1.3K – start at 7:40am just following the 5k (depending on size – can push to sidewalk on N Graham Ave & sidewalk on Livingston St & drop back to road on Florida Festival Way). It's a walk.

Received 6/18/15. Emailed to Sgts. Saved as volition races

5K – start at 7:35am just following the half. I would ask for full road for the event in the residential areas. On Robinson – we can use the westbound lanes only. On Maguire – we can use the southbound lanes. And on Livingston – we can use the east bound lanes. (note the half – will do the 1st same 3 miles as the 5k with the split of these 2 event happening just before FL Festival Way.

Half – start at 7:30am. I would ask for full road for the event in the residential areas with main road having lane restrictions. This route – the 5k/half mirror each other with the split happening on Livingston just before the 5k runners will make their final right turn onto FL Festival Way to S/F. See next slide for turn by
