evaluate the above factors to determine the short-listing of the Respondents. Each member will assign an item score ranging from zero (0) points to the maximum points allowed for each rating factor. The item scores will then be added to determine the total score. The maximum possible total score for this evaluation table is one hundred (100). Each member will rank the Respondents based upon the member's score for each Respondent. The ranking established by each member will be accumulated to determine the final ranking. Each member's top-ranked firm will be assigned one (1) point, second-ranked firm two (2) points and so on. After accumulating the members' scores, the firm with the lowest score shall be ranked first, the next lowest score shall be ranked second, and so on. In the event of a tie, the tied Respondents' total scores from each member will be added and compared. The Respondent with the highest point total will be ranked highest of the tied Respondents.

EVALUATION CRITERIA FOR FINAL RANKING

RQS14-0324 Construction Engineering and Inspection Professional Services for
Road and Drainage Improvements for Sligh Boulevard and Columbia Street
