In addition, a CDBG -funded religious organization retains its authority over its internal governance, and it may retain religious terms in its organization’s name, select its board members on a religious basis, and include religious references in its organization’s mission statements and other governing documents.

(d) Beneficiaries. An organization that participates in the CDBG program shall not in providing program assistance discriminate against a program beneficiary or prospective program beneficiary on the basis of religion or religious belief.

(e) Structures. CDBG funds may not be used for the acquisition, construction, or rehabilitation of structures to the extent that those structures are used for explicitly religious activities. CDBG funds may be used for the acquisition, construction, or rehabilitation of structures only to the extent that those structures are used for conducting eligible activities under this part. Where a structure is used for both eligible and inherently religious activities, CDBG funds may not exceed the cost of those portions of the acquisition, new construction, or rehabilitation that are attributable to eligible activities in accordance with the cost accounting requirements applicable to CDBG funds. Sanctuaries, chapels, or other rooms that a CDBG -funded religious congregation uses as its principal place of worship, however, are ineligible for CDBG -funded improvements. Disposition of the real property after the term of the loan or grant, or any change in use of the property during the

term of the grant or loan, is subject to government wide regulations governing real property disposition (24 CFR parts 84 and 85).

CENTER shall ensure that the provisions of the clauses in **Exhibit "J"** are included in all third party contracts, subcontracts, and purchase orders that exceed ten thousand dollars (\$10,000), so that the provisions will be binding upon each subcontractor or vendor. CENTER will complete this certification and a copy shall be kept in the files of each of the parties of this Agreement.

11. **Program Requirements.** CENTER agrees to comply and carry out all of its activities in accordance with the program requirements set forth in 24 CFR 570, subpart K.

12. **Fair Housing Act and Nondiscrimination and Equal Opportunity in Housing under E.O. 11063.** CENTER shall comply with the Fair Housing Act (42 U.S.C. §§3601-3620) and implementing regulations at 24 CFR Part 100, Executive Order 11063, as amended by Executive Order 12259 (Equal Opportunity in Housing) and their implementing regulations in 24 CFR Part 107 and shall keep records demonstrating compliance with this provision.

CENTER shall not enter into a contract with any person, agency or entity that is debarred, suspended or otherwise excluded from or ineligible for participation in federal assistance programs under Executive Order 12549 or 12689, "Debarment and Suspension," which is made a part of this Agreement by reference. In the event that CENTER has entered into a contract or subcontract with a debarred or suspended party, no CDBG funds will be provided as reimbursement for the work done by that debarred or suspended contractor or subcontractor. 17. **Fees for Use of Facilities.** Reasonable fees may be charged for the use of the facilities assisted with CDBG funds, but charges such as excessive membership fees, which have the effect of precluding low- and moderate-income persons for using the facilities, are not permitted.

18. **Registration.** CENTER agrees to maintain a current registration in the federal System for Award Management (“SAM”) database (<http://www.sam.gov>) pursuant to the Federal Funding Accountability and Transparency Act, P.L. 109-282, as amended by section 6202(a) of P.L. 110-252. SECTION 5: ENVIRONMENTAL

1. **Environmental Review Requirements.** In accordance with 24 CFR §570.604 and 24 CFR Part 58, the activities under this Agreement are subject to environmental review requirements. CDBG regulations require the preparation of an Environmental Review Record (ERR) and environmental clearance before funds are expended or costs incurred. City staff will prepare the ERR. CENTER is not required to assume responsibility for an environmental review or assessment of this program pursuant to 24 CFR Part 58, nor responsibility for initiation of an intergovernmental review of this program and its activities (24 CFR §570.604). However, CENTER is required to provide information about its activities in order for the City to comply with its responsibility under 24 CFR Part 58. CENTER shall submit to the City the names and addresses of each person assisted, the proposed activity, and an estimate of cost of the work to be undertaken at least forty-five (45) days prior to commencement of work, if applicable. CENTER also agrees to assist the City in addressing environmental issues that may arise during the City’s review process.

2. **Environmental Protection.** CENTER shall comply with all applicable standards, orders or regulations of the Clean Air Act (42 U.S.C. §7401 et. seq.); Section 306 of the Clean Air Act (42 U.S.C. 1857 (h)); Section 508 of the Clean Water Act (33 U.S.C. Section 1368); Executive Order 11738; the Federal Water Pollution Control Act, as amended (33 U.S.C. §1251, et. seq.); EPA regulations pursuant to 40 CFR Part 50; National Environmental Policy Act of 1969; standards and policies relating to energy efficiency contained in the State Energy Conservation Plan issued in compliance with the Energy Policy and Conservation Act; and HUD Environmental Review Procedures at 24 CFR Part 58. Violations shall be reported to the City, HUD and EPA.

