

**SUMMARY OF PROPOSED GMP AMENDMENTS**  
**Winter 2015**

**A. GMP2014-00022      Future Land Use Policy 4.1.9 – Airport Support District Medium Intensity**

Applicant:                      City of Orlando

District:                        Citywide

Project Planner:              Michelle Beamon (Contact at 407-246-3145 or  
[michelle.beamon@cityoforlando.net](mailto:michelle.beamon@cityoforlando.net))

Amend Future Land Use Element Policy 4.1.9, Airport Support District Medium Intensity Future Land Use designation, to remove the requirement for a PD when the proposed project conforms to the I-P zoning category.

**B. GMP2014-00023      Future Land Use Figure 1 – Mixed Use Corridor High Intensity**

Applicant:                      City of Orlando

District:                        Citywide

Project Planner:              Bruce Hossfield (Contact at 407-246-3355 or  
[bruce.hossfield@cityoforlando.net](mailto:bruce.hossfield@cityoforlando.net))

Amend Future Land Use Element Figure LU-1 to add an exception to the minimum intensity requirement for commercial areas outside the Traditional City within Mixed Use Corridor High Intensity future land use designation.

**C. GMP2014-00024      Avigation Zones**

Applicant:                      City of Orlando

District:                        Citywide

Project Planner:              Bruce Hossfield (Contact at 407-246-3355 or  
[bruce.hossfield@cityoforlando.net](mailto:bruce.hossfield@cityoforlando.net))

Amend GMP Future Land Use Subarea Policies S.15.7 and S.34.2, and add Subarea Policy S.35.6 to identify Avigation Zone Areas as areas where GOAA avigation easements do not allow new residential development, while permitting existing residential uses to remain.

**D. GMP2014-00025      Concentration of Land Uses**

Applicant:                      City of Orlando

District:                        Citywide

Project Planner:              Bruce Hossfield (Contact at 407-246-3355 or  
[bruce.hossfield@cityoforlando.net](mailto:bruce.hossfield@cityoforlando.net))

Amend Future Land Use Element to add Objective 1.10 and Policy 1.10.1, to support the establishment of special zoning districts to limit the over-concentration of land uses that may have negative secondary impacts and to continue to encourage true mixed use zones with a variety of land uses.

**E. GMP2014-00026      Lake Eola Heights Historic District**

Applicant:                      City of Orlando

District:                        4

Project Planner:              Colandra Jones (Contact at 407-246-3415 or  
[colandra.jones@cityoforlando.net](mailto:colandra.jones@cityoforlando.net))

Amend Historic Preservation Element Figures HP-1 and HP-1C to revise the boundary of the Lake Eola Heights Historic District.

**F. GMP2014-00027      Planned Bikeways**

Applicant:                      City of Orlando

District:                        City-wide

Project Planner:              Colandra Jones (Contact at 407-246-3415 or  
[colandra.jones@cityoforlando.net](mailto:colandra.jones@cityoforlando.net))

Amend Transportation Element Figures TE-49 and TE-49A, and Recreation and Open Space Element Figures R-20A and R-20B to reflect recent updates to the City of Orlando Bikeway Plan.

**G. GMP2014-00028 Narcoossee Parcels**

Applicant: City of Orlando  
District: 1  
Project Planner: Michelle Beamon (Contact at 407-246-3145 or [michelle.beamon@cityoforlando.net](mailto:michelle.beamon@cityoforlando.net))

Assign the Airport Support District Medium Intensity future land use designation. The property is generally located at the northwest corner of Narcoossee Road and McCoy Road and consists of approximately 25.21 acres.

**H. GMP2014-00029 Parks Level of Service**

Applicant: City of Orlando  
District: Citywide  
Project Planner: Michelle Beamon (Contact at 407-246-3145 or [michelle.beamon@cityoforlando.net](mailto:michelle.beamon@cityoforlando.net))

Amend Recreation and Open Space Element Figure R-1 Part B as it relates to Parks Level of Service.

**I. GMP2014-00032 Transportation Element TE-2**

Applicant: City of Orlando  
District: Citywide  
Project Planner: Colandra Jones (Contact at 407-246-3415 or [colandra.jones@cityoforlando.net](mailto:colandra.jones@cityoforlando.net))

Amend Transportation Element Figure TE-2 (Recommended Mobility Projects 2010-2030) to incorporate the Ultimate I-4 expansion project west of S. Kirkman Rd. to the southernmost boundary of City limits along the I-4 corridor.

**J. GMP2014-00033      Urban Design Element**

Applicant:                      City of Orlando

District:                        Citywide

Project Planner:              Mary-Stewart Droege, AICP (Contact at 407-246-3276 or  
[mary-stewart.droege@cityoforlando.net](mailto:mary-stewart.droege@cityoforlando.net) )

Amend Urban Design Element Objective 8.4 (View Corridors) and associated policies and Figure UD-32 to reflect changes to the Downtown Special Sign District (Sec.64.400).
