Orange Ave., Orlando, Florida 32801, **Foodie Catering, Inc.**, a Florida corporation (hereinafter referred to as “the Grantee” or “Applicant”) whose principal address is 307 North Orange Blossom Trail, Orlando, Florida 32805, and Gillette-Bosch Properties, LLC, (hereinafter referred to as the “Property Owner”), whose mailing address is 307 North Orange Blossom Trail, Orlando, Florida 32805 (hereinafter collectively referred to as “the parties”).

WHEREAS, in an effort to accomplish the objectives of the Economic Development Department, the Orlando City Council has approved and established the Small Business Façade and Site Improvement Program (hereinafter referred to as the “Program”), which provides certain City financial assistance in the form of an interest free deferred loan to be used by the Applicant as described in the Program description attached hereto as Exhibit “A”; and

WHEREAS, the Applicant is eligible for City financial assistance pursuant to the Program, and the City desires to provide such assistance; and

WHEREAS, the City has found and declared that the Program serves an important and significant public purpose and is necessary and proper in order to promote the health, safety, and welfare of the public, and the Orlando City Council hereby finds and determines that Applicant’s proposal likewise is in the best interest of the public health, safety, and welfare, and serves a valid public purpose; and

1. Incorporation of Recitals. The recitals set forth hereinabove are true and correct and are incorporated herein as if fully set out below.

2. Loan. Subject to the Applicant complying with all terms and conditions contained in this Agreement, including any and all exhibits hereto, and subject to the parties resolving outstanding design issues regarding transparency, the City shall award to the Applicant an amount not to exceed the sum of Six Thousand Dollars and No Cents (\$6,000.00) for the sole purpose of acquiring the goods and services for alterations and improvements (“the Improvements”) to property located at **213 Clear Lake Way, Orlando, Florida 32805** (“the Property”) as set forth in the Project Description in Exhibit “B”. The work must be initiated within ninety (90) days and completed within the first year of the date of execution of this Agreement.

If the Improvements are not installed and maintained in reasonable good condition and incur violations of Orlando City Code at any time during the deferment period, Applicant shall pay the City a pro rata share (using a three-year amortization schedule for the loan proceeds) of the total loan amount. If the total amount of funds disbursed equal \$999 or less, Applicant shall pay the City the total sum that was disbursed.

3. Covenants, Representations, and Acknowledgements of Applicant. The Applicant hereby covenants, represents, and acknowledges the following:

- a. The Applicant shall at all times be in compliance with the Orlando City Code, including, but not limited to, code sections pertaining specifically to planning, zoning and permitting. SMALL BUSINESS FAÇADE & SITE IMPROVEMENT PROGRAM Policies, Procedures and Conditions

Purpose

Building appearance plays an important role in creating the image of the City of Orlando. The Small Business Façade and Site Improvement Program was designed to revitalize business corridors within the City limits through funding for building façade improvements (“Grant”). Grants made to properties will encourage reuse of vacant or underutilized properties, improve appearance, and support the long-term viability of the City. Over time, the taxable valuation of the improved properties will increase, thus increasing the amount of funds available to revitalize the City.

Grant Structure and Criteria for Selection

The Economic Development Department will oversee the Small Business Façade and Site Improvement Program. A building façade improvement is defined as the renovation/restoration of building faces that are visible from the street. Funding is based on budget availability and will be considered on a “first come, first served basis”. Application submission **does not** guarantee approval.

Applications will be reviewed for completeness and compliance with program criteria. Projects that do not comply with the program criteria and conditions will not be eligible for funding. All members of the entity applying for the Grant must sign the grant application. For example, if the applicant is the property owner, all property owners, authorized corporate officers, or partners must sign the application. If the applicant is the tenant, all authorized corporate officers or partners of the tenant business must sign the application. Tenants who are applying for a Grant must supply proof of a lease for the subject property that identifies at least three (3) years remaining in the lease term or that extends through the program agreement term (up to five years).

Prior to consideration for a Small Business Façade and Site Improvement Grant, the subject property must be free from any liens (excluding mortgage liens), judgments, or encumbrances of any kind (excluding easements), and all City obligations must be current. The City reserves the right to contract for a title search and/or ownership and encumbrance report at the City’s discretion, the cost for which will be deducted from the Grant funds at the time of disbursement, if Grant funding is approved.

