The Facilitator handed out the pre-determined scores (calculated as per solicitation requirements) to each Respondent. These scores did not change from the first meeting.

Committee Members were advised that Qualification Statements must be independently scored by each Member; that Committee Members should not indicate to the group what scores he/she gives to a particular firm; and that Committee Members must not attempt to influence other Committee Members in their scoring.

The Meeting was turned over to the technical Chair and discussion ensued, and, then, Committee members individually scored/ranked the shortlisted firm according to the criteria outlined in the Request for Qualification Statements.

The consolidated results are as follows:

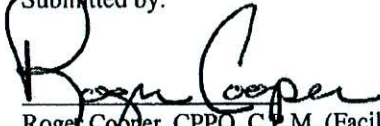

1. Professional Service Industries (PSI)
2. PPM Consultants, Inc.
3. Tetra Tech, Inc.
4. American Compliance Technologies, Inc. dba ACT Environmental & Infrastructure, Inc. (ACT)
5. Environmental Consulting & Technology, Inc.

A motion was made by Dan Dashtaki, and seconded by Erik Melear, to accept the rankings and to recommend to City Council for authorization for the Chief Procurement Officer (CPO) to negotiate and execute contracts, and all subsequent renewals, for Continuing Contracts with the top three (3) ranked firms. There were no members of the public present. The motion carried unanimously.

A motion was made by Erik Melear, and seconded by Adam Scobby, to adjourn at 2:32 p.m. The motion carried unanimously.

These minutes are considered to be the official minutes of the RQS16-0190 Advisory Committee Meeting held on May 4, 2016, and no other notes, tapes, or other recordings taken by anyone takes precedence.
