disposing of program assets, retention of records, and use and maintenance requirements for the property. Also, notwithstanding the foregoing, the term of this Agreement and the provisions herein shall be extended to cover any additional time period during which **MOL** remains in control of HOPWA funds or other assets, including Program Income or for any HUD audits requiring repayment of any funds unlawfully spent under this Agreement.

At a minimum these safeguards must ensure that no employee, officer or agent must participate in the selection, award, or administration of a contract supported by a Federal award if he or she has a real or apparent conflict of interest. Such a conflict of interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated in 2 CFR §200.318, has a financial or other interest in or a tangible personal benefit from a firm considered for a contract. These standards of conduct must also provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of **MOL**. If **MOL** has a parent, affiliate, or subsidiary organization, **MOL** must also maintain written standards of conduct covering organizational conflicts of interest.

In all cases not governed by 2 CFR Part 200, **MOL** shall comply with the conflict of interest provisions contained in 24 CFR §574.625. The “persons” covered in §574.625 include employees, agents, consultants officers, or elected officials or appointed officials of the recipient or of any designated public agencies, or of subrecipients (**MOL**) that are receiving HOPWA funds. **MOL** shall also keep records supporting requests for waivers of conflicts.

MOL will disclose in writing any potential conflict of interest to the City. By executing this Agreement, the Subrecipient covenants and certifies that none of its employees, officers, or agents described in these regulations have any interest in this Agreement or any other interest which would conflict in any manner with this Agreement or the performance of the this Agreement.

20. Fees Collected: **MOL** agrees that no fee, except rent, will be charged of any eligible person for any housing or services provided with funding under this agreement, pursuant to 24 CFR §574.430.

21. Agreement between the City and HUD: **MOL** agrees that it shall be bound by the terms and conditions contained in the HOPWA grant agreement(s) between the City and HUD under which this agreement is funded and such other rules, regulations or requirements as HUD

may reasonably impose in addition to the conditions contained in this Agreement or subsequent to the execution of this Agreement by the parties hereto.

22. Registration and Accountability: **MOL** agrees to comply with 2 CFR Parts 25 and 170, and to maintain a current registration in the federal System for Award Management (“SAM”) database (<http://www.sam.gov>), formally known as the Central Contractor Registration under 2 CFR § 176.50(c), and provide the City with its SAM registration number and legal name as entered into the SAM. A Dun and Bradstreet Data Universal Numbering System (DUNS) Number (<http://www.dnb.com>) is required for registration in SAM. **MOL** shall also complete and sign the Federal Funding Accountability and Transparency Act (“FFATA”) Affidavit attached hereto as **Exhibit “H”** in conjunction with its execution of this Agreement, and provide any supporting documentation if required.

- (f) notwithstanding any of the forgoing provisions to the contrary, if **MOL** has failed to cure any default within (5) days prior to the expiration of any applicable cure period, the City may, at its sole option, cure such default, provided, however, that the City shall be under no duty or obligation to do so.

2. Remedies for Non-compliance. If **MOL** fails to comply with Federal statutes, regulations, or the terms and conditions of this Agreement, the City may impose additional conditions as described in 2 CFR §200.207. If the City determines that noncompliance cannot be remedied by imposing additional conditions, the City may take one or more of the following actions, including but not limited to:

The City can withhold all funding and disbursements, demand repayment for amounts disbursed, terminate all payments, and/or exercise all rights and remedies available to it under the terms of this Agreement under statutory law, equity or under common law. If the City terminates this Agreement, **MOL** shall also forfeit to the City all unexpended monies awarded under the Agreement. **MOL** may also be required to refund all HOPWA funds awarded by the City.

In accordance with 2 CFR §200.339, the City can terminate the Agreement with the consent of **MOL** in which case **MOL** and the City must agree upon the termination conditions, including the effective date, and in the case of partial termination, the portion to be terminated.

In accordance with 2 CFR §200.339(a)(4), the Agreement may also be terminated by **MOL** or the City with written notification setting forth the reason for such termination, the effective date and in the case of partial termination, the portion to be terminated. However, if the City determines in the case of partial termination that the reduced or modified portion of the award will not accomplish the purposes for which the award was made, the City may terminate the award in its entirety.

EXHIBIT "H"**AFFIDAVIT****Federal Funding Accountability and Transparency Act (FFATA)**

The Federal Funding Accountability and Transparency Act (FFATA) was signed on September 26, 2006. The FFATA legislation requires information on federal awards (federal financial assistance and expenditures) be made available to the public via a single, searchable website, which is www.USASpending.gov.

The sub-award information entered in FSRS will then be displayed on www.USASpending.gov associated with the prime award furthering Federal spending transparency.
