The site is currently designated Urban Village on the Official Future Land Use Map and is zoned PD. This site is within the Lake Nona Development of Regional Impact (DRI Parcel 7) and is designated as a Neighborhood Center on the DRI Map H, a portion of parcel 28D and all of parcel 28C. The subject property is part of the Laureate Park neighborhood center development which is scheduled for the May 14, 2015 SETDRC meeting (Case #MPL2014-00039). The applicant is requesting a minor plat for a parking lot in Phase 2 which will serve the Phase 1 uses that are currently under construction and approved through (MPL2011-00035).

## Previous Actions:

- September 2010—The Southeast Town Design Review Committee (SETDRC) approved the Laureate Park Phase 1 SPMP to allow for a residential development comprised of 504 dwelling units (Case #MPL2010-00014). This SPMP depicted four sub-phases within the development. The Laureate Park Neighborhood Center site was depicted as the fourth sub-phase in the plan. The Laureate Park Phase 1 SPMP required as a condition of approval that a separate SPMP for the Neighborhood Center be submitted for review by the SETDRC prior to development on this portion of the development.
- August 2011—The SETDRC approved the Laureate Park Phase 2 SPMP to allow for a residential development comprised of 159 dwelling units (Case #MPL2011-00013).
- August 2011—The SETDRC approved the Laureate Park Phase 3 SPMP to allow for a residential development comprised of 130 single family dwelling units (Case #MPL2011-00015).
- January 2012—The SETDRC approved the SPMP for the Laureate Park Neighborhood Center Phase 1 (Case #MPL2011-00035). This SPMP approved a 4,500 sq. ft. mixed use building that will have an information center and retail, a 1,500 sq. ft. multi-purpose building, a 1,700 sq. ft. fitness center and two swimming pools with a pool cabana.
- December 2014—The corresponding specific parcel master plan (MPL2014-00039) and major plat (SUB2015-00021) were submitted. These applications are scheduled for the May 14, 2015 SETDRC meeting. This SPMP is requesting an additional 1,800 sq. ft. of mixed use building, 800 sq. ft. of multi-purpose building and 1,300 sq. ft. of fitness center as well as a new Phase 2 for 141 dwelling units to include townhomes, condominiums, boutique apartment and single family waterfront lots.