4. **Flood Insurance Program.** Should any construction or rehabilitation of existing structures with assistance provided under this Agreement occur in an area identified as having special flood hazards by the Director of Federal Emergency Management, CENTER agrees to comply with all relevant and applicable provisions of 24 CFR §570.605 concerning the National Flood Insurance Program. CENTER agrees that if any portion of the any property improved in connection with this

Project is located in a special flood hazard area that flood insurance will be required by the City and must be provided by the homeowner.

5. **Lead-Based Paint.** Lead-based paint is prohibited in the construction or rehabilitation of any properties assisted under this Agreement. CENTER agrees that any construction or rehabilitation of residential structures with assistance provided under this Agreement shall be subject to HUD Lead-Based Paint Regulations at 24 CFR §570.608, which requires compliance with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§4821-4846), the Residential Lead-Based Paint Hazard Reduction Act of 1992 (42 U.S.C. §§4851-4856), and implementing regulations at 24 CFR Part 35, of which subparts A, B, J, K, and R apply to the CDBG Program. Such regulations pertain to all HUD-assisted housing and require that all owners, prospective owners, and tenants of properties constructed prior to 1978 be properly notified that such properties may include lead-based paint. Such notification shall point out the hazards of lead-based paint and explain the symptoms, treatment and precautions that should be taken when dealing with lead-based paint poisoning and the advisability and availability of blood lead level screening for children under seven. The notice shall also point out that if lead-based paint is found on the property, abatement measures may be undertaken. The regulations further require that, depending on the amount of Federal funds applied to a property, paint testing, risk assessment, treatment and-or abatement may be conducted. CENTER shall maintain records documenting compliance with these requirements.

6. **Historic Preservation.** CENTER agrees to comply with the Historic Preservation requirements set forth in the National Historic Preservation Act of 1966, as amended (16 U.S.C. §470) and the procedures set forth in 36 CFR §800, Advisory Council on Historic Preservation Procedures for Protection of Historic Properties, insofar as they apply to the performance of this Agreement. In general, this requires concurrence from the State Historic Preservation Officer for all rehabilitation and demolition of historic properties that are fifty (50) years old or older or that are included on a federal, state, or local historic property list. CENTER shall notify the City CDBG representative immediately upon determining that a property may fall into this category.

SECTION 6: DEFAULTS AND REMEDIES

Notwithstanding any of the forgoing provisions to the contrary, if CENTER has failed to cure any default within (5) days prior to the expiration of any applicable cure period, the City may, at its sole option, cure such default, provided, however, that the City shall be under no duty or obligation to do so.

- 2. **No Waiver.** Failure of the City to declare a default shall not constitute a waiver of any rights by the City. Furthermore, the waiver of any default by the City shall in no event be construed as a waiver of rights with respect to any other default, past or present.
- 3. **Remedies/ Suspension and Termination.** If CENTER fails to comply with any term of this Agreement or upon the occurrence of any Event of Default or any other breach of this Agreement, the City may suspend or terminate this Agreement, in whole or part, without notice, and withhold all funding, terminate all payments, and/or exercise all rights and remedies available to it under the terms of this Agreement, the Grant Documents, under statutory law, equity or under common law. The City may also terminate this Agreement for convenience in accordance with 24 CFR §85.44.

All remedies shall be deemed cumulative and, to the extent permitted by law, the election of one or more remedies shall not be construed as a waiver of any other remedy the City may have available to it.

SECTION 7: INDEMNIFICATION AND INSURANCE

- 1. **Indemnification.** CENTER shall defend, indemnify and hold harmless the City from and against any and all liability, claims, demands, damages, expenses, fees, fines, penalties, suits, proceedings, actions and costs of actions, including attorney's fees, whether or not suit is filed and if suit is filed, attorney fees and costs at all trial and appellate levels, of any kind and nature arising or growing out of or in any way connected with CENTER’s performance or non-performance of this Agreement or because of or due to the existence of the Agreement itself.

2. **Environmental Indemnification.** CENTER shall indemnify and hold the City harmless from any claim arising from, or in any way related to, the environmental condition of the Project, including, but not limited to, the cost of investigating, defending, and/or negotiating to a satisfactory conclusion claims made by environmental regulatory agencies, as well as all cleanup and property maintenance requirements imposed by any agency with lawful jurisdiction over the Project. This indemnification shall run from the time of initial discovery of any such adverse environmental condition and shall not be construed to commence only upon realization by the City of an actual pecuniary loss as a result of such adverse environmental condition. The existence of this indemnification agreement shall not be construed as an indicia of ownership, management or control of the Project by the City and CENTER hereby recognizes and acknowledges that the City is not an owner or manager of the Project and does not exert any control thereupon. Notwithstanding anything herein to the contrary, this indemnification provision shall survive the termination of this Agreement.

