<u>MAYOR'S UPDATE</u>

Recognition of Alana Brenner

Mayor Dyer presented a proclamation to City Clerk Alana Brenner, proclaiming April 20, 2015 as "Alana Brenner Day" in the City of Orlando and gave a special announcement: "I don't ordinarily do this but I want to honor Alana Brenner, our City Clerk, who is leaving the City on May 1st after 11 years of service as our City Clerk. I know we will all miss seeing her up on the dais for each and every City Council meeting. Alana has done an outstanding job for the City and we are forever indebted to her. Her organizational skills, technical expertise, patience and warm smile will be sorely missed by the entire City family. I am fairly certain that she has helped every single member of the City staff in this room at some

time in her career whether it be with agenda matters, minutes, records or elections. She has been a priceless resource. Alana, thank you for your service and enjoy this new chapter of your life."

Election

Recently the City was asked to consider changing the election date from April 6, 2016 to an earlier date as a result of the State Legislature changing the date for the 2016 Presidential Preference Primary. The Orange County Supervisor of Elections Office expressed concern, which the City shared, that the proximity of the April 6, 2016 election date with the Presidential Preference Primary could result in overlap in absentee ballots and create voter confusion. City staff diligently evaluated a variety of options with the goal of ensuring that City elections remain non-partisan.

If the City were to move the April 5, 2016 election date to an earlier date in 2016 the concerns over absentee ballot overlap and precinct confusion would still exist, and moving the election date to a later date in 2016 would extend the term of current elected officials. Given these factors, staff has proposed moving the City's election to November 2015. The proposed election date of November 3, 2015 is aligned with how the majority of cities across the country handle elections and that is to hold it on days different from the state and national elections.

While the new date of November 3, 2015 shortens the terms of incumbents, changing the City's election to the first Tuesday in November will ensure that the election does not conflict with the State's partisan Presidential Preference Primary, will eliminate potential confusion for voters, will prevent election overlap, and will ensure that Orlando's elections remain non-partisan.

Orlando Solar Bears Hockey Playoffs

Mayor Dyer announced that the hometown hockey team, the Orlando Solar Bears, made the playoffs for the second straight season. In the First Round/Best of 7 series, Solar Bears homes games one, two and three will be played at the Amway Center on Tuesday, April 21 and Thursday, April 23, and again on Saturday, April 25 if the Solar Bears win one of those games. All games will start at 7:00 p.m. at the Amway Center.

State of the City

Please join Mayor Dyer on Wednesday, April 29th at 10:30 a.m. at the Dr. Phillips Center for the Performing Arts for the annual State of the City Address. The Mayor will share with residents and business owners the City's accomplishments this year, along with a vision for where the City is heading in each of the key priority areas of strategic growth, sustainability, public safety, transportation, increasing quality of life and ending homelessness. Remember to connect with Mayor Dyer on Facebook and Twitter for continuous updates and information on the City's priorities and accomplishments throughout the year. For more information, please visit http://www.cityoforlando.net/mayor/soc/.

Heroes' Commons Groundbreaking

After the State of the City at 2:00 p.m., Mayor Dyer will join with District 5 City Commissioner Regina I. Hill and the Florida Real Estate Foundation to break ground on the first house of the Heroes' Commons at Jefferson Park project. This housing project will ultimately provide six mortgage-free homes for wounded veterans and/or first responders and provide affordable owner-occupied housing in Orlando's Parramore neighborhood. For more information about this project, please visit http://www.cityoforlando.net/blog/mayor-dyer-celebrates-housing-complex-for-veterans/.

Orlando PrepareAthon

One of Orlando's top priorities is the safety of the community and working with residents to keep neighborhoods safe, which includes helping residents and businesses be prepared year round for emergencies such as tornadoes, flooding, hurricanes and fires. The City of Orlando is joining with the Federal Emergency Management Agency (FEMA) to launch Orlando PrepareAthon, a national emergency preparedness campaign for action, on Thursday, April 30 at 10:30 a.m. at the Orlando Emergency Operations Center. Orlando is the largest city in the country and the first municipality in the State of Florida to launch this national program.

Bike to Work Day

Keeping Orlando moving continues to be a priority for the City. By providing multi-modal forms of transportation, the City is able to offer those who live, work and play in Orlando many options for getting around the City. Part of this effort includes the City's commitment to investing in biking amenities. Since 2000, Orlando has been designated a Bicycle Friendly Community and is currently home to more than 300 miles of urban bicycling trails, signed routes and bicycle lanes. To celebrate National Bike Month in May, Mayor Dyer is inviting Central Florida residents to join him on Friday, May 1 and ride a bike to work. On Friday May 1, the Mayor will host "Bike to Work Day," and ride his bike from Loch Haven Park to City Hall in Downtown Orlando. To join in, just bring a bike – or rent one from the Bike Share program - and meet at Loch Haven Park at 7:30 a.m. The ride begins at 8:00 a.m., traveling along the Orlando Urban Trail and through Downtown, ending at Orlando City Hall. Agenda Items of Note

Item B-6 - Advisory Committee Ranking and Authorization for the Chief Procurement Officer to Execute a Contract for Economic Development Information System (EDIS), RFP15-0011

On today's agenda is an item that will further the City's efforts in making the Economic Development process easier to access and use for businesses and residents. This is the first step in a multi-year process to utilize new technology to update permitting, planning and code enforcement processes to eventually introduce online permitting. The City's current permitting systems were purchased prior to e-mail being used at City Hall, and some as long ago as before everyone had computers on their desks!

Item D-1 – Agreement to Loan Archival Items to the Orlando Ballet's "History of Loch Haven Center" Exhibit

A key part of the City's plan for strategic growth is recognizing, preserving and celebrating its past. On today's agenda is an item that will support the Orlando Ballet's efforts in doing this. Last year, the City Council approved a lease agreement to provide a new home for the Orlando Ballet at the Loch Haven Neighborhood Center to ensure that this important community space remains functional and allows for many of the activities that have occurred in this historic center to continue. Today, the City Council will vote to loan City memorabilia to the Ballet, which the Ballet will in turn use to create a permanent gallery display that will celebrate the history of activities that have occurred in the building since its opening in 1958.

3. Consent Agenda (the following items A-J were acted upon by the City Council through a single vote. An item will be considered separately only upon request of a Council member and a confirming majority vote of the City Council.) It was moved by Commissioner Jim Gray, seconded by Commissioner Tony Ortiz, and vote carried that the Consent Agenda be approved as follows, noting that both Commissioner Jim Gray and Commissioner Robert F. Stuart voted "no" on Item B-5 (Selection Committee's recommendation to initiate lease negotiations with the Development Team consisting of Downtown Orlando Developments (DOD), Hilton Curio Hotels and Revolutionary Road Hospitality Group for the development of a luxury, boutique hotel on Parcel #3 of the Dr. Phillips Arts Center Site).
