Salary Specs

This is a full-time CONTRACT position with the same benefits as Permanent full-time. Most contracts are renewable for terms of one year.

ATTENTION ONLINE APPLICANTS: The City's applicant process is two steps. If you complete the first portion, you will get a confirming email. However, if you have not either: (a) pasted in a detailed resume, or (b) completed My Education and Employment (schooling and work history), your application may be incomplete. Watch the application status on your login screen or call 407-246-2062 for assistance.

Starting Salary:

Construction Inspector I: \$18.86 to 23.58 per hour, depending on qualifications (Grade 14)
Construction Inspector II: \$20.19 to 25.24 per hour, depending on qualifications (Grade 13)

POSTING LANGUAGE

NATURE OF WORK:

Performs responsible technical field inspection and office work enforcing national, state, and local codes governing the design, construction, and renovation of buildings, structures, wastewater treatment facilities and other public works' projects. Work involves inspection of buildings and structures, plumbing, electrical, and mechanical installations, and requires considerable knowledge of electrical, carpentry, plumbing, building construction, or mechanical field as well as in-depth knowledge of all applicable codes and ordinances. Must exercise considerable initiative and independent judgment in the interpretation and application of codes in making technical decisions. Work is performed under general supervision, according to established guidelines, and performance is reviewed through reports submitted, meetings, and results obtained for technical sufficiency and consistent application.

MINIMUM REQUIREMENTS:

CONSTRUCTION INSPECTOR I: Associate degree in building construction or the electrician trade plus five years experience in electrical work or an equivalent combination of post-secondary education, training, and experience. Must be certified by the Florida Electrical Contractors Licensing Board (E.C.L.B.) as a Standard Inspector - Electrical. or must obtain a Provisional Certification within four months of hire. Must obtain Standard Certificate within one year. Florida driver license required. Must pass criminal background check and polygraph examination.

CONSTRUCTION INSPECTOR II: Associate degree in building construction or the electrician trade plus seven years experience in electrical work or an equivalent combination of post-secondary education, training, and experience. Must be certified by the Florida Electrical Contractors Licensing Board (E.C.L.B.) as a Standard Inspector - Electrical. Florida driver license required. Must pass criminal background check and polygraph examination.

VALID DRIVER LICENSE FROM ANY STATE MUST BE PRESENTED AT TIME OF INTERVIEW. VALID FLORIDA DRIVER LICENSE MUST BE PRESENTED WITHIN 30 DAYS OF HIRE.