3. **Insurance.** Without limiting CENTER's indemnification, CENTER shall maintain in force at all times during the performance of this Agreement all appropriate policies of insurance hereinafter described, concerning its operations. Certificates with valid and authorized endorsements, evidencing the maintenance and renewal of such insurance coverage shall be delivered to the City prior to execution of this Agreement. The City shall be given notice in writing at least thirty (30) calendar days in advance of cancellation or modification of any policy of insurance. The City, its officers and employees shall be named as an additional named insured on all policies of liability insurance.

a.) All policies of insurance shall be in a company or companies authorized by law to transact insurance business in the State of Florida. In addition, such policy shall provide that the coverage shall be primary for losses arising out of CENTER's performance of the Agreement. Neither the City nor any of its insurers shall be required to contribute to any such loss. The required certificate shall be furnished prior to execution of this Agreement.

b.) At least thirty (30) calendar days prior to the expiration of any of the above referenced insurance policies, CENTER shall provide the City with evidence of the renewal of said insurance policies in a form satisfactory to the City.

SECTION 8: MISCELLANEOUS PROVISIONS

1. Assignment. CENTER shall not assign or transfer any interest in this Agreement without the prior written consent of the City.
2. No Grant of Vested Rights. This Agreement shall not be construed as granting or assuring or vesting any land use, zoning, development approvals, permission or rights with respect to property owned by CENTER.
3. Independent Contractor. Nothing in this Agreement is intended to, or shall be construed in any manner, as creating or establishing the relationship of master/servant, principal/agent, employer/employee or joint venture partner between the City and CENTER. The City shall be exempt from payment of all Unemployment Compensation, FICA, retirement, life and/or medical insurance and Worker's Compensation Insurance as CENTER is an independent contractor. CENTER agrees and acknowledges that it shall be responsible for and shall pay any and all applicable compensation, insurance and taxes, including but not limited to federal income taxes and Social Security on the salary of any positions funded in whole or in part with CDBG funds.
4. Severability. This Agreement shall be construed in accordance with the laws of the State of Florida. It is agreed by and between the parties that if any covenant, condition, provision contained in this Agreement is held to be invalid by any court of competent jurisdiction, such invalidity shall not affect the validity of any other covenants, conditions or provisions herein contained and all other parts shall nevertheless be in full force and effect. .
5. Entire Agreement/Modification. This Agreement constitutes the entire Agreement between the parties hereto with respect to the subject matter hereof. Any representations or statements heretofore made with respect to such subject matter, whether written or verbal, are merged herein. EXHIBIT “D” PROGRAM REQUIREMENTS

Subrecipient, in addition to the terms set forth in the Agreement, shall operate the Project funded through the City’s Community Development Block Grant Program according to the following guidelines:

1. Any equipment, furnishings and any other usable item purchased with the City’s CDBG Program contribution to Subrecipient for use in the Project shall be kept on an inventory and shall be made available to the City’s Housing and Community Development Department for disposition upon termination of the City’s CDBG assistance to Subrecipient.

2. Subrecipient hereby agrees to maintain accounting systems with internal controls to safeguard the U.S. Department of Housing and Urban Development (HUD) – Community Development Block Grant (CDBG) funds and assets, provide for accurate financial data, promote operational efficiency, and foster compliance with generally accepted accounting principles (GAAP) in accordance with 24 CFR Part 84 Administrative Requirements for Grants and Cooperative agreements with Institutions of Higher Education, Hospitals, and other non-profit organizations, and Federal OMB Circular A-110, Uniform Administrative Requirements-Grants and Agreements with Institutions of Higher Education, Hospitals and Other Nonprofit Organizations.

3. Subrecipient’s accounting records must adequately identify the receipt and expenditure of all CDBG funds for each budget line item. There must be a separate accounting for each budgetary allocation as approved by the City’s Housing and Community Development Department. Cash receipts and expenditures from other sources must be accounted for separately from CDBG funds; therefore, if Subrecipient maintains a common account for both CDBG and other funds, the accounting system must provide for the clear and easy identification of CDBG funds.

