Any construction contracts entered into by Lighthouse shall include a provision for compliance with these regulations. Lighthouse shall maintain documentation and records which demonstrate compliance with these regulations. Such documentation shall be submitted to the City for review on a monthly basis.

6. **Handicapped Accessibility Requirements.** Lighthouse shall design, construct, and rehabilitate the Project so that it is accessible to and useable by individuals with handicaps, in compliance with the Architectural Barriers Act of 1968 (42 U.S.C. §§ 4151-4157), the Uniform Federal Accessibility Standards, as set forth in 24 CFR §570.614, the Americans with Disabilities Act of 1990 (42 U.S.C. §12131), Section 504 of the Rehabilitation Act of 1973 and the implementing regulations in 24 CFR Part 8, and all state and local laws requiring physical and program accessibility to people with disabilities. Any contracts entered into by Lighthouse

shall include a provision for compliance with these regulations. Lighthouse shall keep records demonstrating compliance with these regulations.

7. **Utilization of Minority/Women's Business Enterprises.** Lighthouse will use its best efforts to ensure that minority/women's business enterprises are afforded the opportunity and included for consideration for participation in all construction, supply or service contracts or in the performance of this Agreement. Lighthouse shall comply with Executive Order 11625, as amended by Executive Order 12007 (Minority Business Enterprises); Executive Order 12432 (Minority Business Enterprise Development); and Executive Order 12138, as amended by Executive Order 12608 (Women's Business Enterprise). Any contracts entered into by Lighthouse shall include a provision for compliance with these regulations. Lighthouse shall keep records demonstrating compliance with this provision including the affirmative steps taken to assure that minority business and women's business enterprises have an equal opportunity to obtain or compete for contracts and subcontracts.

8. **Political Activities.** Lighthouse shall comply with 24 CFR §570.207(a)(3) regarding political activities. CDBG funds shall not be used for lobbying or political patronage activities. Lighthouse further agrees that no funds provided, nor personnel employed under this Agreement, shall be in any way or to any extent be engaged in the conduct of political activities in violation of Chapter 15 of Title V, United States Code (Hatch Act), or 24 CFR §570.207(a)(3).

9. **Anti-Lobbying Provision.** Lighthouse shall comply with the requirements set forth in 31 U.S.C. §1352 and implementing regulations at 24 CFR Part 87. Lighthouse and any contractors who apply or bid for an award of \$100,000 or more shall execute and comply with the "Certification Regarding Lobbying" attached hereto as **Exhibit "K"** and made a part hereof by this reference. Lighthouse shall execute the "Certification Regarding Lobbying" and a copy shall be kept in the files of each of the parties of this Agreement.

10. **Conflict of Interest.** In the procurement of supplies, equipment, construction and services, Lighthouse shall comply with the conflict of interest rules in 24 CFR §84.42. Lighthouse shall comply with the conflict of interest provisions contained in 24 CFR §570.611 for those cases not governed by §84.42. Such cases include the acquisition and disposition of real property and the provision of assistance by Lighthouse to individuals, businesses, and other private entities under eligible activities that authorize such assistance (i.e. rehabilitation).

Although this summary does not intend to replace 24 CFR §570.611, essentially this rule states that no "person" who exercised any functions or responsibilities with respect to activities assisted with CDBG funds or who is in a position to participate in a decision-making process or gain inside information with regard to these activities, may obtain a financial interest or benefit from a CDBG-assisted activity, or have a financial interest in any contract, subcontract or agreement with respect thereto, or the proceeds thereunder, either for themselves or those with whom they have family or business ties, during their tenure of for one year thereafter. "Person" includes employees, agents, consultants, officers, elected officials, appointed officials, or of any designated public agencies or of subrecipients receiving CDBG funds. Lighthouse agrees that it will establish and adopt safeguards to prohibit members, officers, employees and the like from

using positions for a purpose that is or gives the appearance of being motivated for private gain for themselves or others with whom they have family, business, or other ties. Lighthouse shall also keep records supporting requests for waivers of conflicts.

11. **Section 3 of the Housing and Urban Development Act of 1968/Equal Opportunity.** Lighthouse shall comply with the provisions of Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. §1701u) and its implementing regulations contained in 24 CFR Part 135 regarding economic opportunities for low income persons and the use of local businesses, if applicable. Lighthouse shall comply with the provisions of the "Section 3 Clause", attached hereto as **Exhibit "L"** and made a part hereof by this reference, and require all subcontracts to contain a copy of the Section 3 clause. Lighthouse shall also keep records demonstrating compliance with these regulations, including 24 CFR §570.506(g)(5).

12. **Faith-Based Activities.**

(a) **Equal treatment of program participants and program beneficiaries.**

(1) **Program participants.** Organizations that are religious or faith-based are eligible, on the same basis as any other organization, to participate in the CDBG program. Neither the Federal Government or a State or local government receiving funds under the CDBG program shall discriminate against an organization on the basis of the organization's religious character or affiliation.

(b) **Separation of inherently religious activities.** Organizations that are directly funded under the CDBG program may not engage in inherently religious activities, such as worship, religious instruction, or proselytization, as part of the programs or services funded. If an organization conducts such activities, the activities must be offered separately, in time or location, from the programs or services funded under this part, and participation must be voluntary for the program beneficiaries of the HUD-funded programs or services provided.

(c) **Religious Identity.** A religious organization that is a recipient or subrecipient of CDBG program funds will retain its independence from federal, state, and local governments, and may continue to carry out its mission, including the definition, practice, and expression of its religious beliefs, provided that it does not use direct CDBG funds to support any inherently religious activities, such as worship, religious instruction, or proselytization. Among other things, faith-based organizations may use space in their facilities to provide CDBG-funded services, without removing or altering religious art, icons, scriptures, or other religious symbols. In addition, a CDBG-funded religious organization retains its authority over its internal governance, and it may retain religious terms in its organization's name, select its board members on a religious basis, and include religious references in its organization's mission statements and other governing documents.

(d) **Beneficiaries.** An organization that participates in the CDBG program shall not, in providing program assistance, discriminate against a program beneficiary or prospective program beneficiary on the basis of religion or religious belief.

(e) Structures. CDBG funds may not be used for the acquisition, construction, or rehabilitation of structures to the extent that those structures are used for inherently religious activities. CDBG funds may be used for the acquisition, construction, or rehabilitation of structures only to the extent that those structures are used for conducting eligible activities under this part. Where a structure is used for both eligible and inherently religious activities, CDBG funds may not exceed the cost of those portions of the acquisition, new construction, or rehabilitation that are attributable to eligible activities in accordance with the cost accounting requirements applicable to CDBG funds. Sanctuaries, chapels, or other rooms that a CDBG-funded religious congregation uses as its principal place of worship, however, are ineligible for CDBG-funded improvements. Disposition of the real property after the term of the loan or grant, or any change in use of the property during the term of the grant or loan, is subject to government wide regulations governing real property disposition (24 CFR parts 84 and 85).

13. Drug Free Workplace. Lighthouse will provide a drug-free workplace. Lighthouse shall comply with the Drug-Free Workplace Act of 1988 and implementing regulations in 2 CFR Part 2429 regarding maintenance of a drug-free workplace. Lighthouse shall complete and comply with the "Certification Regarding Drug-Free Workplace Requirements" attached hereto as **Exhibit "M"** and made a part hereof by this reference. Lighthouse will complete this certification and a copy shall be kept in the files of each of the parties of this Agreement.

14. Program Requirements. Lighthouse agrees to comply and carry out all of its activities in accordance with the program requirements set forth in 24 CFR 570, subpart K.

15. Fair Housing Act and Nondiscrimination and Equal Opportunity in Housing under E.O. 11063. Lighthouse shall comply with the Fair Housing Act (42 U.S.C. §§3601-3620) and implementing regulations at 24 CFR Part 100, Executive Order 11063, as amended by Executive Order 12259 (Equal Opportunity in Housing) and their implementing regulations in 24 CFR Part 107 and shall keep records demonstrating compliance with this provision.

16. Resident Aliens. Lighthouse shall comply with the requirements set forth in 24 CFR §570.613 regarding eligibility restrictions for certain resident aliens.

17. Debarment and Suspension. Lighthouse shall comply with the debarment and suspension requirements set forth in 24 CFR §570.609, which requires compliance with 24 CFR Part 5 and 2 CFR Part 2424. Lighthouse shall not enter into a contract with any person, agency or entity that is debarred, suspended or otherwise excluded from or ineligible for participation in federal assistance programs under Executive Order 12549 or 12689, "Debarment and Suspension," which is made a part of this Agreement by reference. In the event that Lighthouse has entered into a contract or subcontract with a debarred or suspended party, no CDBG funds will be provided as reimbursement for the work done by that debarred or suspended contractor or subcontractor. Lighthouse shall keep copies of the debarment and suspension certifications required by 2 CFR Parts 2424 and a copy of the sheet documenting that the federal debarment list was checked.

18. **Building, Zoning, and Permits.** Lighthouse agrees to comply with all laws of the State of Florida and the Orlando City Code. In particular, Lighthouse shall comply with all applicable building and zoning laws and regulations and obtain all necessary permits for intended improvements or activities for the Project.

19. **Agreement between City and HUD.** Lighthouse agrees that it shall be bound by the standard terms and conditions used in the CDBG Agreement between the City and HUD, and such other rules, regulations or requirements as HUD may reasonably impose in addition to the conditions of this Agreement or subsequent to the execution of this Agreement by the parties hereto.

20. **Fees for Use of Facilities.** Reasonable fees may be charged for the use of the facilities assisted with CDBG funds, but charges such as excessive membership fees, which have the effect of precluding low- and moderate-income persons for using the facilities are not permitted.

21. **Registration.** Lighthouse agrees to maintain a current registration in the federal System for Award Management ("SAM") database (<http://www.sam.gov>) pursuant to the Federal Funding Accountability and Transparency Act, P.L. 109-282, as amended by section 6202(a) of P.L. 110-252. If Lighthouse is not currently registered, it must do so within ten (10) days of the date Lighthouse executes this Agreement and before any funds are disbursed. A Dun and Bradstreet Data Universal Numbering System (DUNS) Number (<http://www.dnb.com>) is required for registration. Lighthouse shall also complete and sign the Affidavit attached hereto as **Exhibit "N"** in conjunction with its execution of this Agreement and provide any supporting documentation, if required.

22. **Public Facility to be Open.** Lighthouse will operate the Property so it is open for use by the general public during all normal hours of operation.

SECTION 5. ENVIRONMENTAL.

1. **Environmental Review Requirements.** In accordance with 24 CFR §570.604 and 24 CFR Part 58, the activities under this Agreement are subject to environmental review requirements. Lighthouse is not required to assume responsibility for an environmental review or assessment of this program pursuant to 24 CFR Part 58, nor responsibility for initiation of an intergovernmental review of this program and its activities (24 CFR §570.604). However, Lighthouse is required to provide information about its activities in order for the City to comply with its responsibility under 24 CFR Part 58. Lighthouse shall submit to the City any changes to the original proposed scope of work or any changes to the cost of the work so that the City may evaluate this new information and conduct any further environmental review. This information must be submitted to the City for approval at least 45 days prior to any commencement of work. Lighthouse also agrees to assist the City in addressing environmental issues that may arise during the City's review process.

