

**2015-2016 FUNDING AGREEMENT BETWEEN THE CITY OF ORLANDO AND
THE NATIONAL CENTER FOR SIMULATION**

THIS AGREEMENT is entered into this _____ day of _____ 2015, by and between the **CITY OF ORLANDO**, a Florida municipal corporation established under the laws of the State of Florida (hereinafter referred to as "the City") with a principal address of 400 South Orange Avenue, Orlando, Florida 32801, and **The National Center for Simulation**, a Florida business (hereinafter referred to as "the Agency"), which is owned by The Training and Simulation Technology Consortium, Inc., with a mailing address of Post Office Box 781342, Orlando, Florida 32878-1342.

WITNESSETH

WHEREAS, the Agency has applied to the City for a donation of funds in order to provide such services and/or programs as are set forth in Exhibit "A" attached hereto (hereinafter "Services") and incorporated herein by this reference; and

WHEREAS, the City has determined that there is a public need for such Services in order to promote the general health, welfare and/or safety of the community and that the provision of such Services is in the best interests of the City, and, to that end, the City has appropriated funds to be donated to the Agency for such Services; and

WHEREAS, the Agency has available the necessary qualified and trained personnel, facilities, materials and supplies to perform such Services as set forth in this Agreement; and

WHEREAS, the City desires to enter into an agreement with the Agency whereby the Agency will receive and disburse said funds of the City for the purpose of providing the Services in accordance with the terms and conditions set forth herein;

NOW, THEREFORE, in consideration of the premises, the mutual covenants, and agreements herein contained, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. **INCORPORATION OF RECITALS.** The recitals set forth above are true and correct and are incorporated herein and made a part of this Agreement.

2. **FUNDING.** The City has appropriated for the period commencing October 1, 2015, and ending September 30, 2016, the total sum of Thirty-Five Thousand Dollars and 00/100 (\$35,000.00) to be administered and disbursed by the Agency solely for the purposes set forth

herein (hereinafter "Funds").

3. **PAYMENTS.** Under the terms and conditions of this Agreement, the City agrees to contribute the Funds to the Agency in four (4) equal installments of \$8,750.00 on a quarterly basis beginning November 30, 2015, unless otherwise approved and authorized in writing by the Chief Administrative Officer and the Director of the Management, Budget and Accounting Department of the City. Payments by the City shall be contingent upon the following:

(a) receipt and approval by the City of the reports specified in Paragraph 4 of this Agreement;

(b) inclusion of the audit provisions in sub-recipient agreements as set forth in Paragraph 8 of this Agreement;

(c) compliance with such other reporting and administrative requirements specifically set forth in Exhibit "B" of this Agreement; and

(d) continuing faithful performance of all of the provisions of this Agreement by the Agency.

4. **PERFORMANCE MEASURES; PROGRESS AND FINANCIAL REPORTS.** The City shall use the Performance Measures listed in Exhibit "C" to determine the effectiveness of the Services provided by the Agency. The Agency agrees to submit progress and financial reports on a quarterly basis in accordance with the schedule in Exhibit "B", which shall be consistent with the Services and Performance Measures, and shall detail the expenditure of the Funds. Failure to comply with the requirement for submission of such reports shall constitute grounds for termination of this Agreement and may result in the ineligibility of the Agency to receive contributions from the City. Completion of reporting requirements and submission of audited financial statements for the prior year are a prerequisite to receipt of funding under this Agreement.

5. **BOARD MEMBER.** The Agency shall provide at least one (1) voting membership on its board of directors for a City-appointed representative for the duration of this Agreement. The City representative shall be a member of City staff and shall enjoy the same rights and privileges with regard to discussion and voting on issues before the board as other general members of the Agency board.

6. **NONPROFIT STATUS.** The Agency shall maintain its corporate, non-profit status in the State of Florida throughout the term of this Agreement. If the Agency should, during the term of this Agreement, lose its corporate or non-profit status, it shall immediately notify the City within ten (10) days of the event. Upon such an event, the City reserves the right to immediately terminate this Agreement and discontinue distribution of Funds to the Agency.

7. **NONDISCRIMINATION.** The Agency agrees to provide the Services without regard to race, color, creed, sex, age, national origin, disability, sexual orientation or marital status and in compliance with Chapter 57 of the Code of the City of Orlando, Title VII of the Civil Rights act of 1964 as amended, and any and all other applicable federal, state or local laws, rules or regulations, whether presently existing or hereafter promulgated. The Agency agrees that compliance with this provision constitutes a condition to continued receipt of Funds.