4. Accounting and related records of Subrecipient shall comprise the following as a minimum:

- a. Voucher system – All supporting documentation, such as purchase orders, invoices, receiving reports, requisitions.
- b. Books of Original Entry – Cash receipts and disbursements journal, general ledger. Chart of Accounts – Listing of accounts must be maintained in the accounting system.
- c. Personnel Records – A separate personnel file shall be maintained for each CDBG project employee. As a minimum, the file shall contain a resume of the employee, a description of duties assigned, and a record of the date employed, rate of pay at time of employment, subsequent pay adjustments, and documentation supporting leave taken by the employee.
- d. Attendance Records – Attendance records (individual time sheets) shall be maintained for all personnel paid with CDBG funds that are involved in operating the Project. This applies to part-time as well as full-time personnel. In addition to the accounting for daily attendance, the type of leave taken (annual, sick or other), shall be disclosed. Daily attendance records must support budgetary charges for payroll purposes.

- e. Payroll Records – Formal payroll records supporting cash disbursements to employees shall be maintained. All time sheets or personal activity reports must be signed by the employee and the employee’s supervisor. Such records shall disclose each employee’s name, job, title, social security number, date hired, rate of pay, and all required deductions for tax purposes. Timely payments must be made of FICA taxes, including the required employer matching costs, and of income tax withheld from employees. All charges for payroll purposes shall be in accordance with the Budget submitted to the City’s Housing and Community Development Department. In addition, salaries and wages of employees chargeable with more than one (1) grant program and/or other funding sources will be supported by appropriate time distribution records. Actual time distribution records shall be available for review by the Housing and Community Development Department at monitoring visits.
 - f. Checking Accounts – A monthly bank reconciliation shall be conducted by Subrecipient. All checks, stubs, etc. shall be pre-numbered and accounted for, including all voided checks. Check stubs, canceled checks, and deposit slips must be readily available for audit purposes.
 - g. Purchasing Practices – Purchasing practices shall be at the very least in accordance with 24 CFR §84. Subrecipient must provide documentation indicating how all vendors, contractors, minority and/or women owned businesses are given an opportunity to participate.
 - h. Inventories – Subrecipient, as are all CDBG program sub-grantees, is advised to maintain adequate safeguards against loss by theft or physical deterioration of any inventories of office supplies, equipment, or other items purchased with CDBG funds.
 - i. Property Records – Subrecipient is required to maintain formal subsidiary records to control all CDBG program project property and equipment. Such records shall disclose the acquisition and subsequent disposition of all property. An annual inventory should be conducted and the books should reflect the actual value of property on hand at the end of the year.
5. Subrecipient should maintain records in an orderly manner, with separate identification for different Federal fiscal periods. Records must be protected from fire or other perils, and if stored in a location other than the project site, shall be readily accessible to the City’s Housing and Community Development Department staff, the Inspector General, and HUD officials and others who may be authorized to examine such records. Failure to do so may constitute a default of this agreement resulting in suspension of reimbursement until said documentation is submitted.

EXHIBIT “E”
Reporting Schedule

A. Subrecipient shall submit a monthly status report to the City’s Housing and Community Development Department no later than ten (10) days after the last day of any month in which services assisted through the Community Development Block Grant Program have been provided. Failure to provide the monthly status report within the ten (10) day period will trigger a withholding of payment of subsequent reimbursements.

B. Subrecipient shall maintain client data demonstrating client eligibility for services provided. Such data shall include client name, address, number of persons in the household and household income. Such information shall be made available to City and/or HUD monitors or their designees for review upon request. Subrecipient understands that client information collected under this contract is private and the use or disclosure of such information, when not directly connected with the administration of the City’s or Subrecipient responsibilities with respect to services provided under this contract, is prohibited by the U.S. Privacy Act of 1974 unless written consent is obtained from such person receiving services, and in the case of a minor, that of a responsible parent/guardian.

C. Upon fifteen (15) days notice by the City’s Housing and Community Development Department, Subrecipient shall provide the information requested by the City for submission of performance or other reports to HUD.

D. Between the required monthly status reporting dates, events may occur which have significant impact upon the project or program. In such cases, Subrecipient shall inform the City’s Housing and Community Development Department as soon as the following types of conditions become known:

1. Problems, delays or adverse conditions, which may materially affect the ability to attain program objectives, prevent the meeting of time schedules and goals, or preclude the attainment of project work units by established term periods. This disclosure shall be accompanied by a statement of the assistance needed to resolve the situation.
2. Favorable development or events, which will enable meeting time schedules and goals sooner than anticipated or producing more work units than originally projected.