2. **Environmental Protection.** Lighthouse shall comply with all applicable standards, orders or regulations of the Clean Air Act (42 U.S.C. §7401 et. seq.); Section 306 of the Clean Air Act (42 U.S.C. 1857 (h)); Section 508 of the Clean Water Act (33 U.S.C. Section 1368); Executive Order 11738; the Federal Water Pollution Control Act, as amended (33 U.S.C. §1251, et. seq.); EPA regulations pursuant to 40 CFR Part 50; National Environmental Policy Act of 1969; standards and policies relating to energy efficiency contained in the State Energy Conservation Plan issued in compliance with the Energy Policy and Conservation Act; and HUD Environmental Review Procedures at 24 CFR Part 58. Violations shall be reported to the City, HUD and EPA.

3. **Flood Disaster Protection.** Lighthouse shall comply with the requirements of the Flood Disaster Protection Act of 1973 (42 U.S.C. §4106) and implementing regulations in 44 CFR Parts 59 through 79 in regard to the sale, lease or other transfer of land acquired, cleared or improved under the terms of this Agreement, as it may apply to the provisions of this Agreement.

4. **Flood Insurance Program.** Should any construction or rehabilitation of existing structures with assistance provided under this Agreement occur in an area identified as having special flood hazards by the Director of Federal Emergency Management, Lighthouse agrees to comply with all relevant and applicable provisions of 24 CFR §570.605 concerning the National Flood Insurance Program. Lighthouse agrees that if any portion of the any property improved in connection with this Project is located in a special flood hazard area that flood insurance will be required by the City and must be provided by Lighthouse.

5. **Lead-Based Paint.** Lead-based paint is prohibited in the construction or rehabilitation of any properties assisted under this Agreement. Lighthouse agrees that any construction or rehabilitation of residential structures with assistance provided under this contract shall be subject to HUD Lead-Based Paint Regulations at 24 CFR §570.608, which requires compliance with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§4821-4846), the Residential Lead-Based Paint Hazard Reduction Act of 1992 (42 U.S.C. §§4851-4856), and implementing regulations at 24 CFR Part 35, of which subparts A, B, J, K, and R apply to the CDBG Program. Such regulations pertain to all HUD-assisted housing and require that all owners, prospective owners, and tenants of properties constructed prior to 1978 be properly notified that such properties may include lead-based paint. Such notification shall point out the hazards of lead-based paint and explain the symptoms, treatment and precautions that should be taken when dealing with lead-based paint poisoning and the advisability and availability of blood lead level screening for children under seven. The notice shall also point out that if lead-based paint is found on the property, abatement measures may be undertaken. The regulations further require that, depending on the amount of Federal funds applied to a property, paint testing, risk assessment, treatment and-or abatement may be conducted. Lighthouse shall maintain records demonstrating compliance with these requirements.

6. **Historic Preservation.** Lighthouse agrees to comply with the Historic Preservation requirements set forth in the National Historic Preservation Act of 1966, as amended (16 U.S.C. §470) and the procedures set forth in 36 CFR §800, Advisory Council on Historic Preservation Procedures for Protection of Historic Properties, insofar as they apply to

the performance of this Agreement. Lighthouse shall notify the City CDBG representative immediately upon determining that a property may fall into this category.

SECTION 6: DEFAULTS AND REMEDIES

1. Events of Default. The following shall constitute an Event of Default under this Agreement:

- (a) if Lighthouse fails to use the Property to provide employment services and job programs for adults with severe visual impairment or who are blind;
- (b) if Lighthouse fails to use the proceeds of this loan in the timeframes set forth herein or fails to use the proceeds in the manner or for the purposes set forth herein;
- (c) if Lighthouse fails to comply with any of the terms of this Agreement or with any regulations governing CDBG awards, including, but not limited to, 24 CFR Part 570 or fails to comply with any of the terms contained in this Agreement and such failure continues for a period of thirty (30) days following written notice thereof given by the City;
- (d) if Lighthouse is in default under the terms of other financing or mortgages used for the Property;
- (e) if at any time any material representation made by Lighthouse in any certification or communication submitted by Lighthouse to the City in an effort to induce the making of this Loan or the administration thereof is determined by the City to be false, misleading or incorrect in any material manner;
- (f) if Lighthouse does not disclose to the City, upon demand, the name of all persons with who Lighthouse has contracted or intends to contract with for the construction or management of any portion of the Property, including contracts for services and/or labor;
- (g) if any default occurs under this Agreement, the Note, Mortgage, Declaration of Restrictive Covenant or any loan documents executed by Lighthouse in connection with this Loan by the City (herein collectively the "Loan Documents") which is not elsewhere specifically addressed herein and such default is not cured within the applicable cure period set forth in the Loan Documents, or if there is no cure period set forth, then within fifteen (15) days following the date of written notice to Lighthouse thereof;
- (h) if Lighthouse fails to start or complete the renovation of the Property within the timeframe set forth in this Agreement;

- (i) if Lighthouse fails to make any payment under any of the Loan Documents as and when due;
- (j) if Lighthouse improperly uses any funds provided under this Agreement;
- (k) if Lighthouse voluntarily files for bankruptcy, reorganization or any insolvency proceedings, or if a receiver is appointed for the Property, or if the Property becomes subject to the Bankruptcy Court or if there is an attachment, execution, or other judicial seizure of Lighthouse's assets; or
- (l) if Lighthouse sells or transfers the Property.

Notwithstanding any of the forgoing provisions to the contrary, if Lighthouse has failed to cure any default within (5) days prior to the expiration of any applicable cure period, the City may, at its sole option, cure such default, provided, however, that the City shall be under no duty or obligation to do so.

2. **No Waiver.** Failure of the City to declare a default shall not constitute a waiver of any rights by the City. Furthermore, the waiver of any default by the City shall in no event be construed as a waiver of rights with respect to any other default, past or present.

3. **Remedies/Suspension and Termination.** If Lighthouse fails to comply with any term of this Agreement or upon the occurrence of any Event of Default or any other breach of this Agreement, the City may suspend or terminate this Agreement, in whole or part, without notice, and withhold all funding and disbursements, demand repayment for amounts disbursed, terminate all payments, and/or exercise all rights and remedies available to it under the terms of this Agreement, the Grant Documents, under statutory law, equity or under common law. If the City terminates this Agreement due to Lighthouse's breach of this Agreement, Lighthouse shall forfeit to the City all unexpended monies provided under the Agreement. At the City's discretion, Lighthouse may also be required to refund all CDBG funds awarded by the City. The City may also exercise any one or more of the actions contained in 24 CFR §85.43 (a)(1-5). The City may also terminate this Agreement for convenience in accordance with 24 CFR §85.44.

All remedies shall be deemed cumulative and, to the extent permitted by law, the election of one or more remedies shall not be construed as a waiver of any other remedy the City may have available to it.

SECTION 7: INDEMNIFICATION AND INSURANCE

1. **Indemnification.** Lighthouse shall defend, indemnify and hold harmless the City from and against any and all liability, claims, demands, damages, expenses, fees, fines, penalties, suits, proceedings, actions and costs of actions, including attorney's fees, whether or not suit is filed and if suit is filed, attorney fees and costs at all trial and appellate levels, of any kind and nature arising or growing out of or in any way connected with Lighthouse's performance or non-performance of this Agreement or because of or due to the existence of the Agreement itself.

2. **Environmental Indemnification.** Lighthouse shall indemnify and hold the City harmless from any claim arising from, or in any way related to, the environmental condition of the Project, including, but not limited to, the cost of investigating, defending, and/or negotiating to a satisfactory conclusion claims made by environmental regulatory agencies, as well as all cleanup and property maintenance requirements imposed by any agency with lawful jurisdiction over the Project. This indemnification shall run from the time of initial discovery of any such adverse environmental condition and shall not be construed to commence only upon realization by the City of an actual pecuniary loss as a result of such adverse environmental condition. The existence of this indemnification agreement shall not be construed as an indicia of ownership, management or control of the Project by the City and Lighthouse hereby recognizes and acknowledges that the City is not an owner or manager of the Project and does not exert any control thereupon. Notwithstanding anything herein to the contrary or in the other Loan Documents to the contrary, this indemnification provision shall survive the termination of this Agreement.

3. **Insurance.** Without limiting Lighthouse's indemnification, Lighthouse shall maintain in force at all times during the performance of this Agreement all appropriate policies of insurance hereinafter described, concerning its operations. Certificates with valid and authorized endorsements, evidencing the maintenance and renewal of such insurance coverage shall be delivered to the City prior to execution of this Agreement. The City shall be given notice in writing at least thirty (30) calendar days in advance of cancellation or modification of any policy of insurance. The City, its officers and employees shall be named as an additional named insured on all policies of liability insurance.

- a.) All policies of insurance shall be in a company or companies authorized by law to transact insurance business in the State of Florida. In addition, such policy shall provide that the coverage shall be primary for losses arising out of Lighthouse's performance of the Agreement. Neither the City nor any of its insurers shall be required to contribute to any such loss. The required certificate shall be furnished by Lighthouse prior to execution of this Agreement.
- b.) At least thirty (30) calendar days prior to the expiration of any of the referenced insurance policies, Lighthouse shall provide the City with evidence of the renewal of said insurance policies in a form satisfactory to the City.
- c.) The policies and insurance which must be secured are:

- 1. **Commercial General Liability Insurance/Property.** Lighthouse shall obtain commercial general liability insurance to include, but not be limited to bodily injury and property damage coverage. The policy's limit liability amount shall not be less than Five Hundred Thousand Dollars (\$500,000) per person/per occurrence for bodily injury to, or death to one or more than one person and not less than One Hundred Thousand Dollars (\$100,000) per occurrence for

property damage. Lighthouse shall also insure the Property for its full replacement value.

2. Workers' Compensation Coverage. Lighthouse shall provide Workers' Compensation insurance for all of its employees in an amount and with coverage to meet all requirements of the laws of the State of Florida.
3. Flood Insurance. Lighthouse shall obtain flood insurance as required under applicable HUD regulations.
4. Business Automobile Liability Insurance. Lighthouse shall obtain automobile liability insurance coverage in the minimum amount of Five Hundred Thousand Dollars (\$500,000) per occurrence for BI/PD, including owned, hired and non-owned vehicles regardless of number of passengers transported.
5. Employee Fraud Insurance. Lighthouse shall carry sufficient insurance to protect from loss due to fraud, theft, and physical damage and shall purchase a bond or insurance covering all employees for theft or fraud.
6. Bonding and Insurance requirements. Lighthouse shall also comply with the bonding and insurance requirements of 24 CFR §84.31 and §84.48.