The Agency agrees that all contractors, subcontractors, or others with whom it arranges to provide services to participants or employees in connection with any of its programs and activities are not discriminating against those participants or employees in violation of this provision. Upon receipt of evidence of such discrimination, the City reserves the right to immediately terminate this Agreement.

8. **ACCOUNTING AND AUDIT.** The Agency shall utilize and maintain such records and practices regarding receipts and disbursements of the Funds as to be in accordance with generally accepted accounting principles. All such records shall be open to inspection and audit by the City or by the City's designee during normal business hours during the term hereof and for a period of three (3) years after the termination of this Agreement. Any cost incurred by the Agency as a result of a City audit shall be the sole responsibility of and shall be borne by the Agency. In addition, should the Agency provide any or all of the Funds to sub-recipients, then and in that event the Agency shall include in written agreements with such sub-recipients a requirement that records of the sub-recipient be open to inspection and audit by the City or the City's designee to the same extent as those of the Agency.

9. **MONITORING.** The Agency shall permit the City to monitor the Services and the Agency's records and facilities, and/or interview the Agency's clients or employees in order to ensure compliance with the terms of this Agreement. The Agency shall, to assist monitoring of its program, provide to the City or the City's designee access to all client records and such other information as the City may deem necessary.

10. **TERM.** Unless earlier terminated, this Agreement shall remain in effect for the period commencing October 1, 2015 and terminating September 30, 2016.

11. **TERMINATION.** This Agreement may be terminated by either party at any time, with or without cause, upon no less than fifteen (15) days notice in writing to the other party. Said notice shall be delivered by certified mail or in person to the business address of the party upon whom such notice is served.

12. **INDEMNIFICATION.** The Agency agrees to indemnify and hold harmless the City from and against any and all liability, claims, demands, damages, expenses, fees, fines, penalties, suits, proceedings, actions and cost of actions, including attorneys' fees for trial and on appeal, of any kind and nature arising or growing out of or in any way connected with the performance of this Agreement by the Agency, the Agency's performance of the Services or because due to the mere existence of this Agreement itself.

13. **DEFAULT.** The following shall constitute an Event of Default under this Agreement:

- (a) Agency's failure to provide the Services in accordance with the terms and conditions of this Agreement;
- (b) Agency makes a material representation in any certification or communication submitted by the Agency to the City in an effort to induce the contribution of the Funds or the administration thereof that is later determined by the City to be false, misleading, or incorrect in any material manner; or

(c) Agency's failure to comply with any of the terms and conditions in this Agreement.

Upon the occurrence of any Event of Default, or any other breach of this Agreement, the City shall have the authority to terminate this Agreement and discontinue the Funds and/or exercise all rights and remedies available to it under the terms of this Agreement under statutory law, or under common law.

14. **NO WAIVER.** The continued performance by either party hereto, pursuant to the terms of this Agreement, after an Event of Default shall not be deemed a waiver of any rights by the City. Furthermore, the waiver of any default by the City shall in no event be construed as a waiver of rights with respect to any other default, past or present.

15. **CONSTRUCTION; SEVERABILITY.** This Agreement shall be construed in accordance with the laws of the State of Florida. It is agreed by and between the parties that if any covenant, condition or provision contained in this Agreement is held to be invalid by any court of competent jurisdiction, such invalidity shall not affect the validity of any other covenants, conditions or provisions herein contained.

16. **NONASSIGNABILITY.** The Agency may not assign its rights hereunder without the prior written consent of the City. Failure to comply with this section may result in immediate termination of this Agreement.

17. **NO JOINT VENTURE.** It is mutually understood and agreed that nothing contained in this Agreement is intended, or shall be construed, as in any way creating or establishing the relationship as partner or joint ventures between the parties hereto or as constituting the Agency as the agent or representative of the City for any purpose or in any manner whatsoever.

18. **VENUE.** Any litigation occurring as a result of this Agreement shall be held in the courts of Orange County, Florida and shall be governed by the laws of the State of Florida. The Agency agrees to notify the City of an occurrence of any incident or action filed against the agency, such as but not limited to, lawsuits, injuries, or allegations of abuse or neglect.

19. **CORPORATE TABLES.** The Agency agrees that, if it holds any fund raising events during the term of this Agreement at which "corporate tables" are sold, the City shall receive a table without cost in consideration of the contribution provided to the Agency under this Agreement.

20. **INSURANCE.** The Agency shall have in force the following insurance coverage, and shall provide Certificates of Insurance to the Director of the Economic Development Department, or his/her designee, within ten (10) days of the effective date of this Agreement to verify such coverage. The insurance coverage shall contain a provision which forbids any cancellation, changes or material alterations in the coverage without providing 30 days written notice to the City:

- (a) Commercial General Liability -- The Agency shall provide commercial general liability coverage for all operations including, but not limited to, Contractual, Products and Completed Operations, and Personal Injury. The limits will not be less than \$500,000 Combined Single Limit (CSL) bodily injury and property damage, or its equivalent. The City of Orlando shall be named as an additional insured.