Method of Payment:

Payments shall be made on the basis of completed services and submission of documentation as outlined in this Agreement between the City and Subrecipient. Subrecipient shall submit monthly requests for reimbursement to the City’s Housing and Community Development Department in accordance with the following:

1. The City’s Housing and Community Development Department shall authorize the reimbursement of Subrecipient for actual expenditures outlined in the budget as expressed in **Exhibit “C”** of this Agreement, except that the Housing and Community Development Director, or her designee, may approve a variance with

regard to variable costs. CENTER's ability to meet a 50% grant expenditure rate after six (6) months of service delivery will be considered as a performance indicator and reflect on the City's determination of non-compliance.

2. Expenses incurred by Subrecipient will not be authorized for reimbursement by the City's Housing and Community Development Department if such expenses cannot be documented by receipts, invoices or other appropriate documentation and information. Furthermore, all requests for reimbursement submitted by Subrecipient to the City's Housing and Community Development Department shall not be reimbursable by the City if such expenditures were not expended directly for the provision of services and activity delivery costs to benefit the persons in accordance with this Agreement.
3. Provided that the reimbursement requests are complete and undisputed, the City's Housing and Community Development Department shall authorize reimbursement of approved expenditure requests within thirty (30) days of receipt of such requests.

EQUAL EMPLOYMENT OPPORTUNITY CLAUSE FOR SUBRECIPIENTS AND THEIR CONTRACTORS AND SUBCONTRACTORS **STANDARD SOLICITATION FOR BID AND CONTRACT LANGUAGE**

A. Equal Opportunity Clause:

Subrecipient agrees that it will incorporate or cause to be incorporated into any contract for construction work, or modification thereof, as defined in the regulation of the Secretary of Labor 41 CFR Chapter 60, which is paid for in whole or in part with funds obtained from the Federal Government or borrowed on the credit of the Federal Government pursuant to a grant, contract, loan insurance, or guarantee or undertaken pursuant to any Federal Program involving such grant, contract, loan insurance, or guarantee, the following equal opportunity clause:

1. The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.
2. The contractor will, in all solicitations or advertisements for employees placed by on or behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, or national origin.
3. The contractor will send to each labor union or representative of workers with which the contractor has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
4. The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
5. The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to its books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
6. In the event of the contractor's noncompliance with the discrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further government contracts or Federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rules, regulations, or orders of the Secretary of Labor, or as otherwise provided by law.

7. The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Section 504 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance; provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in Federally assisted construction work; provided, that if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality, or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, government contracts and Federally assisted construction contracts, pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency of the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

SECTION 3 ECONOMIC OPPORTUNITY

SECTION 3 CLAUSE

- A. The work to be performed under this contract is on a project assisted under a program providing direct Federal financial assistance from the Department of Housing and Urban Development ("HUD") and is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. §1701u. The purpose of section 3 is to ensure that to the greatest extent feasible, opportunities for training and employment be given to low income residents of the Project area and contracts for work in connection with the Project be awarded to business concerns which are located in or owned in substantial part by persons residing in the area of the Project.
- B. The parties to this contract will comply with the provisions of said Section 3 and the regulations issued pursuant thereto by the Secretary of HUD set forth in 24 CFR Part 135, and all applicable rules and orders of the Department issued thereunder as evidenced by the execution of this contract. The parties to this contract certify and agree that they are under no contractual agreement or other disability which would prevent them from complying with these requirements.
- C. Subrecipient will send to each labor organization or representative of workers with which it has a collective bargaining agreement or other contract or understanding, if any, a notice advising the said labor organization or workers' representative of his commitments under this Section 3 Clause and shall post copies of the notice in conspicuous places available to employees and applicants for employment or training. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship, and training positions, the qualifications for each, the name and location of the persons taking applications for each of the positions, and the anticipated date the work shall begin.

Subrecipient will not subcontract with any agency where it has notice or knowledge that the latter has been found in violation of regulations under 24 CFR Part 135, and will not let any subcontract unless the agency has first provided it with a preliminary statement of ability to comply with the requirements of these regulations.
- E. Subrecipient will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 25 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135.

Compliance with the provisions of Section 3, the regulations set forth in 24 CFR Part 135, and all applicable rules and orders of the Department issued thereunder prior to the execution of the contract shall be a condition of the Federal financial assistance provided to the Project, binding upon the applicant or recipient for such assistance, its successors and assigns. Failure to fulfill these requirements shall subject the applicant or recipient, its subrecipients, and its successors, and assigns to those sanctions specified by the CDBG Program Agreement or contract through which Federal assistance is provided, and to such sanctions as are specified by 24 CFR Part 135, which include termination of this Agreement for default and debarment and suspension from future HUD-assisted contracts.
