

Good afternoon all,

I am writing this email as a statement of my objection to the R.O. that ruled in favor of the Star Communications. The reasons for my objection are as follows: it will have a negative impact on my health and the health of the residents in my community, it will destroy state, federal, and locally protected wetlands, it will destroy the habitat of protected wildlife, it will violate federal, state, and local laws, statutes, and ordinances, and it will be a public nuisance to the communities surrounding it.

CERTIFICATE OF SERVICE

I hereby certify that a true and correct copy of the foregoing has been furnished by electronic mail to: Cynthia Sanford, Cynthia.Sanford@cityoforlando.net, Orlando City Attorney's Office.

This Petitioner's Statement of objection to the Recommended Order is respectfully submitted this 29th day of February 2016.

Respectfully Submitted,

___/s/ Wanda Jones, Ph.d.
