**Subject: Letter of Understanding – W.D. Judge Drive
Mercy Drive to John Young Parkway**

Dear Mr. Howard:

The City of Orlando and Orange County have discussed the paving of W.D. Judge Drive from Mercy Drive to John Young Parkway. A majority of this road is within the corporate limits of Orlando; however, a small segment is within Orange County. Both the City and Orange County have agreed to partner and pave the entire length of the road, splitting the cost 50/50. The total cost of the paving is \$264,403.65; half the cost to be paid by the City is \$132,201.82 (cost estimate is attached). The City and the County agree to contract with and pay the contractor separately and directly for their respective cost share.

Upon the completion of the paving contracted project described above (which will be administrated by Orange County Public Works at no additional cost) the County and City staff agree to bring a Road Transfer Agreement, including transfer of all right of way interest, operation, and maintenance responsibilities, to their respective boards to transfer W.D. Judge Drive to the City.

We ask that you sign this Letter of Understanding as accepted and approved so that the paving operations can proceed in a timely fashion.

Please give me a call should you have any questions.

Sincerely,

Mark V. Massaro, P.E.

MVM/ray
