12. JUSTIFICATION: Document justification for request. Include anticipated economies or efficiencies to be realized by the City, including reductions in personnel or actual cost (cash flow) reductions to be realized in your budget. A modern user friendly Economic Development Information System software to replace our current 15 year old software is needed to be able to meet our customer expectations within one platform. By uniting our multiple aging software within one platform this will save staff time and provide our customer better access to Permitting, Code Enforcement and Planning information. The amendment will aid in the design and licenses needed to replace ancillary software patches used in our current outdated software.