SECTION 8: MISCELLANEOUS PROVISIONS

1. Assignment. Lighthouse shall not assign or transfer any interest in this Agreement without the prior written consent of the City.
2. No Grant of Vested Rights. This Agreement shall not be construed as granting or assuring or vesting any land use, zoning, development approvals, permission or rights with respect to property owned by Lighthouse or anyone it assists.
3. Independent Contractor. Nothing in this Agreement is intended to, or shall be construed in any manner, as creating or establishing the relationship of master/servant, principal/agent, employer/employee or joint venture partner between the City and Lighthouse. The City shall be exempt from payment of all Unemployment Compensation, FICA, retirement, life and/or medical insurance and Worker's Compensation Insurance as Lighthouse is an independent contractor. Lighthouse agrees and acknowledges that it shall be responsible for and shall pay any and all applicable compensation, insurance and taxes, including but not limited to federal income taxes and Social Security on the salary of any positions funded in whole or in part with CDBG funds.
4. Severability. This Agreement shall be construed in accordance with the laws of the State of Florida. It is agreed by and between the parties that if any covenant, condition, provision contained in this Agreement is held to be invalid by any court of competent

jurisdiction, such invalidity shall not affect the validity of any other covenants, conditions or provisions herein contained and all other parts shall nevertheless be in full force and effect.

5. **Entire Agreement/Modification.** This Agreement, together with all of the Exhibits, constitutes the entire Agreement between the parties hereto with respect to the subject matter hereof. Any representations or statements heretofore made with respect to such subject matter, whether written or verbal, are merged herein. This Agreement may only be modified in writing, signed by both of the parties hereto.

6. **Notices.** Whenever by the terms of this Agreement, notice is to be given to either party, such notice shall be in writing and shall be hand delivered or sent by certified mail, return receipt requested, postage prepaid to:

Notwithstanding the above, at the option of the holder hereof, this Note shall become immediately due and payable, without notice or demand upon the occurrence of any one of the following events: (a) if Borrower fails to use the Property to operate and provide a facility for employment services and job programs for adults who are blind or have severe visual impairment; (b) if Borrower fails to use the proceeds of this loan in the time frames set forth herein or fails to use the proceeds in the manner or for the purposes set forth herein; (c) if Borrower fails to comply with any of the terms of the Agreement or with any regulations governing CDBG awards, including, but not limited to, 24 CFR Part 570, or fails to comply with any of the terms contained in the CDBG Loan Agreement and such failure continues for a period of thirty [30] days following written notice thereof given by the Lender; (d) if Borrower is in default under the terms of other financing or mortgages used for the Property; (e) if at any time any material representation made by Borrower in any certification or communication submitted by Borrower to the Lender in an effort to induce the making of this Loan or the administration thereof is determined by the Lender to be false, misleading or incorrect in any material manner; (f) if Borrower does not disclose to the Lender, upon demand, the name of all persons with whom Borrower has contracted or intends to contract with for the construction or management of any portion of the Property, including contracts for services and/or labor; (g) if any default occurs under the Note, the CDBG Loan Agreement, this Mortgage, or any of the loan documents executed by the Borrower in connection with this loan by the Lender (herein collectively the "Loan Documents") which is not elsewhere specifically addressed herein and such default is not cured within the applicable cure period set forth in the Loan Documents, or if there is no cure period set forth, then within fifteen (15) days following the date of written notice to Borrower thereof; (h) if Borrower fails to start or complete the renovation of the Property within the

timeframe set forth in the CDBG Loan Agreement; (i) if Borrower fails to make any payment under any of the Loan Documents as and when due; (j) if Borrower improperly uses any funds provided under this CDBG Agreement; (k) if Borrower voluntarily files for bankruptcy, reorganization or any insolvency proceedings, or if a receiver is appointed for the Property, or if the Property becomes subject to the jurisdiction of the Bankruptcy Court or if there is an attachment, execution or other judicial seizure of Borrower's assets; or (l) if Borrower sells or transfers the Property.

If any default under this Note remains uncured for thirty (30) calendar days or more following the holder sending written notice to Borrower of such default, the outstanding principal balance of this Note shall bear interest during the period in which the undersigned is in default at a rate of ten percent (10%) per annum, or, if such increased rate of interest may not be collected from the undersigned under applicable law, then at the maximum increased rate of interest, if any, which may be collected from the undersigned under applicable law. Unless forgiven, in writing, by the holder hereof, unpaid, accrued default interest shall be added to the then outstanding principal indebtedness.

From time to time, without affecting the obligation of the undersigned or the successors or assigns of the undersigned to pay the outstanding principal balance of this Note and observe the covenants of the undersigned contained herein, without affecting the guaranty of any person, corporation, partnership or other entity for payment of the outstanding principal balance of this Note, without giving notice to or obtaining the consent of the undersigned, the successors or assigns of the undersigned or guarantors, and without liability on the part of the holder hereof, the holder hereof may, at the option of the holder hereof, extend the time for payment of said outstanding principal balance or any part thereof, reduce the payments thereon, release anyone liable on any of said outstanding principal balance, accept a renewal of this Note, modify the terms and time of payment of said outstanding principal balance, join in any extension or subordination agreement, release any security hereof, take or release other or additional security, and agree in writing with the undersigned to modify the rate of interest or period of amortization of this Note or change the amount of the monthly installments payable hereunder.

The maker of this Note hereby waives demand, presentment, notice of dishonor and protest. This Note shall be the joint and several obligation of all makers, sureties, guarantors and endorsers and shall be binding upon them and their successors and assigns.

The debt evidenced by this Note is secured by a Mortgage and Security Agreement of even date herewith, as amended (the "Mortgage"), **covering the property located at 2500 Kunze Avenue, Orlando, Florida, 32806** (the "Property") as more fully described in the Mortgage.

The term "Loan Documents" when used herein shall mean, collectively, the following documents: (i) this Note; (ii) the Mortgage; (iii) the Community Development Block Grant/Lighthouse Central Florida, Inc. ("the CDBG Loan Agreement"); (iv) Declaration of Restrictive Covenant; and (v) all other documents or agreements arising under, related to or made in connection with the loan evidenced by this Note, as such Loan Documents may be amended.

The undersigned represents that the loan evidenced by this Note is being made solely for business, commercial or investment purposes.

The validity of this Note and the other Loan Documents, each of their terms and provisions and the rights and obligations of the undersigned under this Note, and the other Loan Documents shall be governed by, interpreted, construed and enforced pursuant to and in accordance with the laws of the State of Florida. The undersigned agrees that any controversy arising under or in relation to this Note, CDBG Loan Agreement, the Mortgage or any other Loan Documents shall be litigated exclusively in the State of Florida. The state and federal courts and authorities with jurisdiction in the State of Florida shall have exclusive jurisdiction over all controversies which may arise under or in relation to this Note, including without limitation those controversies relating to the execution, interpretation, breach, enforcement or compliance with this Note, the Mortgage or any other issue arising under, related to or in connection with any of the Loan Documents. The undersigned irrevocably consents to service, jurisdiction, and venue of such courts for any litigation arising from this Note, Mortgage or any of the other Loan Documents, and waives any other venue to which it might be entitled by virtue of domicile, habitual residence or otherwise.

The provisions of this Note, the Mortgage, CDBG Loan Agreement and all other Loan Documents shall be binding on the successors and assigns, including, but not limited to, any receiver, trustee, representative or other person appointed under foreign or domestic bankruptcy, receivership or similar proceedings of the undersigned and any person having an interest in the undersigned.

By signing below, the undersigned accepts and agrees to the covenants and agreements contained in this Note.

MORTGAGE AND SECURITY AGREEMENT

THIS MORTGAGE AND SECURITY AGREEMENT (hereinafter "Mortgage") is made this ____ day of _____, 2014, by the Mortgagor, **Lighthouse Central Florida, Inc.**, a 501(c)(3) non-profit Florida corporation with a principal address of 215 East New Hampshire Street, Orlando, FL, 32804 (hereinafter referred to as "Borrower"), in favor of the Mortgagee, **City of Orlando**, a Florida municipal corporation with a principal address of 400 South Orange Avenue, Orlando, FL 32802 (hereinafter "Lender").

WHEREAS, Borrower, and Lender have entered into a CDBG Loan Agreement (the "CDBG Loan Agreement"), a copy of which is on file in the City Clerk's Office of the City of Orlando, and the definitions and terms of which are incorporated herein by this reference as if fully set forth herein, and which provides, among other things, that the Lender will loan to Borrower CDBG funds in exchange for Borrower renovating its Property, as later defined, and for Borrower's continued use of the Property to serve the needs of low- and moderate-income persons as described in the CDBG Loan Agreement.

WHEREAS, to ensure, among other things, that the renovation of the Property is completed and Borrower continues to use the Property as set forth in the CDBG Loan Agreement and other Loan Documents executed in connection therewith, Borrower has executed a Note in favor of the Lender and is indebted to Lender in the principal sum of **Three Hundred Thousand Dollars and No Cents (\$300,000.00)**, which indebtedness is evidenced by Borrower's CDBG Promissory Note dated of even date herewith (hereinafter "Note"), a copy of which is attached hereto as **Exhibit "A"**, due and payable as provided in the Note.

To secure to Lender (a) the repayment of the indebtedness evidenced by the Note, with interest thereon as provided in the Note, and all renewals, extensions and modifications thereof; (b) the performance of the covenants and agreements of Borrower contained in the Note between Lender and Borrower of even date herewith; (c) the payment of all other sums, with interest thereon, advanced in accordance herewith to protect the security of this Mortgage; (d) the performance of the covenants and agreements contained in the CDBG Loan Agreement between the Lender and Borrower; and (e) the performance of the covenants and agreements of Borrower herein contained, Borrower does hereby mortgage, grant, convey and assign to Lender the following described real property located in Orange County, Florida:

[SEE ATTACHED EXHIBIT "B"]

Together with all buildings, structures, improvements and tenements now or hereafter erected on the Property; all heretofore or hereafter vacated alleys and streets abutting the Property, and all easements, streets, ways, alleys, rights-of-way and rights used in connection therewith or as a means of access thereto, and all tenements, hereditaments and appurtenances thereof and therefor; all rents, royalties, mineral, oil and gas rights and profits, water rights and water stock appurtenant to the Property; all fixtures, machinery, equipment, engines, boilers, incinerators, building materials, appliances and goods of every nature whatsoever now or hereafter located in or on, or used or intended to be used in connection with the Property, including, but not limited to, those for the purposes of supplying or distributing heating, cooling, electricity, gas, water, air and light; all elevators and related machinery and equipment, fire prevention and extinguishing apparatus, security and access control apparatus, plumbing, bath tubs, water heaters, water closets, sinks, ranges, stoves, refrigerators, dishwashers, disposals, washers, dryers, awnings, storm windows, storm doors, screens, blinds, shades, curtains and curtain rods, mirrors, cabinets, paneling, rugs, attached floor coverings, furniture, pictures, antennas, trees and plants; all leasehold estates and all leases or subleases of the Property, or any portion thereof now or hereafter existing or entered into, and all right, title and interest of Borrower thereunder, including, without limitation, all cash or security deposits, advance rentals and deposits or payments of similar nature; all rents, profits, issues and revenue of the Property and the buildings on the Property from time to time accruing, whether under leases or tenancies now existing or hereafter created; all machinery, apparatus, equipment, fittings, fixtures and tangible personal property of every kind and nature whatsoever now or hereafter located on the Property or in any buildings or improvements upon the Property, or any part thereof, and used or usable in connection with the construction of or any occupancy of any buildings on the Property or the operation of the Property and all additions thereto; and all proceeds, products, substitutions, additions, renewals, accessions and replacements of any of the foregoing items. All of the foregoing real and personal property herein referred to as the "Property").