- (b) Commercial Automobile Liability -- The Agency shall provide coverage for all owned, non-owned and hired vehicles utilized in the performance of this Agreement for limits of not less than \$500,000 Combined Single Limit (CSL) bodily injury and property damage, or its equivalent.
- (c) Workers' Compensation -- The Agency shall provide Workers' Compensation coverage for all employees at the site location and, in case any work is subcontracted, will require the subcontractor to provide Workers' Compensation for all its employees. The limits will be statutory for Workers' Compensation and \$100,000 for Employer's Liability.
- (d) Employee's Honesty Insurance -- The Agency shall provide not less than \$10,000 coverage limit. The City of Orlando shall be named as an additional insured.

21. **ENTIRE AGREEMENT.** This Agreement constitutes the entire agreement between the parties hereto with respect to the subject matter hereof; any representations or statement heretofore made with respect to such subject matter, whether verbal or written, are merged herein. No other agreement, whether verbal or written, with regard to the subject matter hereof shall be deemed to exist. This Agreement may only be modified in writing, signed by both parties.

22. **NOTICE.** Any notices to be delivered hereunder shall be in writing and be deemed to be delivered when (i) hand delivered to the person hereinafter designated, or (ii) deposited in the United States Mail, addressed to a party at the addresses set forth opposite the party's name below, or at such other address as the applicable party shall have specified, from time to time, by written notice to the other party delivered in accordance herewith:

City: City of Orlando
Director, Economic Development Department

May 18, 2015

City of Orlando
Economic Development Department - Business Development Division
P. O. Box 4990
Orlando, FL 32802-4990

Subject: Funding Request, FY 2015/2016

Dear Ms. Lillian Scott-Payne:

The National Center for Simulation (NCS) in partnership with the City of Orlando hereby submits its annual Funding Request for FY 2015/2016. Detailed below are the activities, services and associated performance objectives we plan during the period of performance to justify this Grant request. Also included are our most recent audited financial statement and certificate of insurance.

NCS requests the following level of funding for FY 2015/2016: **\$35,000**

The increase from the previous year's funding level represents a request to the City of Orlando to join other community partners to help fund NCS leadership of the Metro Orlando Defense Task Force (MODTF) and efforts to protect, grow and enhance Team Orlando/NSA Orlando and the Orlando Modeling, Simulation & Training (MS&T) Industry by mitigating the threat posed by DoD budget cuts, sequestration and future rounds of Base Realignment and Closure (BRAC). Additional justification follows in item 1.

Planned Activities, Services and Performance Objectives in support of this Grant:

1. NCS will continue to spearhead the MODTF as project director to protect, grow and enhance the \$3.8 - \$4.8 billion MS&T Industry in Orlando. In order for NCS to lead this community effort and manage a team of experts to acquire (buy and build) adequate office space to eliminate NSA Orlando/Team Orlando's reliance on leased office space, the organization had to hire an additional full time equivalent (FTE) executive.

- The MODTF objective is to work directly with Governor Scott and the Florida Defense Support Task Force (FDSTF) to mitigate the threat to NSA Orlando posed by DoD budget cuts, sequestration and future rounds of BRAC.
- NCS will continue to lead the community's MODTF efforts as project director.
- NCS will plan, organize and execute monthly MODTF meetings.
- NCS will continue to actively recruit civic leader champions to promote MODTF activities/initiatives.
- NCS will continue to actively recruit Central Florida stakeholders to help fund and execute MODTF activities/initiatives. For more than two years, the following stakeholders have contributed local funding to support MODTF efforts not covered by FDSTF grants:
 - Orange County Government
 - Orlando Economic Development Commission (EDC)
 - The Corridor (FHTCC)
 - University of Central Florida (UCF)
 - Central Florida Partnership (CFP)
 - Central Florida Research Park (CFRP)
 - National Center for Simulation (NCS)
- NCS will act as the principal liaison to the Orange County Mayor's MS&T Blue Ribbon Commission.
- NCS will act as the principal liaison to Governor Scott and the FDSTF.
 - To keep the FDSTF informed of MODTF activities/initiatives.
 - To develop annual FDSTF grant requests and defend the requests for State appropriations to help fund acquisition of 200,000 – 300,000 additional sq ft of Partnership office space to eliminate Team Orlando overcrowding.
 - To execute annual FDSTF grants on behalf of the MODTF and submit quarterly grant reports to Enterprise Florida.
 - To act as the principal liaison to the Principi and Spectrum Groups (under contract with the State of Florida) to ensure our collective efforts to protect, grow and enhance Team Orlando/NSA Orlando are synchronized with their work at the

State level.

