

CITY OF ORLANDO

MEMORANDUM

To: David Billigsley, Chief Procurement Officer

From: Redwan Akhtarkhavari, Chief Information Officer *Redwan Akhtarkhavari*

Date: November 26, 2014

Subject: AT&T Mobility Cell Phone Service & Associated Equipment

Technology Management (TM) is requesting a contract with AT&T Mobility to provide cell phone service and related equipment. City personnel require adequate cell phone coverage to perform their assigned duties. Carriers provide different cell phone coverage. City personnel have frequently indicated coverage issues with their current cell phones in certain areas. The Orlando Police Department has tested the AT&T coverage and determined AT&T provides needed additional coverage. Contracting with an additional carrier will allow the City a choice of providers based on coverage requirements, functionality and cost.
