CLEARPOINT is not required to assume responsibility for an environmental review or assessment of this program pursuant to 24 CFR Part 58, nor responsibility for initiation of an intergovernmental review of this program and its activities (24 CFR §570.604). However, CLEARPOINT is required to provide information about its activities in order for the City to comply with its responsibility under 24 CFR Part 58. If applicable, subrecipient shall submit to the City the names and addresses of each client, the proposed activity, and an estimate of cost of the work to be undertaken at least forty-five (45) days prior to commencement of work. CLEARPOINT also agrees to assist the City in addressing environmental issues that may arise during the City's review process.

2. **Environmental Protection.** CLEARPOINT shall comply with all applicable standards, orders or regulations of the Clean Air Act (42 U.S.C. §7401 et. seq.); Section 306 of the Clean Air Act (42 U.S.C. 1857 (h)); Section 508 of the Clean Water Act (33 U.S.C. Section 1368); Executive Order 11738; the Federal Water Pollution Control Act, as amended (33 U.S.C. §1251, et. seq.); EPA regulations pursuant to 40 CFR Part 50; National Environmental Policy Act of 1969; standards and policies relating to energy efficiency contained in the State Energy Conservation Plan issued in compliance with the Energy Policy and Conservation Act; and HUD Environmental Review Procedures at 24 CFR Part 58. 4. **Flood Insurance Program.** Should any construction or rehabilitation of existing structures with assistance provided under this Agreement occur in an area identified as having special flood hazards by the Director of Federal Emergency Management, CLEARPOINT agrees to comply with all relevant and applicable provisions of 24 CFR §570.605 concerning the National Flood Insurance Program. CLEARPOINT agree that if any portion of the any property improved in connection with this Program is located in a special flood hazard area that flood insurance will be required by the City and must be provided by the homeowner.

5. **Lead-Based Paint.** Lead-based paint is prohibited in the construction or rehabilitation of any properties assisted under this Agreement. CLEARPOINT agrees that any construction or rehabilitation of residential structures with assistance provided under this contract shall be subject to HUD Lead-Based Paint Regulations at 24 CFR §570.608, which requires compliance with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§4821-4846), the Residential Lead-Based Paint Hazard Reduction Act of 1992 (42 U.S.C. §§4851-4856), and implementing regulations at 24 CFR Part 35, of which subparts A, B, J, K, and R apply to the CDBG Program. Such regulations pertain to all HUD-assisted housing and require that all owners, prospective owners, and tenants of properties constructed prior to 1978 be properly notified that such properties may include lead-based paint. Such notification shall point out the hazards of lead-based paint and explain the symptoms, treatment and precautions that should be taken when dealing with lead-based paint poisoning and the advisability and availability of blood lead level screening for children under seven. The notice shall also point out that if lead-based paint is found on the property, abatement

measures may be undertaken. The regulations further require that, depending on the amount of Federal funds applied to a property, paint testing, risk assessment, treatment and-or abatement may be conducted.

6. **Historic Preservation.** CLEARPOINT agrees to comply with the Historic Preservation requirements set forth in the National Historic Preservation Act of 1966, as amended (16 U.S.C. §470) and the procedures set forth in 36 CFR §800, Advisory Council on Historic Preservation Procedures for Protection of Historic Properties, insofar as they apply to the performance of this Agreement. In general, this requires concurrence from the State Historic Preservation Officer for all rehabilitation and demolition of historic properties that are fifty (50) years old or older or that are included on a federal, state, or local historic property list. CLEARPOINT shall notify the City CDBG representative immediately upon determining that a property may fall into this category.

1. **Events of Default.** If CLEARPOINT fails to comply with any term of this Agreement or any of the following, it shall constitute an Event of Default under this Agreement:

- a.) failure to comply with any of the rules, regulations or provisions referred to herein or governing CDBG awards, including, but not limited to, 24 CFR Parts 570 or such statutes, regulations, executive orders, and HUD guidelines, policies or directives as may become applicable at any time;

Notwithstanding any of the forgoing provisions to the contrary, if CLEARPOINT has failed to cure any default within (5) days prior to the expiration of any applicable cure period, the City may, at its

sole option, cure such default, provided, however, that the City shall be under no duty or obligation to do so.

2. **No Waiver.** Failure of the City to declare a default shall not constitute a waiver of any rights by the City. Furthermore, the waiver of any default by the City shall in no event be construed as a waiver of rights with respect to any other default, past or present.