- NCS will develop, execute and manage specialist support contracts (e.g. PR/Communications, special studies, commercial real estate, legal, appraisers, architects, land, property & environmental inspectors, etc.), where required, on behalf of the MODTF.
 - NCS will continue to lead the advocacy effort to secure continued community and State Legislature support for advancing the MODTF number 1 priority: to acquire (build and buy) 200,000 – 300,000 sq ft of additional Partnership office space to get Team Orlando Federal Employees out of leased office space. Reliance on costly (\$5.4 million per year) leased office space is a critical BRAC vulnerability that must be solved before a decision is made by the House and Senate to conduct another round of BRAC (possibly in 2017). Even absent a decision by Congress to authorize another round of BRAC, the individual military services have the authority to realign Team Orlando organizations away from Orlando to empty federal buildings/installations in order to reduce their cost of operations. The FDSTF considers NSA Orlando/Team Orlando the most vulnerable military installation in Florida for possible realignment or closure. As such, retaining NSA Orlando/ Team Orlando remains the FDSTF number one priority.
 - Last year (2014) the State Legislature appropriated \$8 million to permit the MODTF to begin the acquisition of additional Partnership office space. But that year one appropriation is only a start—the MODTF must remain active to secure another appropriation in 2015 and 2016 to complete the task. To erase the current 200,000 sq ft office space shortfall and set the conditions to grow the MS&T industry in Orlando (target is 300,000 sq ft), the community needs a total of \$60 million. That level of funding will require the continued commitment of MODTF stakeholders to sustain the momentum we have generated thus far and to ensure continued financial support from the Florida Legislature in 2015 and 2016.
2. Support for the Digital Media Industry in Orlando and Convergence with the Simulation Industry.
- Our goal here is to continue to bridge the gap between our traditional defense-oriented MS&T Industry and our Digital Media Industry here in Orlando.
 - NCS will commit to a cash sponsorship donation and provide in-kind support through participation on the Advisory Board of

the annual Orlando Science Center OTRONICON Event.

- NCS will plan, organize and execute the Defense GameTech Users' Conference to explore and showcase opportunities to leverage serious games, virtual world technologies and mobile applications to train and educate America's war fighters and increasingly America's civilian workforce.
- NCS will support any activities and events planned by the Digital Media Alliance of Florida (DMAF).
- NCS will continue engagement and dialogue with DMAF aimed at a possible merger of the two Associations. Merger would provide DMAF office space infrastructure and a small full time staff to support advocacy and outreach and would go a long way toward supporting convergence of the two Industry clusters. DMAF does not appear to be active—resurrecting this dialogue could re-energize their support to the Digital Media Industry in Orlando.
- NCS will plan, organize and execute a Simulation Commercialization Summit to explore MS&T applications in sectors other than defense (e.g. entertainment, education, healthcare, energy, transportation, manufacturing and cyber defense) in Sep 2015—planning is currently underway.

3. Support for Middle and High School Simulation and Technology Programs.

- Our goal here is to provide students in our Middle and High Schools a glimpse at a possible career opportunity in the Central Florida MS&T Industry. By doing so, we hope to excite our students to pursue a Science, Technology, Engineering or Mathematics (STEM) degree program to prepare them for a future career in MS&T.
- NCS will sponsor and support local Middle and High School programs especially those that include simulation and related technologies (e.g. digital media, robotics, gaming, etc.). This will include support to existing simulation technology focus/magnet programs and field trips that provide hands-on opportunities that not only build awareness but also get students (and teachers) excited about opportunities in the Simulation Industry.
- NCS will sponsor and support other local school programs (Middle & High School) promoting/advancing STEM programs

and education.

