UCF Football plays an away game and we are throwing a viewing party tailgate outside of saddle up. We would like to close the road to extend our outside patio for a projector screen, tables, bars and tailgate games.

We hire a third party cleaning company, as well as our own staff to clean the entire event after it is over.

We will only be closing off about 100 feet off actual Washington Street directly in front of Saddle Up and Elixir. No other street will be affected. An MOT plan has been attached with all other documents. Bobs barricades will be doing the street closure.