3. **Remedies/ Suspension and Termination.** If CLEARPOINT fails to comply with any term of this Agreement or upon the occurrence of any Event of Default or any other breach of this Agreement, the City may suspend or terminate this Agreement, in whole or part, without notice, and withhold all funding, terminate all payments, and/or exercise all rights and remedies available to it under the terms of this Agreement, the Grant Documents, under statutory law, equity or under common law. 1. **Indemnification.** CLEARPOINT shall defend, indemnify and hold harmless the City from and against any and all liability, claims, demands, damages, expenses, fees, fines, penalties, suits, proceedings, actions and costs of actions, including attorney's fees, whether or not suit is filed and if suit is filed, attorney fees and costs at all trial and appellate levels, of any kind and nature arising or growing out of or in any way connected with CLEARPOINT's performance or non-performance of this Agreement or because of or due to the existence of the Agreement itself.

This indemnification shall run from the time of initial discovery of any such adverse environmental condition and shall not be construed to commence only upon realization by the City of an actual pecuniary loss as a result of such adverse environmental condition. The existence of this indemnification agreement shall not be construed as an indicia of ownership, management or control of the Program by the City and CLEARPOINT hereby recognizes and acknowledges that the City is not an owner or manager of the Program and does not exert any control thereupon. Notwithstanding anything herein to the contrary, this indemnification provision shall survive the termination of this Agreement.

3. **Insurance.** Without limiting CLEARPOINT's indemnification, CLEARPOINT shall maintain in force at all times during the performance of this Agreement all appropriate policies of insurance hereinafter described, concerning its operations. Certificates with valid and authorized endorsements, evidencing the maintenance and renewal of such insurance coverage shall be delivered to the City prior to execution of this Agreement. - b.) At least thirty (30) calendar days prior to the expiration of any of the above referenced insurance policies, Subrecipient shall provide the City with evidence of the renewal of said insurance policies in a form satisfactory to the City.

SECTION 8: MISCELLANEOUS PROVISIONS

1. **Assignment.** CLEARPOINT shall not assign or transfer any interest in this Agreement without the prior written consent of the City.

3. **Independent Contractor.** Nothing in this Agreement is intended to, or shall be construed in any manner, as creating or establishing the relationship of master/servant, principal/agent, employer/ employee or joint venture partner between the City and CLEARPOINT. The City shall be exempt from payment of all Unemployment Compensation, FICA, retirement, life and/or medical insurance and Worker's Compensation Insurance as CLEARPOINT is an independent contractor. 4. **Severability.** This Agreement shall be construed in accordance with the laws of the State of Florida. It is agreed by and between the parties that if any covenant, condition, provision contained in this Agreement is held to be invalid by any court of competent jurisdiction, such invalidity shall not affect the validity of any other covenants, conditions or provisions herein contained and all other parts shall nevertheless be in full force and effect.

GENERAL PROGRAM REQUIREMENTS

Subrecipient shall operate the Housing Counseling Services Program funded through the City’s Community Development Block Grant Program according to the following guidelines:

1. Any equipment, furnishings and any other usable item purchased with the City’s CDBG Program contribution to Subrecipient for use in the Program shall be kept on an inventory and shall be made available to the City’s Housing Department for disposition upon termination of the City’s CDBG assistance to Subrecipient.

2. Subrecipient hereby agrees to maintain accounting systems with internal controls to safeguard the U.S. Department of Housing and Urban Development (HUD) – Community Development Block Grant (CDBG) funds and assets, provide for accurate financial data, promote operational efficiency, and foster compliance with generally accepted accounting principles (GAAP) in accordance with 24 CFR Part 84 Administrative Requirements for Grants and Cooperative agreements with Institutions of Higher Education, Hospitals, and other non-profit organizations, and Federal OMB Circular A-110, Uniform Administrative Requirements-Grants and Agreements with Institutions of Higher Education, Hospitals and Other Nonprofit Organizations.

3. Subrecipient’s accounting records must adequately identify the receipt and expenditure of all CDBG funds for each budget line item. There must be a separate accounting for each budgetary allocation as approved by the City’s Housing Department. Cash receipts and expenditures from other sources must be accounted for separately from CDBG funds; therefore, if Subrecipient maintains a common account for both CDBG and other funds, the accounting system must provide for the clear and easy identification of CDBG funds.