TO HAVE AND TO HOLD the said Property unto the Lender, in fee simple. To protect the security of this Mortgage, Borrower further covenants, warrants and agrees with Lender as follows:

1. **Payment of Principal and Interest.** Borrower shall promptly pay when due the principal and interest on the indebtedness evidenced by the Note, any prepayment and late charges provided in the Note and all other sums secured by this Mortgage and shall otherwise comply with all the terms in the Note and this Mortgage.
2. **Community Development Block Grant Loan Agreement.** The indebtedness that is secured by this Mortgage and is the subject of the Note shall be advanced pursuant to the covenants and conditions of the Community Development Block Grant Loan Agreement (herein the "CDBG Loan Agreement") between Borrower and Lender, all of which terms are incorporated herein by reference and made a part of this Mortgage with the same force and effect as if fully set forth in this Mortgage.

3. **Charges; Liens.** Borrower shall pay all water and sewer rates, rents, taxes, ad valorem taxes, assessments, premiums, insurance and other impositions attributable to the Property by Borrower making payment when due, directly to the payee thereof, or in such other manner as Lender may designate in writing. Upon request, Borrower shall promptly furnish to Lender all receipts evidencing such payments. Borrower shall pay, when due, the claims of all persons supplying labor or materials to or in connection with the Property.

4. **Leases, Subleases and Easements.** Borrower, at Borrower's sole cost and expense, shall maintain and cause to be performed, all of the covenants, agreements, terms, conditions and provisions on its part to be kept, observed and performed under any lease, sublease or easements, which may constitute a portion of or an interest in the Property; shall require its tenants or subtenants to keep, observe and perform all of the covenants, agreements, terms, conditions and provisions on their part to be kept, observed or performed under any and all leases, subleases, or easements; and shall not suffer or permit any breach or default to occur with respect to the foregoing; and in default thereof, Lender shall have the right to perform or to require performance of any such covenants, agreements, terms, conditions and provisions of any lease, sublease or easements. Borrower shall not, without the consent of Lender, consent to any modification or amendment of any lease, sublease or easement or to the, cancellation, termination or surrender of any lease, sublease or easement. Borrower shall not enter into any lease, sublease, or easement, or make any modification or amendment that would violate any terms of the CDBG Loan Agreement or violate any of the CDBG regulations governing this Property.

5. **Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured by carriers at all times satisfactory to Lender against loss by fire, hazards included within the term "extended coverage", rent loss and such other hazards, casualties, liabilities and contingencies as Lender shall require and in such amounts and for such periods as Lender shall require. Borrower shall also maintain commercial general liability insurance with Lender named as an additional insured in such amounts and for such periods as Lender may require. Borrower shall also maintain worker's compensation insurance, subject to the statutory limits of the State of Florida, and employer's liability insurance with a limit of no less than \$500,000.00 per accident, per employee. All premiums on the foregoing insurance policies shall be paid by Borrower making payment, when due, directly to the carrier, or in such other manner as Lender may designate in writing. All insurance policies and renewals thereof shall be in a form acceptable to Lender and shall include a standard mortgagee clause in favor of and in form acceptable to Lender. Lender shall have the right to hold the policies, and Borrower shall promptly furnish to Lender all renewal notices and all receipts of paid premiums. At least thirty days prior to the expiration date of a policy, Borrower shall deliver to Lender a renewal policy in form satisfactory to Lender.

In the event of loss, Borrower shall give immediate written notice to the insurance carrier and Lender. Borrower hereby authorizes and empowers Lender as attorney in fact for such Borrower to make proof of loss, to adjust and compromise any claim under insurance policies, to appear in and prosecute any action arising from such insurance policies, to collect and receive insurance proceeds, and to deduct therefrom Lender's expenses incurred in the collection of such proceeds; provided, however, that nothing contained in this paragraph shall require Lender to

incur any expense or take any action hereunder. Borrower further authorizes Lender, at Lender's option, (a) to hold the balance of such proceeds to be used to reimburse Borrower for the cost of reconstruction or repair of the Property, or (b) to apply the balance of such proceeds to the payment of the sums secured by this Mortgage, whether or not then due.

If the insurance proceeds are held by Lender to reimburse Borrower for the cost of restoration and repair of the Property, the Property shall be restored to the equivalent of its original condition or such other condition as Lender may approve in writing. Lender may, at Lender's option, condition disbursement of said proceeds on Lender's approval of such plans and specifications of an architect satisfactory to Lender, contractor's cost estimates, architect's certificates, waivers of liens, sworn statements of mechanics and materialmen and such other evidence of costs, percentage completion of construction, application of payments, and satisfaction of liens as Lender may reasonably require. If the insurance proceeds are applied to the payment of the sums secured by this Mortgage, any such application of proceeds to principal shall not extend or postpone the due dates of any future installments. If the Property is sold or if Lender acquires title to the Property, Lender shall have all of the right, title and interest of Borrower in and to any insurance policies and unearned premiums thereon and in and to the proceeds resulting from any damage to the Property prior to such sale or acquisition.

6. **Preservation and Maintenance of the Property.** Borrower (a) shall not commit waste or permit impairment or deterioration of the Property, (b) shall not abandon the Property, (c) shall restore or repair promptly and in a good and workmanlike manner all or any part of the Property to the equivalent of its original condition, or such other condition as Lender may approve in writing, in the event of any damage, injury or loss thereto, whether or not insurance proceeds are available to cover in whole or in part the costs of such restoration or repair, (d) shall keep the Property, including improvements, fixtures, equipment, machinery and appliances thereon in good repair and shall replace fixtures, equipment, machinery and appliances on the Property when necessary to keep such items in good repair, (e) shall comply with all laws, ordinances, regulations and requirements of any governmental body applicable to the Property, and cure any violations within the time permitted by the applicable governing body, (f) shall use and operate, and shall require its lessees or licensees to use or operate, the Property in compliance with all applicable laws, ordinances, regulations, covenants, conditions and restrictions and with all applicable requirements of any lease or sublease now or hereafter affecting the Property, (g) shall operate and maintain the Property in a manner to ensure compliance with applicable U.S. Department of Housing and Urban Development (HUD) and Community Development Block Grant regulations, and (h) shall give notice in writing to Lender of and, unless otherwise directed in writing by Lender, appear in and defend any action or proceeding purporting to affect the Property, the security of this Mortgage or the rights or powers of Lender. Neither Borrower nor any tenant or other person shall remove, demolish or alter any improvement now existing or hereafter erected on the Property or any fixture, equipment, machinery or appliance in or on the Property except when incident to the replacement of fixtures, equipment, machinery and appliances with items of like kind.

7. **Use of Property.** Unless required by applicable law or unless Lender has otherwise agreed in writing, Borrower shall not allow changes in the use for which all or any part of the Property was intended at the time this Mortgage was executed. Borrower shall not initiate or

acquiesce in a change in the zoning classification of the Property without Lender's prior written consent.

8. **Protection of Lender's Security.** If Borrower fails to perform the covenants and agreements contained in this Mortgage, or if any action or proceeding is commenced which affects the Property or title thereto or the interest of Lender therein, including, but not limited to, eminent domain, insolvency, code enforcement or arrangements or proceedings involving a bankrupt or decedent, then Lender, at Lender's option, may make such appearances, disburse such sums and take such action as Lender deems necessary, in its sole discretion, to protect Lender's interest, including, but not limited to, (i) disbursement of attorney's fees, (ii) entry upon the Property to make repairs, and (iii) procurement of satisfactory insurance as provided in paragraph 5 hereof. Any amounts disbursed by Lender pursuant to this paragraph shall become additional indebtedness of Borrower secured by this Mortgage. Unless Borrower and Lender agree to other terms of payment, such amounts shall be immediately due and payable and shall bear interest from the date of disbursement at the Event of Default rate stated in the Note unless collection from Borrower of interest at such rate would be contrary to applicable law, in which event such amounts shall bear interest at the highest rate which may be collected from Borrower under applicable law. Nothing contained in this paragraph shall require Lender to incur any expense or take any action hereunder.

9. **Inspection.** Lender may make or cause to be made reasonable entries upon and inspections of the Property.

10. **Books and Records.** Borrower shall keep and maintain at all times at Borrower's address stated above, or such other place as Lender may approve in writing, complete and accurate books of accounts and records adequate to reflect correctly the results of the operation of the Property, compliance with all applicable Community Development Block Grant and federal regulations, compliance with the CDBG Loan Agreement and copies of all written contracts, leases and other mortgages or other interests which affect the Property. Such books, records, contracts leases, other documentation and mortgages shall be subject to examination and inspection at any reasonable time by Lender. Upon Lender's request, Borrower shall furnish to Lender, within ninety (90) days after the end of each fiscal year of Borrower, a balance sheet, a statement of income and expenses of the Property and a statement of changes in financial position, each in reasonable detail and certified by Borrower and, if Lender shall require, by an independent certified public accountant.

11. **Condemnation.** Borrower shall promptly give written notification to Lender of any action or proceeding relating to any condemnation or other taking, whether direct or indirect, of the Property, or part thereof, and Borrower shall appear in and prosecute any such action or proceeding unless otherwise directed by Lender in writing. Borrower authorizes Lender, at Lender's option, as attorney in fact for Borrower, to commence, appear in and prosecute, in Lender's or Borrower's name, any action or proceeding relating to any condemnation or other taking of the Property, whether direct or indirect, and to settle or compromise any claim in connection with such condemnation or other taking. The proceeds of any award or payment or claim for damages, direct or consequential, in connection with any condemnation or other taking,

whether direct or indirect, of the Property, or part thereof, or for conveyances in lieu of condemnation, are hereby assigned to and shall be paid to Lender.

Borrower authorizes Lender to apply such awards, payments, proceeds or damages, after the deduction of Lender's expenses incurred in the collection of such amounts, at Lender's option, to restoration or repair of the Property or to payment of the sums secured by this Mortgage, whether or not then due, with the balance, if any, to Borrower.

