Woodard & Curran, Inc. is under an extended contract with the City and Orange County that runs through September 30, 2016, to operate and maintain the Water Conserv II water reclamation program joint facilities near Winter Garden. The Water Conserv II program, jointly owned by the City and Orange County, currently provides 34 million gallons of reclaimed water per day (average annual daily flow) to irrigation customers and aquifer recharge through rapid infiltration basins (RIBs). Conserv II serves reclaimed water to various users including food crop growers, nursery owners, golf courses, and a number of residential users in developments located in western Orange County and eastern Lake County. Conserv II provides reclaimed water to other utilities including systems that are owned and operated by Winter Garden, Ocoee and Orange County. Approval of Amendment 2 will extend Woodard & Curran's contract for an additional five (5) years through September 30, 2021.