4. Accounting and related records of Subrecipient shall comprise the following as a minimum:

- a. Voucher system – All supporting documentation, such as purchase orders, invoices, receiving reports, requisitions.
- b. Books of Original Entry – Cash receipts and disbursements journal, general ledger. Chart of Accounts – Listing of accounts must be maintained in the accounting system.
- c. Personnel Records – A separate personnel file shall be maintained for each CDBG Program employee. As a minimum, the file shall contain a resume of the employee, a description of duties assigned, and a record of the date employed, rate of pay at time of employment, subsequent pay adjustments, and documentation supporting leave taken by the employee.
- d. Attendance Records – Attendance records (individual time sheets) shall be maintained for all personnel paid with CDBG funds that are involved in operating the Subrecipient Program. This applies to part-time as well as full-time personnel. In addition to the accounting for daily attendance, the type of leave taken (annual, sick or other), shall be disclosed. Daily attendance records must support budgetary charges for payroll purposes.

- e. Payroll Records – Formal payroll records supporting cash disbursements to employees shall be maintained. Such records shall disclose each employee’s name, job, title, social security number, date hired, rate of pay, and all required deductions for tax purposes. Timely payments must be made of FICA taxes, including the required employer matching costs, and of income tax withheld from employees. All charges for payroll purposes shall be in accordance with the budget submitted to the City’s Housing Department. In addition, salaries and wages of employees chargeable with more than one (1) grant program and/or other funding sources will be supported by appropriate time distribution records. Actual time distribution records shall be available for review by the Housing Department at monitoring visits.
 - f. Checking Accounts – A monthly bank reconciliation shall be conducted by Subrecipient. All checks, stubs, etc. shall be pre-numbered and accounted for, including all voided checks. Check stubs, canceled checks, and deposit slips must be readily available for audit purposes.
 - g. Purchasing Practices – HUD considers State purchasing regulations to be the acceptable standard for purchasing practices. Purchasing practices shall be at the very least in accordance with 24 CFR §84. Local purchasing practices and other procedures shall prevail unless State and/or Federal practices and procedures are more stringent. Therefore, Subrecipient is obligated to conform to the more restrictive practices and procedures. It is recommended that Subrecipient use a formal pre-numbered purchase order system where possible and applicable. If a bidding procedure is not used, Subrecipient must provide documentation indicating how all vendors, contractors, minority and/or women owned businesses are given an opportunity to participate.
 - h. Inventories – Subrecipient, as are all CDBG program sub-grantees, is advised to maintain adequate safeguards against loss by theft or physical deterioration of any inventories of office supplies, equipment, or other items purchased with CDBG funds.
 - i. Property Records – Subrecipient is required to maintain formal subsidiary records to control all CDBG program Program property and equipment. Such records shall disclose the acquisition and subsequent disposition of all property. An annual inventory should be conducted and the books should reflect the actual value of property on hand at the end of the year.
5. Subrecipient, as a City CDBG subrecipient, should maintain records in an orderly manner, with separate identification for different Federal fiscal periods. Records must be protected from fire or other perils, and if stored in a location other than the Program site, shall be readily accessible to the City’s Housing Department staff, U.S. Department of Housing and Urban Development officials and others who may be authorized to examine such records. Subrecipient is required to submit a statement in writing, 30 days after the execution of this contract, indicating measures taken or planned to be taken (including dates) with regard to adequate protection of records from fire. Failure to do so may constitute a default of this agreement resulting in suspension of reimbursement until said documentation is submitted.

EQUAL OPPORTUNITY STANDARD SOLICITATION FOR BID AND CONTRACT LANGUAGE – CONSTRUCTION OVER \$10,000

A. Equal Opportunity Clause:

During the performance of this contract, the contractor agrees as follows:

1. The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.
2. The contractor will, in all solicitations or advertisements for employees placed by on or behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, or national origin.
3. The contractor will send to each labor union or representative of workers with which the contractor has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
4. The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
5. The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to its books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
6. In the event of the contractor's noncompliance with the discrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further government contracts or Federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order

11246 of September 24, 1965, or by rules, regulations, or orders of the Secretary of Labor, or as otherwise provided by law.

7. The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Section 504 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance; provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in Federally assisted construction work; provided, that if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality, or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, government contracts and Federally assisted construction contracts, pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency of the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.