12. **Uniform Commercial Code Security Agreement.** This Mortgage is intended to be a security agreement pursuant to the Uniform Commercial Code for any of the items specified above as part of the Property which, under applicable law, may be subject to a security interest pursuant to the Uniform Commercial Code, and Borrower hereby grants Lender a security interest in said items. Borrower agrees that Lender may file this Mortgage, or a reproduction thereof, in the real estate records or other appropriate index, as a financing statement for any of the items specified above as part of the Property. Any reproduction of this Mortgage or of any other security agreement or financing statement shall be sufficient as a financing statement. In addition, Borrower agrees to execute and deliver to Lender, upon Lender's request, any financing statements, as well as extensions, renewals, and amendments thereof, and reproductions of this Mortgage in such form as Lender may require to perfect a security interest with respect to said items. Borrower shall pay all costs of filing such financing statements and any extensions, renewals, amendments and releases thereof, and shall pay all reasonable costs and expenses of any record searches for financing statements Lender may reasonably require. Without the prior written consent of Lender, Borrower shall not create or suffer to be created pursuant to the Uniform Commercial Code any other security interest in said items, including replacements and additions thereto. Upon Borrower's breach of any covenant or agreement of Borrower contained in this Mortgage, Lender shall have the remedies of a secured party under the Uniform Commercial Code and, at Lender's option, may also invoke the remedies provided in this Mortgage as to such items.

In exercising any of said remedies, Lender may proceed against the items of real property and any items of personal property specified above as part of the Property separately or together and in any order whatsoever, without in any way affecting the availability of Lender's remedies under the Uniform Commercial Code or of the remedies provided in this Mortgage.

13. **Events of Default.** The following shall constitute an Event of Default under this Mortgage:

- (a) if Borrower fails to use the Property to provide employment services and job programs for the adults who are blind or have severe visual impairment on the terms and for the time period set forth in the CDBG Loan Agreement and Declaration of Restrictive Covenant and as required by HUD regulations;
- (b) if Borrower fails to use the proceeds of this loan in the time frames set forth herein or fails to use the proceeds in the manner or for the purposes set forth herein;

- (c) if Borrower fails to comply with any of the terms of this Agreement or with any of the regulations governing CDBG awards, including, but not limited to, 24 CFR Part 570, or fails to comply with any of the terms contained in the CDBG Loan Agreement and such failure continues for a period of thirty [30] days following written notice thereof given by the Lender;
- (d) if Borrower is in default under the terms of other financing or mortgages used for the Property;
- (e) if at any time any material representation made by Borrower in any certification or communication submitted by Borrower to the Lender in an effort to induce the making of this Loan or the administration thereof is determined by the Lender to be false, misleading or incorrect in any material manner;
- (f) if Borrower does not disclose to the Lender, upon demand, the name of all persons with whom Borrower has contracted or intends to contract with for the construction or management of any portion of the Property, including contracts for services and/or labor;
- (g) if any default occurs under the Note, the CDBG Loan Agreement, this Mortgage, the Declaration of Restrictive Covenant or any of the loan documents executed by the Borrower in connection with this loan by the Lender (herein collectively the "Loan Documents") which is not elsewhere specifically addressed herein and such default is not cured within the applicable cure period set forth in the Loan Documents, or if there is no cure period set forth, then within fifteen (15) days following the date of written notice to Borrower thereof;
- (h) if Borrower fails to acquire the Property or start or complete the renovation of the Property within the timeframe set forth in the CDBG Loan Agreement;
- (i) if Borrower fails to make any payment under any of the Loan Documents as and when due;
- (j) if Borrower improperly uses any funds provided under this Agreement;
- (k) if Borrower voluntarily files for bankruptcy, reorganization or any insolvency proceedings, or if a receiver is appointed for the Property, or if the Property becomes subject to the jurisdiction of the Bankruptcy Court or if there is an attachment, execution or other judicial seizure of Borrower's assets; or
- (l) if Borrower sells or transfers the Property.

Notwithstanding any of the foregoing provisions to the contrary, if Borrower has failed to cure any Event of Default within five (5) days prior to the expiration of any applicable cure period, the Lender may, at its sole option, cure such Event of Default, provided, however, that the Lender shall be under no duty or obligation to do so.

14. **Remedies.** Upon the occurrence of any Event of Default, or any other breach of this Mortgage, Lender may declare Borrower in default and the remedies available to Lender shall include, but not necessarily be limited to, any one or more of the following: (i) Lender may declare all of the sums secured by this Mortgage to be immediately due and payable without further demand and may foreclose this Mortgage by judicial proceeding; (ii) Lender may take immediate possession of the Property or any part thereof by way of a court-appointed receiver as discussed in this Mortgage and manage, control or lease the same to such person and at such rental as it may deem proper and collect all rents, issues and profits therefrom; and (iii) Lender shall be free to terminate the CDBG Loan Agreement, withhold all funding, demand repayment for any amounts disbursed, and/or exercise all rights and remedies available to it under the terms of the CDBG Loan Agreement, the Loan Documents, under statutory law, federal or under common law. The City may also exercise any one or more of the actions contained in 24 CFR §84.43(a)(1-5).

15. **Remedies Cumulative.** Each remedy provided in this Mortgage is distinct and cumulative to all other rights or remedies under this Mortgage or afforded by law or equity, and may be exercised concurrently, independently or successively, in any order whatsoever.

16. **Borrower and Lien Not Released.** From time to time, Lender may, at Lender's option, without giving notice to or obtaining the consent of Borrower or any junior lien holder, without liability on Lender's part and notwithstanding Borrower's breach of any covenant or agreement of Borrower in this Mortgage, extend the time for payment of said indebtedness or any part thereof, reduce the payments thereon, accept a renewal note or notes therefor, modify the terms and time of payment of said indebtedness, release from the lien of this Mortgage any part of the Property, take or release other or additional security, reconvey any part of the Property, consent to any map or plan of the Property, consent to the granting of any easement, or join in any extension or subordination agreement. Any actions taken pursuant to this paragraph shall not affect the obligation of Borrower to pay the sums secured by this Mortgage and to observe the covenants of Borrower contained herein and shall not affect the lien or priority of lien hereof on the Property. Borrower shall pay Lender title insurance premiums and attorney's fees as may be incurred at Lender's option, for any such action if taken at Borrower's request.

17. **No Waiver.** Failure of the Lender to declare an Event of Default shall not constitute a waiver of any rights by the Lender. Furthermore, the waiver of any Event of Default by the Lender shall in no event be construed as a waiver of rights with respect to any other Event of Default, past or present.

18. **Appointment of Receiver; Lender in Possession.** Upon Borrower's breach of any covenant or agreement of Borrower in this Mortgage which is not cured within any applicable cure period, Lender may in person, by agent or by a court-appointed receiver, regardless of the adequacy of Lender's security, enter upon and take and maintain full control of the Property in order to perform all acts necessary and appropriate for the operation and maintenance thereof including, but not limited to, the execution, cancellation or modification of leases, the collection of all rents and revenues of the Property, the making of repairs to the Property and the execution or termination of contracts providing for the management or maintenance of the Property, all on such terms as are deemed best to protect the security of this Mortgage. In the event Lender elects

to seek the appointment of a receiver for the Property upon Borrower's breach of any covenant or agreement of Borrower in this Mortgage, Borrower hereby expressly consents to the appointment of such receiver. Lender or the receiver shall be entitled to receive a reasonable fee for managing the Property.

19. **Transfers of the Property or Beneficial Interests in Borrower; Assumption.** On sale or transfer of all or any part of the Property, or any interest therein, Lender may, at Lender's option, declare all of the sums secured by this Mortgage and Note to be immediately due and payable, and Lender may invoke any remedies permitted by this Mortgage or by state or federal law.

20. **Notice.** Except for any notice required under applicable law to be given in another manner, each notice, demand, consent or other approval (collectively, "notices" and singly, "notice") given under the Note, this Mortgage and any other Loan Document, shall be in writing to the other party, and if to Borrower, at its address set forth at the beginning of the Mortgage, and if to Lender, at its address set forth at the beginning of the Mortgage, or at such other address as such party may designate by notice to the other party and shall be deemed given (a) three (3) Business Days after mailing, by certified U.S. mail, return receipt requested, postage prepaid; (b) one (1) Business Day after delivery, fee prepaid, to a national overnight delivery service; or (c) when delivered, if personally delivered with proof of delivery thereof.

Borrower and Lender each agrees that it will not refuse or reject delivery of any notice given hereunder, that it will acknowledge, in writing, the receipt of the same upon delivery by the other party and that any notice rejected or refused by it shall be deemed for all purposes of this Mortgage to have been received by the rejecting party on the date so refused or rejected, as conclusively established by the records of the U.S. Postal Service or the courier service. As used in the Mortgage, the term "Business Day" means any day other than a Saturday, a Sunday or any other day on which Lender is not open for business.

21. **Successors and Assigns Bound; Joint and Several Liability; Agents; Captions.** The covenants and agreements herein contained shall bind, and the rights hereunder shall inure to, the respective successors and assigns of Lender and Borrower. All covenants and agreements of Borrower shall be joint and several. In exercising any rights hereunder or taking any actions provided for herein, Lender may act through its employees, agents or independent contractors as authorized by Lender. The captions and headings of the paragraphs of this Mortgage are for convenience only and are not to be used to interpret or define the provisions hereof.

22. **Governing Law and Severability.** This Mortgage shall be governed by the law of the State of Florida. In the event that any provision of this Mortgage or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Mortgage or the Note which can be given effect without the conflicting provisions, and to this end, the provisions of this Mortgage and the Note are declared to be severable. In the event that any applicable law limiting the amount of interest or other charges permitted to be collected from Borrower is interpreted so that any charge provided for in this Mortgage or in the Note, whether considered separately or together with other charges levied in connection with this Mortgage and the Note, violates such

law, and Borrower is entitled to the benefit of such law, such charge is hereby reduced to the extent necessary to eliminate such violation.

23. **Waiver of Statute of Limitations.** Borrower hereby waives the right to assert any statute of limitations as a bar to the enforcement of the lien of this Mortgage or to any action brought to enforce the Note or any other obligation secured by this Mortgage.

24. **Attorney's Fees.** If this Mortgage is placed in the hands of an attorney for the collection of any sum payable hereunder or the enforcement of any provisions contained herein, Borrower agrees to pay all costs of collection, including attorneys' fees, including those in all appellate and bankruptcy proceedings incurred by Lender, either with or without the institution of any action or proceeding, and in addition to all costs, disbursements and allowances provided by law. All such costs so incurred shall be deemed to be secured by this Mortgage.

25. **Environmental Hazards.** Borrower covenants and agrees that Borrower shall not: (a) cause or permit the presence, use, generation, manufacture, production, processing, installation, release, discharge, storage (including aboveground and underground storage tanks for petroleum or petroleum products), treatment, handling or disposal of any Hazardous Materials (as defined below) (excluding the safe and lawful use and storage of quantities of Hazardous Materials customarily used in the operation and maintenance of comparable commercial properties or for normal business purposes) on or under the Property, or in any way affecting the Property or its value, or which may form the basis for any present or future demand, claim or liability relating to contamination, exposure, cleanup or other remediation of the Property; or (b) cause or permit the transportation to, from or across the Property of any Hazardous Material (excluding the safe and lawful use and storage of quantities of Hazardous Materials customarily used in the operation and maintenance of comparable commercial properties or for normal business purposes); or (c) cause or exacerbate any occurrence or condition on the Property that is or may be in violation of Hazardous Materials Law (as defined below). The matters described in (a), (b) and (c) above are referred to collectively below as "Prohibited Activities or Conditions".

