12. JUSTIFICATION: Document justification for request. Include anticipated economies or efficiencies to be realized by the City, including reductions in personnel or actual cost (cash flow) reductions to be realized in your budget. The Small Business Façade Program (SBFP) is an economic development program designed to provide new and existing commercial property and business owners, in the City of Orlando, assistance with costs related to exterior physical improvements. The SBFP offers funds to offset the costs of façade and streetscape improvements. The City will pay 100% of the first \$1,000 of total eligible project costs and loan 80% of the remaining balance. The maximum amount loaned under the program guidelines is not to exceed \$20,000 per applicant. All applications submitted prior to October 1, 2013 qualify under these guidelines.

Total eligible project costs for Exclusive Collection, LLC d/b/a Remax Exclusive Collection under the Small Business Façade Program are \$33,650. The SBFP will pay 100% of the first \$1,000 of total eligible project costs and loan 80%

of the remaining balance. The project breakdown is as follows: Install new windows, awnings, exterior lighting, landscaping, and irrigation = \$33,650. $\$32,650 @ 80\% = \$26,650 + \$1,000 = \$27,650$. $\$27,650 - \$7,650 = \$20,000$.
