MAYOR'S UPDATE

PARIS

Mayor Dyer asked for a moment of silence to pray for the people of Paris and show solidarity with Paris in response to the attacks there on November 13, 2015. Mayor Dyer assured everyone that there are no known threats to Orlando and that the safety and security of residents and visitors is always the number one priority for the City of Orlando. OPD officers have been directed to provide an extra presence and pay special attention to certain locations in light of the terrorist events in Paris last week. The Orlando Police Department has for many years, and continues to, participate in several large training exercises for these type of active shooter and terrorist situations. OPD officers are aware that they are the first line of defense in such attacks and are prepared. Mayor Dyer urged everyone to please call 911 if they see anything suspicious.

Happy Birthday to Commissioner Gray and Commissioner Stuart

Mayor Dyer congratulated Commissioner Jim Gray on his birthday on November 6 and Commissioner Robert Stuart on his birthday on November 27, with best wishes for a happy year for both, and joined Council members in singing Happy Birthday to the Commissioners.

Congratulations on 2015 Re-elections

Mayor Dyer congratulated Commissioner Tony Ortiz, Commissioner Patty Sheehan and Commissioner Samuel B. Ings on their re-election to City Council and looks forward to continuing to work with all of the members of Council for another four years.

One Person, One Tree Launch

On November 13, Mayor Dyer joined with City Commissioners, Orlando Utilities Commissions, Habitat for Humanity, and residents of Butler's Preserve and the community to launch the City's One Person, One Tree initiative. This innovative program is designed to help increase Orlando's urban tree canopy. The initiative is a partnership with the Arbor Day Foundation and Orlando Utilities Commission and allows City residents to order a free tree to plant on their property. Mayor Dyer encourages all residents to visit http://www.cityoforlando.net/trees/ and order their free today, to work together to ensure that the City is full of trees and makes Orlando a "cooler" place to live.

Citrus Bowl 1st Year Anniversary and Florida Blue Florida Classic

November 19, 2015 marks the first anniversary of the opening of the newly-reconstructed Orlando Citrus Bowl and in that time the stadium has welcomed 818,645 patrons to 93 different events. Beyond Orlando's signature annual events including the Florida Blue Florida Classic, the Russell Athletic Bowl, the Buffalo Wild Wings Citrus Bowl and Monster Jam, we hosted Orlando City Soccer's first MLS season, including a capacity crowd of 62,510 for their opener in March. The City also hosted the Mexico vs. Costa Rica international friendly and a return visit of the US Women's National Team vs. Brazil just a few weeks back. And on June 12, the "World's Greatest Rock 'n' Roll Band," The Rolling Stones, played to a sold-out crowd. Today the facility is actively transitioning from soccer to football and will host the 36th annual Florida Blue Florida Classic on November 21. Orlando is happy to continue its longstanding relationship with FAMU and B-CU and our partners at Florida Citrus Sports in hosting this historic rivalry.

Small Business Saturday

Saturday, November 28 is Small Business Saturday. Mayor Dyer is encouraging everyone to skip the long lines on Black Friday and shop locally. Small businesses provide the City with goods and services that drive the local economy and create new job opportunities for our residents. Businesses around town and in the Main Streets and Downtown areas will be participating in Small Business Saturday. Shop small this holiday season and support our local businesses.

Tree Lighting Celebration

Mayor Dyer invited everyone to join him at the Lake Eola Park amphitheater on Friday, December 4 for Orlando's annual Tree Lighting Celebration from 5:00 -10:00 p.m. The free event includes the lighting of the City's 72-foot Christmas tree, which will be decorated with 88,000 LED lights, and also includes a holiday concert by Encore Cast Performing Arts, TheDailyCity.com Food Truck Bazaar and Trinity Lutheran School's holiday musical. Agenda Items of Note

Items B-15, B-16, CRA-5 – Homeless Assistance

The national Housing First model is being implemented here in Orlando. This approach places chronically homeless individuals in permanent housing and surrounds them with needed supportive services including mental health counseling, treatment for addiction, basic medical care and the skills to manage their home. Additionally, this approach provides a more coordinated effort between the region's existing service providers. It is an extraordinary effort to change the model for housing of the chronically homeless in our City. We have spent the last year and a half developing a working plan, updating our database so we know who all the chronically homeless are, analyzing our housing inventory and aligning

our funding. On today's agenda, the City is committing more than \$1.2 million dollars as part of the funding plan. This funding will go to the Homeless Services Network and the Healthcare Center for the Homeless to eliminate barriers to housing, including security deposit, utility bills and furniture. While our region is drawing more federal dollars than ever before as a result of our commitment to the Housing First approach, federal funding won't cover all the costs so it is important that the City provide additional support to ensure a successful transition to permanent supportive housing.

Item CRA-4 - MEBA Funding for Nikki's Place and Discover More in Parramore

On today's agenda is a MEBA grant that will help upgrade and restore Nikki's Place – one of the City's best known soul food restaurants located in the Parramore neighborhood of Orlando. Earlier this year, Nikki's Place was destroyed by a fire and as the restaurant rebuilds, this funding will allow Nikki's Place to also make improvements as part of that work. Nikki's Place, and other Parramore businesses, often serve as community gathering places for Orlando's residents. This month, the City's DDB/CRA will kick off a year-long campaign promoting these places. The campaign, **Discover More in Parramore**, will highlight the culture, entertainment offerings, homestyle cooking and history in the Parramore community and help to raise awareness of all these offerings. For more information, please visit http://www.cityoforlando.net/mayor/2015/11/discover-more-in-parramore/.

3. Consent Agenda (the following items A-J were acted upon by the City Council through a single vote.