Borrower represents and warrants that it has not at any time caused or permitted any Prohibited Activities or Conditions and to the best of its knowledge, no Prohibited Activities or Conditions exist or have existed on or under the Property. Borrower shall take all appropriate steps (including but not limited to appropriate lease provisions) to prevent its employees, agents and contractors, and all tenants and other occupants on the Property, from causing, permitting or exacerbating any Prohibited Activities or Conditions.

If Borrower has disclosed that Prohibited Activities or Conditions exist on the Property, Borrower shall comply in a timely manner with, and cause all employees, agents and contractors of Borrower and any other persons present on the Property to so comply with (1) any program of operation and maintenance ("O&M Program") relating to the Property that is acceptable to Lender with respect to one or more Hazardous Materials (which O&M Program may be set forth in an agreement of Borrower (an "O&M Agreement")) and all other obligations set forth in any O&M Agreement, and (2) all Hazardous Materials Laws. Any O&M Program shall be performed by qualified personnel. All costs and expenses of the O&M Program shall be paid by Borrower, including without limitation Lender's fees and costs incurred in connection with the monitoring

and review of the O&M Program and Borrower's performance thereunder. If Borrower fails to timely commence or diligently continue and complete the O&M Program and comply with any O&M Agreement, then Lender may, at Lender's option, declare all of the sums secured by the Mortgage to be immediately due and payable, and Lender may invoke any remedies permitted by this Mortgage.

Borrower represents that Borrower has not received, and has no knowledge of the issuance of, any claim, citation or notice of any pending or threatened suits, proceedings, orders or governmental inquiries or opinions involving the Property that allege the violation of any Hazardous Materials Law ("Government Actions").

Borrower shall promptly notify Lender in writing of: (i) the occurrence of any Prohibited Activity or Condition on the Property; (ii) Borrower's actual knowledge of the presence on or under any adjoining property of any Hazardous Materials which can reasonably be expected to have a material adverse impact on the Property or the value of the Property, discovery of any occurrence or condition on the Property or any adjoining real property that could cause any restriction on the ownership, occupancy, transferability or use of the Property under Hazardous Materials Law; Borrower shall cooperate with any governmental inquiry and shall comply with any governmental or judicial order which arises from any alleged Prohibited Activities or Conditions; (iii) any Governmental Action; and (iv) any claim made or threatened by any third party against Borrower, Lender or the Property relating to loss or injury resulting from any Hazardous Materials. Any such notice by Borrower shall not relieve Borrower of or result in a waiver of any obligation of Borrower.

Borrower shall pay promptly the costs of any environmental audits, studies or investigations (including but not limited to advice of legal counsel) and the removal of any Hazardous Materials from the Property required by Lender as a condition of its consent to any sale or transfer of all or any part of the Property or any transfer occurring upon a foreclosure or a deed in lieu of foreclosure or any interest therein, or required by Lender following a reasonable determination by Lender that there may be Prohibited Activities or Conditions on or under the Property. Borrower authorizes Lender and its employees, agents and contractors to enter onto the Property for the purpose of conducting such environmental studies, audits and investigations. Any such costs and expenses incurred by Lender (including but not limited to fees and expenses of attorneys and consultants, whether incurred in connection with any judicial or administrative process or otherwise) which Borrower fails to pay promptly shall become immediately due and payable and shall become additional indebtedness secured by the Mortgage.

Borrower shall hold harmless, defend and indemnify Lender and its officers, directors, trustees, employees and agents from and against all proceedings (including but not limited to Government Action), claims, damages, penalties, costs and expenses (including without limitation fees and expenses of attorneys and expert witnesses, investigatory fees and cleanup and remediation expenses, whether or not incurred within the context of the judicial process), arising directly or indirectly from (i) any breach of any representation, warranty or obligation of Borrower contained in this paragraph, or (ii) the presence or alleged presence of Hazardous Materials on or under the Property.

The term "Hazardous Materials" for purposes of this paragraph includes petroleum and petroleum products, flammable explosives, radioactive materials (excluding radioactive material in smoke detectors), polychlorinated biphenyls, lead, asbestos in any form that is or could become friable, hazardous waste, toxic or hazardous substances or other related materials whether in the form of a chemical, element, compound, solution, mixture or otherwise including, but not limited to, those materials defined as "hazardous substances," "extremely hazardous substances," "air pollutants," "toxic pollutants," "hazardous wastes," "extremely hazardous waste," or "restricted hazardous waste" by Hazardous Materials Law or regulated by Hazardous Materials Law in any manner whatsoever.

The term "Hazardous Materials Law" for the purposes of this paragraph means all federal, state and local laws, ordinances and regulations and standards, rules, policies and other binding governmental requirements and any court judgments applicable to Borrower or to the Property relating to industrial hygiene or to environmental or unsafe conditions or to human health including, but not limited to, those relating to the generation, manufacture, storage, handling, transportation, disposal, release, emission or discharge of Hazardous Materials, those in connection with the construction, fuel supply, power generation and transmission, waste disposal or any other operations or processes relating to the Property, and those relating to the atmosphere, soil, surface and ground water, wetlands, stream sediments and vegetation on, under, in or about the Property.

The representations, warranties, covenants, agreements, indemnities and undertakings of Borrower contained in this paragraph shall be in addition to any and all other obligations and liabilities that Borrower may have to Lender under applicable law.

The representations, warranties, covenants, agreements, indemnities and undertakings of Borrower contained in this paragraph shall continue and survive notwithstanding the satisfaction, discharge, release, assignment, termination, subordination or cancellation of the Mortgage or the payment in full of the principal of and interest on the Note and all other sums payable under the Loan Documents or the foreclosure of the Mortgage or the tender or delivery of a deed in lieu of foreclosure or the release of any portion of the Property from the lien of the Mortgage, except with respect to any Prohibited Activities or Conditions or violation of any of the Hazardous Materials Laws which first commences and occurs after the satisfaction, discharge, release, assignment, termination or cancellation of the Mortgage following the payment in full of the principal of and interest on the Note and all other sums payable under the Loan documents or which first commences or occurs after the actual dispossession from the entire Property of the Borrower and all entities which control, are controlled by, or are under common control with the Borrower (each of the foregoing persons or entities is hereinafter referred to as a "Responsible Party") following foreclosure of the Mortgage or acquisition of the Property by a deed in lieu of foreclosure. Nothing in the foregoing sentence shall relieve the Borrower from any liability with respect to any Prohibited Activities or Conditions or violation of Hazardous Materials Laws where such Prohibited Activities or Conditions or violation of Hazardous Material Laws commences or occurs, or is present as a result of, any act or omission by any Responsible Party or by any person or entity acting on behalf of a Responsible Party.

26. **Cross Default.** A default under any other agreement, loan or mortgage, whether with this Lender or not, is deemed a default under this Mortgage and CDBG Loan Agreement and all other Loan Documents.

27. **Waiver of Jury Trial.** Borrower (i) covenants and agrees not to elect a trial by jury with respect to any issue arising under any of the Loan Documents triable by a jury and (ii) waives any right to trial by jury to the extent that any such right shall now or hereafter exist. This waiver of right to trial by jury is separately given, knowingly and voluntarily with the benefit of competent legal counsel by the Borrower and this waiver is intended to encompass individually each instance and each issue as to which the right to a jury trial would otherwise accrue. Further, Borrower hereby certifies that no representative or agent of the Lender (including but not limited to Lender's counsel) has represented, expressly or otherwise, to Borrower that Lender will not seek to enforce the provisions of this paragraph.

IN WITNESS WHEREOF, the Borrower has caused this Mortgage to be duly executed as of the date first set forth above.

PROGRAM REQUIREMENTS

Lighthouse, in addition to the terms set forth in the Agreement, shall operate the Property for low- and moderate-income persons funded through the City's Community Development Block Grant Program according to the following guidelines:

1. Any equipment, furnishings and any other usable item purchased with the City's CDBG Program contribution to Lighthouse for use in rehabilitating the Property shall be kept on an inventory and shall be made available to the City's Housing and Community Development Department for disposition upon termination of the City's CDBG assistance to Lighthouse.
2. Lighthouse hereby agrees to maintain accounting systems with internal controls to safeguard the U.S. Department of Housing and Urban Development (HUD) – Community Development Block Grant (CDBG) funds and assets, provide for accurate financial data, promote operational efficiency, and foster compliance with generally accepted accounting principles (GAAP) in accordance with 24 CFR Part 84 Administrative Requirements for Grants and Cooperative agreements with Institutions of Higher Education, Hospitals, and other non-profit organizations, and Federal OMB Circular A-110, Uniform Administrative Requirements-Grants and Agreements with Institutions of Higher Education, Hospitals and Other Nonprofit Organizations.
3. Lighthouse's accounting records must adequately identify the receipt and expenditure of all CDBG funds for each budget line item. There must be a separate accounting for each budgetary allocation as approved by the City's Housing and Community Development Department. Cash receipts and expenditures from other sources must be accounted for separately from CDBG funds; therefore, if Lighthouse maintains a common account for both CDBG and other funds, the accounting system must provide for the clear and easy identification of CDBG funds.
4. As applicable, accounting and related records of Lighthouse shall comprise the following as a minimum:
 - a. Voucher system – All supporting documentation, such as purchase orders, invoices, receiving reports, requisitions.
 - b. Books of Original Entry – Cash receipts and disbursements journal, general ledger.
Chart of Accounts – Listing of accounts must be maintained in the accounting system.
 - c. Personnel Records – A separate personnel file shall be maintained for each CDBG project employee paid with CDBG funds. As a minimum,

the file shall contain a resume of the employee, a description of duties assigned, and a record of the date employed, rate of pay at time of employment, subsequent pay adjustments, and documentation supporting leave taken by the employee.

- d. Attendance Records – Attendance records (individual time sheets) shall be maintained for all personnel paid with CDBG funds that are involved in operating a CDBG funded program. This applies to part-time as well as full-time personnel. In addition to the accounting for daily attendance, the type of leave taken (annual, sick or other), shall be disclosed. Daily attendance records must support budgetary charges for payroll purposes.
 - e. Payroll Records – Formal payroll records supporting cash disbursements to employees shall be maintained. All time sheets or personnel activity reports must be signed by the employee and the employee's supervisor. Such records shall disclose each employee's name, job, title, social security number, date hired, rate of pay, and all required deductions for tax purposes. Timely payments must be made of FICA taxes, including the required employer matching costs, and of income tax withheld from employees. All charges for payroll purposes shall be in accordance with the budget submitted to the City's Housing and Community Development Department. In addition, salaries and wages of employees chargeable with more than one (1) grant program and/or other funding sources will be supported by appropriate time distribution records. Actual time distribution records shall be available for review by the Housing Department at monitoring visits.
 - f. Checking Accounts – A monthly bank reconciliation shall be conducted by Lighthouse. All checks, stubs, etc. shall be pre-numbered and accounted for, including all voided checks. Check stubs, canceled checks, and deposit slips must be readily available for audit purposes.
 - g. Purchasing Practices – Purchasing practices shall be at the very least in accordance with 24 CFR §84. If a bidding procedure is not used, Lighthouse must provide documentation indicating how all vendors, contractors, minority and/or women owned businesses are given an opportunity to participate.
 - h. Inventories – Lighthouse, as are all CDBG program sub-grantees, is advised to maintain adequate safeguards against loss by theft or physical deterioration of any inventories of office supplies, equipment, or other items purchased with CDBG funds.
 - i. Property Records – Lighthouse is required to maintain formal subsidiary records to control all CDBG program project property and equipment. Such records shall disclose the acquisition and subsequent disposition of all property. An annual inventory should be conducted and the books should reflect the actual value of property on hand at the end of the year.
5. Lighthouse should maintain records in an orderly manner, with separate identification for different Federal fiscal periods. Records must be protected

from fire or other perils, and if stored in a location other than the project site, shall be readily accessible to the City's Housing and Community Development Department staff, U.S. Department of Housing and Urban Development officials and others who may be authorized to examine such records. Lighthouse is required to submit a statement in writing, 30 days after the execution of this contract, indicating measures taken or planned to be taken (including dates) with regard to adequate protection of records from fire. Failure to do so may constitute a default of this agreement resulting in suspension of reimbursement until said documentation is submitted.

EXHIBIT "H"
Reporting Schedule

A. Lighthouse shall submit monthly status reports to the City's Housing and Community Development Department as described in the Agreement no later than ten (10) days after the last day of any month in which services assisted through the Community Development Block Grant Program have been provided. Failure to provide the monthly status report within the ten (10) day period will trigger a withholding of payment of subsequent reimbursements.

B. If required, Lighthouse shall maintain client data demonstrating client eligibility for each low- and moderate-income household. Such data shall include client name, address, number of persons in the household and household income and such other information requested by the City's Housing and Community Development Department. Such information shall be made available to City and/or HUD monitors or their designees for review upon request. Lighthouse understands that client information collected under this contract is private and the use or disclosure of such information, when not directly connected with the administration of the City's or Lighthouse responsibilities under this Agreement, is prohibited by the U.S. Privacy Act of 1974 unless written consent is obtained from such person receiving services, and in the case of a minor, that of a responsible parent/guardian. This is not required for presumed benefit/limited clientele projects.

C. Upon notice by the City's Housing and Community Development Department, Lighthouse shall provide the information requested by the City for submission of performance or other reports to HUD.

D. Between the required monthly status reporting dates, events may occur which have significant impact upon the project or program. In such cases, Lighthouse shall inform the City's Housing and Community Development Department as soon as the following types of conditions become known:

1. Problems, delays or adverse conditions, which may materially affect the ability to attain program objectives, prevent the meeting of time schedules and goals, or preclude the attainment of project work units by established term periods. This disclosure shall be accompanied by a statement of the assistance needed to resolve the situation.
2. Favorable development or events, which will enable meeting time schedules and goals sooner than anticipated or producing more work units than originally projected.

Method of Payment:

Payments under the program shall be made on the basis of the completion of the rehabilitation and submission of documentation as outlined in this Agreement between the City and Lighthouse. Lighthouse shall submit monthly requests for reimbursement to the City's Housing and Community Development Department in accordance with the following:

1. The City's Housing and Community Development Department shall authorize the reimbursement of Lighthouse for actual expenditures outlined in the budget as expressed in **Exhibit "F"** of this Agreement, except that the Housing and Community Development Director, or her designee, may approve a variance with regard to variable costs. However, at the end of six (6) months from the date of signing this contract, at least 50% of the available allocation shall have been requested and Lighthouse shall have completed at least half of the renovation. If less than 50% of funds have been expended, the Director or her designee shall request a written explanation and may amend this Agreement to adjust the annual allocation.
2. Expenses incurred by Lighthouse will not be authorized for reimbursement by the City's Housing and Community Development Department if such expenses cannot be documented by receipts, invoices or other appropriate information. Furthermore, all requests for reimbursement submitted by Lighthouse to the City's Housing and Community Development Department shall not be reimbursable by the City if such expenditures were not expended directly for the provision of services, and activity delivery costs, or rehabilitation costs, as applicable, to benefit low- and moderate-income persons in accordance with this Agreement.
3. Provided that the reimbursement requests are complete and undisputed, the City's Housing and Community Development Department shall authorize reimbursement of approved program expenditure requests within thirty (30) days of receipt of such requests.
4. As applicable, the monthly reimbursement requests shall include:
 - a. Name and address of each client receiving services.
 - b. CDBG costs to be reimbursed, shown as labor, materials, other costs, including copies of invoices, and checks in payment.
 - c. Brief description of services undertaken during the month for which reimbursements are being requested.
 - d. Total cost of services
 - e. Timesheets showing tenths of hours where work has been done by Lighthouse and staff and requested for reimbursement under this Agreement.

EQUAL EMPLOYMENT OPPORTUNITY CLAUSE FOR SUBRECIPIENTS AND THEIR CONTRACTORS AND SUBCONTRACTORS STANDARD SOLICITATION FOR BID AND CONTRACT LANGUAGE CONSTRUCTION OVER \$10,000

A. Equal Opportunity Clause:

Lighthouse agrees that it will incorporate or cause to be incorporated into any contract for construction work, or modification thereof, as defined in the regulation of the Secretary of Labor 41 CFR Chapter 60, which is paid for in whole or in part with funds obtained from the Federal Government or borrowed on the credit of the Federal Government pursuant to a grant, contract, loan insurance, or guarantee or undertaken pursuant to any Federal Program involving such grant, contract, loan insurance, or guarantee, the following equal opportunity clause:

1. The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.
2. The contractor will, in all solicitations or advertisements for employees placed by on or behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, or national origin.
3. The contractor will send to each labor union or representative of workers with which the contractor has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
4. The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
5. The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to its books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
6. In the event of the contractor's noncompliance with the discrimination clauses of this

contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further government contracts or Federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rules, regulations, or orders of the Secretary of Labor, or as otherwise provided by law.

7. The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Section 504 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance; provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in Federally assisted construction work; provided, that if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality, or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, government contracts and Federally assisted construction contracts, pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency of the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the appliance agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

Applicability

The Project or Program to which the construction work covered by this contract pertains is being assisted by the United States of America and the following Federal Labor Standards Provisions are included in this Contract pursuant to the provisions applicable to such Federal assistance.

A. 1. (i) Minimum Wages. All laborers and mechanics employed or working upon the site of the work, will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 CFR Part 3), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the contractor and such laborers and mechanics. Contributions made or costs reasonably anticipated for bona fide fringe benefits under Section 1(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of 29 CFR 5.5(a)(1)(iv); also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs, which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period. Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in 29 CFR 5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: Provided, That the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classification and wage rates conformed under 29 CFR 5.5(a)(1)(ii) and the Davis-Bacon poster (WH-1321) shall be posted at all times by the contractor and its subcontractors at the site of the work in a prominent and accessible, place where it can be easily seen by the workers.

(ii) (a) Any class of laborers or mechanics which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. HUD shall approve an additional classification and wage rate and fringe benefits therefor only when the following criteria have been met: (1) The work to be performed by the classification requested is not performed by a classification in the wage determination; and

(2) The classification is utilized in the area by the construction industry; and

(3) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

(b) If the contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and HUD or its designee agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by HUD or its designee to the Administrator of the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, Washington, D.C. 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary. (Approved by the Office of Management and Budget under OMB control number 1215-0140.)

(c) In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and HUD or its designee do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), HUD or its designee shall refer the questions, including the views of all interested parties and the recommendation of HUD or its designee, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary. (Approved by the Office of Management and Budget under OMB Control Number 1215-0140.)

(d) The wage rate (including fringe benefits where appropriate) determined pursuant to subparagraphs (1)(ii)(b) or (c) of this paragraph, shall be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.

(iii) Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the contractor shall either pay the benefit as stated in the wage determination or shall pay

another bona fide fringe benefit or an hourly cash equivalent thereof.

(iv) If the contractor does not make payments to a trustee or other third person, the contractor may consider as part Previous editions are obsolete Page 2 of 5 form **HUD-4010** (06/2009) ref. Handbook 1344.1 of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program, Provided, That the Secretary of Labor has found, upon the written request of the contractor, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the contractor to set aside in a separate account assets for the meeting of obligations under the plan or program. (Approved by the Office of Management and Budget under OMB Control Number 1215-0140.)

2. Withholding. HUD or its designee shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from the contractor under this contract or any other Federal contract with the same prime contractor, or any other Federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime contractor so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees and helpers, employed by the contractor or any subcontractor the full amount of wages required by the contract. In the event of failure to pay any laborer or mechanic, including any apprentice, trainee or helper, employed or working on the site of the work, all or part of the wages required by the contract, HUD or its designee may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased. HUD or its designee may, after written notice to the contractor, disburse such amounts withheld for and on account of the contractor or subcontractor to the respective employees to whom they are due. The Comptroller General shall make such disbursements in the case of direct Davis-Bacon Act contracts.

3. (i) Payrolls and basic records. Payrolls and basic records relating thereto shall be maintained by the contractor during the course of the work preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work. Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in Section I(b)(2)(B) of

the Davis-bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR 5.5 (a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in Section I(b)(2)(B) of the Davis-Bacon Act, the contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs. (Approved by the Office of Management and Budget under OMB Control Numbers 1215-0140 and 1215-0017.)

(ii) (a) The contractor shall submit weekly for each week in which any contract work is performed a copy of all payrolls to HUD or its designee if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit the payrolls to the applicant sponsor, or owner, as the case may be, for transmission to HUD or its designee. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under 29 CFR 5.5(a)(3)(i) except that full social security numbers and home addresses shall not be included on weekly transmittals. Instead the payrolls shall only need to include an individually identifying number for each employee (e.g., the last four digits of the employee's social security number). The required weekly payroll information may be submitted in any form desired. Optional Form WH-347 is available for this purpose from the Wage and Hour Division Web site at <http://www.dol.gov/esa/whd/forms/wh347instr.htm> or its successor site. The prime contractor is responsible for the submission of copies of payrolls by all subcontractors. Contractors and subcontractors shall maintain the full social security number and current address of each covered worker, and shall provide them upon request to HUD or its designee if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit the payrolls to the applicant sponsor, or owner, as the case may be, for transmission to HUD or its designee, the contractor, or the Wage and Hour Division of the Department of Labor for purposes of an investigation or audit of compliance with prevailing wage requirements. It is not a violation of this subparagraph

for a prime contractor to require a subcontractor to provide addresses and social security numbers to the prime contractor for its own records, without weekly submission to HUD or its designee. (Approved by the Office of Management and Budget under OMB Control Number 1215-0149.)

(b) Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following:

(1) That the payroll for the payroll period contains the information required to be provided under 29 CFR 5.5 (a)(3)(ii), the appropriate information is being maintained under 29 CFR 5.5(a)(3)(i), and that such information is correct and complete; Previous editions are obsolete Page 3 of 5 form **HUD-4010** (06/2009) ref. Handbook 1344.1

(2) That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in 29 CFR Part 3;

(3) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.

(c) The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the "Statement of Compliance" required by subparagraph A.3.(ii)(b).

(d) The falsification of any of the above certifications may subject the contractor or subcontractor to civil or criminal prosecution under Section 1001 of Title 18 and Section 231 of Title 31 of the United States Code.

(iii) The contractor or subcontractor shall make the records required under subparagraph A.3.(i) available for inspection, copying, or transcription by authorized representatives of HUD or its designee or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the contractor or subcontractor fails to submit the required records or to make them available, HUD or its designee may, after written notice to the contractor, sponsor, applicant or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR 5.12.

4. Apprentices and Trainees.

(i) **Apprentices.** Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship Training, Employer and Labor Services, or with a State Apprenticeship Agency recognized by the Office, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the Office of Apprenticeship Training, Employer and Labor Services or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice. The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the contractor as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the contractor's or subcontractor's registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeymen hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination. In the event the Office of Apprenticeship Training, Employer and Labor Services, or a State Apprenticeship Agency recognized by the Office, withdraws approval of an apprenticeship program, the contractor will no longer be permitted to utilize apprentices at less than the

applicable predetermined rate for the work performed until an acceptable program is approved.

(ii) Trainees. Except as provided in 29 CFR 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate who is not registered and participating in a training plan approved by Previous editions are obsolete Page 4 of 5 form HUD-4010 (06/2009) ref. Handbook 1344.1 the Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In the event the Employment and Training Administration withdraws approval of a training program, the contractor will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(iii) Equal employment opportunity. The utilization of apprentices, trainees and journeymen under 29 CFR Part 5 shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended, and 29 CFR Part 30.

5. Compliance with Copeland Act requirements. The contractor shall comply with the requirements of 29 CFR Part 3 which are incorporated by reference in this contract

6. Subcontracts. The contractor or subcontractor will insert in any subcontracts the clauses contained in subparagraphs 1 through 11 in this paragraph A and

such other clauses as HUD or its designee may by appropriate instructions require, and a copy of the applicable prevailing wage decision, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses in this paragraph.

7. Contract termination; debarment. A breach of the contract clauses in 29 CFR 5.5 may be grounds for termination of the contract and for debarment as a contractor and a subcontractor as provided in 29 CFR 5.12.

8. Compliance with Davis-Bacon and Related Act Requirements. All rulings and interpretations of the Davis-Bacon and Related Acts contained in 29 CFR Parts 1, 3, and 5 are herein incorporated by reference in this contract

9. Disputes concerning labor standards. Disputes arising out of the labor standards provisions of this contract shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR Parts 5, 6, and 7. Disputes within the meaning of this clause include disputes between the contractor (or any of its subcontractors) and HUD or its designee, the U.S. Department of Labor, or the employees or their representatives.

10. (i) Certification of Eligibility. By entering into this contract the contractor certifies that neither it (nor he or she) nor any person or firm who has an interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of Section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1) or to be awarded HUD contracts or participate in HUD programs pursuant to 24 CFR Part 24.

(ii) No part of this contract shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of Section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1) or to be awarded HUD contracts or participate in HUD programs pursuant to 24 CFR Part 24.

(iii) The penalty for making false statements is prescribed in the U.S. Criminal Code, 18 U.S.C. 1001. Additionally, U.S. Criminal Code, Section 1010, Title 18, U.S.C., "Federal Housing Administration transactions", provides in part: "Whoever, for the purpose of . . . influencing in any way the action of such Administration..... makes, utters or publishes any statement knowing the same to be false..... shall be fined not more than \$5,000 or imprisoned not more than two years, or both."

11. Complaints, Proceedings, or Testimony by Employees. No laborer or mechanic to whom the wage, salary, or other labor standards provisions of

this Contract are applicable shall be discharged or in any other manner discriminated against by the Contractor or any subcontractor because such employee has filed any complaint or instituted or caused to be instituted any proceeding or has testified or is about to testify in any proceeding under or relating to the labor standards applicable under this Contract to his employer.

B. Contract Work Hours and Safety Standards

Act. The provisions of this paragraph B are applicable where the amount of the prime contract exceeds \$100,000. As used in this paragraph, the terms "laborers" and "mechanics" include watchmen and guards.

(1) Overtime requirements. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which the individual is employed on such work to work in excess of 40 hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of 40 hours in such workweek.

(2) Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in subparagraph (1) of this paragraph, the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in subparagraph (1) of this paragraph, in the sum of \$10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of 40 hours without payment of the overtime wages required by the clause set forth in subparagraph (1) of this paragraph. Previous editions are obsolete Page 5 of 5 form HUD-4010 (06/2009) ref. Handbook 1344.1

(3) Withholding for unpaid wages and liquidated damages. HUD or its designee shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contract, or any other Federally-assisted contract subject to the Contract Work Hours and Safety Standards Act which is held by the same prime contractor such sums as

may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in subparagraph (2) of this paragraph.

(4) Subcontracts. The contractor or subcontractor shall insert in any subcontracts the clauses set forth in subparagraph (1) through (4) of this paragraph and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in subparagraphs (1) through (4) of this paragraph.

C. Health and Safety. The provisions of this paragraph C are applicable where the amount of the prime contract exceeds \$100,000.

(1) No laborer or mechanic shall be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous to his health and safety as determined under construction safety and health standards promulgated by the Secretary of Labor by regulation.

(2) The Contractor shall comply with all regulations issued by the Secretary of Labor pursuant to Title 29 Part 1926 and failure to comply may result in imposition of sanctions pursuant to the Contract Work Hours and Safety Standards Act, (Public Law 91-54, 83 Stat 96). 40 USC 3701 et seq.

(3) The contractor shall include the provisions of this paragraph in every subcontract so that such provisions will be binding on each subcontractor. The contractor shall take such action with respect to any subcontractor as the Secretary of Housing and Urban Development or the Secretary of Labor shall direct as a means of enforcing such provisions.

WELDERS - Receive rate prescribed for craft performing operation to which welding is incidental.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (ii)).

The body of each wage determination lists the classification and wage rates that have been found to be prevailing for the cited type(s) of construction in the area covered by the wage determination. The classifications are listed in alphabetical order of "identifiers" that indicate whether the particular rate is union or non-union.

Union Identifiers

An identifier enclosed in dotted lines beginning with characters other than "SU" denotes that the union classification and rate have found to be prevailing for that classification. Example: PLUM0198-005 07/01/2011. The first four letters, PLUM, indicate the international union and the four-digit number, 0198, that follows indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. The date, 07/01/2011, following these characters is the effective date of the most current negotiated rate/collective bargaining agreement which would be July 1, 2011 in the above example.

Union prevailing wage rates will be updated to reflect any changes in the collective bargaining agreements governing the rates.

0000/9999: weighted union wage rates will be published annually each January.

Non-Union Identifiers

Classifications listed under an "SU" identifier were derived from survey data by computing average rates and are not union

rates; however, the data used in computing these rates may include both union and non-union data. Example: SULA2004-007 5/13/2010. SU indicates the rates are not union majority rates, LA indicates the State of Louisiana; 2004 is the year of the survey; and 007 is an internal number used in producing the wage determination. A 1993 or later date, 5/13/2010, indicates the classifications and rates under that identifier were issued as a General Wage Determination on that date.

Survey wage rates will remain in effect and will not change until a new survey is conducted.

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

- * an existing published wage determination
- * a survey underlying a wage determination
- * a Wage and Hour Division letter setting forth a position on a wage determination matter
- * a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour Regional Office for the area in which the survey was conducted because those Regional Offices have responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator
U.S. Department of Labor

The purpose of section 3 is to ensure that to the greatest extent feasible, opportunities for training and employment be given to low and very low income residents of the Project area and contracts for work in connection with the Project be awarded to business concerns which are located in or owned in substantial part by persons residing in the area of the Project.
- B. The parties to this contract will comply with the provisions of said Section 3 and the regulations issued pursuant thereto by the Secretary of HUD set forth in 24 CFR Part 135, and all applicable rules and orders of the Department issued thereunder as evidenced by the execution of this contract. - C. Subrecipient will send to each labor organization or representative of workers with which it has a collective bargaining agreement or other contract or understanding, if any, a notice advising the said labor organization or workers' representative of his commitments under this Section 3 Clause and shall post copies of the notice in conspicuous places available to employees and applicants for employment or training. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship, and training positions, the qualifications for each, the name and location of the persons taking applications for each of the positions, and the anticipated date the work shall begin.

Subrecipient will not subcontract with any agency where it has notice or knowledge that the latter has been found in violation of regulations under 24 CFR Part 135, and will not let any subcontract unless the agency has first provided it with a preliminary statement of ability to comply with the requirements of these regulations.
- E. Subrecipient will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 25 CFR part

135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135.

Compliance with the provisions of Section 3, the regulations set forth in 24 CFR Part 135, and all applicable rules and orders of the Department issued thereunder prior to the execution of the contract shall be a condition of the Federal financial assistance provided to the Project, binding upon the applicant or recipient for such assistance, its successors and assigns. Failure to fulfill these requirements shall subject the applicant or recipient, its subrecipients, and its successors, and assigns to those sanctions specified by the CDBG Program Agreement or contract through which Federal assistance is provided, and to such sanctions as are specified by 24 CFR Part 135, which include termination of this Agreement for default and debarment and suspension from future HUD-assisted contracts.

Federal Funding Accountability and Transparency Act (FFATA)

The Federal Funding Accountability and Transparency Act (FFATA) was signed on September 26, 2006. The FFATA legislation requires information on federal awards (federal financial assistance and expenditures) be made available to the public via a single, searchable website, which is www.USASpending.gov.

The FFATA Subaward Reporting System (FSRS) is the reporting tool Federal prime awardees (i.e. prime contractors and prime grants recipients) use to capture and report subaward and executive compensation data regarding their first-tier subawards to meet the FFATA reporting requirements. Prime contract awardees will report against sub-contracts awarded and prime grant awardees will report against sub-grants awarded. The sub-award information entered in FSRS will then be displayed on www.USASpending.gov associated with the prime award furthering Federal spending transparency.

The Transparency Act requires information disclosure concerning entities receiving Federal financial assistance through Federal awards such as Federal contracts, sub-contracts, grants, and sub-grants.

Specifically, the Transparency Act's section 2(b)(1) requires the City to provide the following information about each Federal award:

- Name of the entity receiving the award;
- Amount of the award;
- Information on the award including transaction type,
- Location of the entity receiving the award and primary location of performance under the award;
- Unique identifier of the entity receiving the award and the parent entity of the recipient;
- Names and total compensation of the five most highly compensated officers of the entity if the entity in the preceding fiscal year received 80 percent or more of its annual gross revenues in Federal awards; and \$25,000,000 or more in annual gross revenues from Federal awards; and the public does not have access to this information about the compensation of the senior executives of the entity through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. §§ 78m(a), 78o(d)) or section 6104 of the Internal Revenue Code of 1986.