- NCS will organize and sponsor field trip(s) to the Central Florida Research Park, the annual Defense GameTech Users' Conference, the annual Interservice/Industry Training, Simulation & Education Conference (I/ITSEC) and to Industry partner facilities.
 - NCS will provide Scholarship support to selected local High School students. In 2015, NCS expanded its scholarship program to include five local High Schools that offer technology programs for students (e.g. simulation, digital media, robotics and gaming). One student from each of the five schools (University High School, Lyman High School, Hagerty High School, Timber Creek High School and Crooms Academy for Information Technology) will receive a \$1,000 scholarship to help offset the cost of tuition and books when they enter an accredited Florida College, University or Technical School. All funds to support the scholarship programs are raised through an annual NCS fundraising event.
 - NCS will continue its efforts to gain State of Florida certification of its four year High School curriculum in MS&T. Once certified, NCS will offer the curriculum free of charge to schools across Florida and possibly beyond.
 - NCS will continue to refine and offer its M&S Certificate program to teachers and students across Central Florida. The certificate will better position students for internships with local MS&T companies and post secondary education potentially leading to employment in the MS&T Industry in Florida. In 2015, the first 10 teachers in the nation received their teaching certificate in M&S.
4. Travel in Support of Federal Appropriations Requests and efforts to protect, grow and enhance the MS&T Industry in Orlando.
- Our goal here is to educate and inform elected officials at every level of the power of simulation as a cost effective alternative to costly live training, especially in the current austere budget environment. In addition, we want to ensure they understand just how big the MS&T Industry is in Orlando and how important it is to a more diversified Florida economy.

- NCS will continue to be aggressive in pursuit of new federal funding for important defense R&D initiatives, especially those which help us to diversify our defense simulation sector, and advance the state-of-the-art of MS&T.
- Travel to Washington, D.C., Tallahassee and other key locations to promote MS&T projects and initiatives and to educate and inform our elected officials.

5. Promotion of Medical MS&T initiatives and Lake Nona's Medical City.

- Our goal here is to create greater synergy between the MS&T Industry and the world class medical cluster at Lake Nona. In so doing, we hope to drive the future of medical MS&T and medical education and tourism through targeted conferences.
 - NCS will continue to pursue federal funding for important R&D initiatives that advance the state-of-the-art of Medical MS&T.
 - NCS will sponsor, organize and participate in medical simulation conferences (e.g. the annual Medical Technology, Training & Treatment Conference ((MT3)) and other related events.

6. 2015 I/ITSEC Conference Participation.

- Our goal here is to leverage I/ITSEC, the largest annual training, simulation and education conference in the world, to showcase Orlando as the epicenter of the world for MS&T. Through our Partnership booth we showcase an environment of collaboration, cooperation and partnership that is a hallmark of the Orlando community.
- NCS will plan, organize and sponsor a special event (e.g. medical simulation, serious games, etc.) during the annual I/ITSEC Conference held at the Orange County Convention Center.
- NCS will plan, organize and execute a partnership display booth at I/ITSEC 2015 to promote the MS&T Industry cluster and other high tech opportunities in Orlando and Central Florida. Booth partners will include but not be limited to: NCS, University of Central Florida, Institute for Simulation & Training (UCF/IST), the Corridor (FHTCC), Enterprise Florida (EFI), the Orlando Economic Development Commission (EDC), the Florida Interactive Entertainment Academy (FIEA), UCF Business Development, Duke

Energy, Associated Industries of Florida (AIF), and the International Council of Systems Engineers (INCOSE), Orlando Chapter. Other organizations may be included as agreed by the primary stakeholders. Each partner will be assessed a cost share to reduce the financial burden on all participating organizations.

- NCS will support the Corridor's STEM initiatives through their techPATH program to bring students from surrounding schools to I/ITSEC 2015 and through their STEM Connect program to bring technologists into classrooms across Florida virtually.

Thank you for the honor and privilege of working with the City of Orlando to promote the MS&T Industry, STEM education initiatives and local economic development efforts. I trust you will find this request sufficient for approval. If you need any further information, please call me at (office direct) 407-882-0690 or (cellular) 407-690-7740.

Sincerely,

Thomas L. Baptiste, Lt Gen, USAF (Ret)
President/ Executive Director

City of Orlando Funding Request FY 2015/2016

Performance Objective	Planned Expenditures
MODTF BRAC Mitigation Efforts	\$20K
Support to Digital Media Industry	\$3K
Support to Middle & High Schools	\$5K
Travel in Support of MS&T Industry	\$2K
Promote Medical MS&T	\$2K
2015 I/ITSEC Participation	\$3K
Total Planned Expenditures	\$35K

EXHIBIT "B"

Quarterly Performance reports on the items specified in Exhibit "A" are due in the City of Orlando Economic Development as indicated:

<u>Reporting Period</u>	<u>Due Date</u>
First Quarter (10/1/2015-12/31/2015)	1/15/2016
Second Quarter (1/1/2016-3/31/2016)	4/15/2016
Third Quarter (4/1/2016-6/30/2016)	7/15/2016
Fourth Quarter (7/1/2016-9/30/2016)	10/15/2016

Quarterly Reports should include information on services provided with City of Orlando funding.

Mail or Fax the quarterly progress reports to:
