Marya,

Received a call from Clint on the above email. He was looking to speak with Janeiro today. I told Clint that Janeiro is on vacation and Clint would like to receive an answer in order to submit to Veronica today...

Miriam,

Will you check the pulse of the information below for the Plaza work? If it looks reasonable (I think it is) to Blueprint, then I'll send it to Veronica.

The percentages are as follows:

Total Cost: \$3,375,007 (WBE 81.2%)

Cornerstone: \$2,741,670 (WBE 81.2%)

Allowance: \$70,000 (0% MWBE)

Kenlin: \$183,876 (0% MWBE)

Mercon: \$260,991 (0% MWBE)

TCE/4Evolution: (\$152,374) (0% MWBE)

We are tied up with some other stuff today and will not be able to do a PDF of the plaza. Maybe BBA or HKS can create it.

Limits are from the West side of the West Magnolia Sidewalk to the backside of the sidewalk on the East of Orange. Northern limits are back of sidewalk on the South side of South street. Southern limits are to the fence line at Round building.

Sorry.

Brian / Andrew,

Would you also please provide a brief list of the subcontractors involved and the MBE and WBE percentages associated with this work? I need this information and the Exhibit requested below to get the DRAFT package onto the City Council Agenda. I really need this information by this afternoon.

Subject: DPC & Exhibit for the Plaza Amendment

Brian / Andrew,

Would you have a moment this afternoon to put together a quick Exhibit that delineates the limits of the plaza work that we can reference and attach to the Amendment for that scope? It should be limited to the area covered by the Plaza permit (west side of Magnolia to the East curb line on Orange).

Thanks.