All applicants for a Façade Grant must submit to a criminal background check. If the applicant is a corporate entity, the president, director, manager, or, in the case of a partnership, all partners shall submit to a criminal background check. In order to be eligible for funding, applicants must **not** have any of the following: a felony conviction or nolo contendere within the past five (5) years; a felony conviction or nolo contendere for financial/economic crimes within the past ten (10) years; or a felony conviction or nolo contendere for violent or heinous crimes (i.e. murder, sexual battery, sexual assault, armed robbery or burglary, carjacking, home-invasion, kidnapping, arson, crimes against children, etc.) in their complete history. If the background check reveals any of the above, the applicant will be rendered ineligible for the Grant. Otherwise, results of the background check will be included in the documentation provided to the Façade Grant Review Committee for consideration as part of the application.

The Façade Grant Review Committee is designated by the Economic Development Department to review Grant applications on a quarterly basis and to make recommendations of approval to the Orlando City Council. The Façade Grant Review Committee is comprised of a representative of the Planning Division designated by the Planning Official, a representative of the Permitting Services Division designated by the Permitting Services Director and a representative of the Business Development Division designated by the Economic Development Director.

The Grant funding awarded will be based on the lowest of at least three (3) qualified bids submitted by the applicant. The owner and/or applicant may elect to choose a contractor other than the one with the lowest qualified bid, but shall be responsible for all costs exceeding the lowest qualified bid. In all cases, the selected contractor must be licensed and insured. The City will not be responsible in any manner for the selection of a contractor. A property owner and/or tenant should pursue all activities necessary to determine contractor qualifications, quality of workmanship, and reputation. The property or business owner will bear full responsibility for reviewing the competence and abilities of prospective contractors and secure proof of their licensing and insurance coverage.

Program Funding

Under the program, the City will loan 50% of the total project cost. Total loan assistance from the City shall not exceed \$20,000. The applicant(s) will be responsible for the remaining 50% of the total project cost. Applicants that fall within the City's Enterprise Zone area will remain eligible for 80% reimbursement through December 2015. These applicant(s) will be responsible for the remaining 20% of the total project cost. All Grants will be treated as zero-interest, deferred loans.

For loan amounts of \$1,000 to \$9,999, payment to the City is deferred for a three (3) year period where the loan depreciates at 33% for the first two years and 34% the third year. At the end of three years, the loan is forgiven in its entirety. For loan amounts of \$10,000 to \$14,999, payment to the City is deferred for a four (4) year period where the loan depreciates at 25% each year. At the end of four years, the loan is forgiven in its entirety. For loan amounts of \$15,000 to \$20,000, payment to the City is deferred for a five (5) year period where the loan depreciates at 20% each year.

If the property is demolished, the title to the property has been transferred, the property has been refinanced, or the property incurs a code enforcement lien during the deferment period, the loan will be prorated accordingly per year and the remaining balance shall be paid back to the City of Orlando Economic Development Department. If the total project cost is \$999 or less, and the property is either demolished, title to the property has been transferred, the property has been refinanced, or the property incurs a code enforcement lien during the one-year period following disbursement of funds by the City, the full amount disbursed shall be paid back to the City of Orlando Economic Development Department.

The amount of the deferred loan will be amortized in monthly installments over a specified period per the agreement term (36, 48 or 60 months) beginning on the date of execution of the Funding Agreement. The City will automatically forgive the monthly installments without any action as the installments become due, as long as the project is in compliance with all terms of the Funding Agreement. Should the façade and/or site improvements be altered, destroyed or demolished, or the terms of the Funding Agreement be violated, the outstanding balance of the deferred loan will become due and payable.

All Applicants (and property owners if the applicant is a tenant) must sign the Funding Agreement.

In order to insure that funds are available, improvements to be made under this grant must be initiated (secured all necessary permits) within 90 days and completed within one (1) year of the date of execution of the funding agreement. Extensions may be granted by the Economic Development Director given just cause by the applicant. (e.g. contractor delays, Acts of God, etc.)

Procedures

The procedure for project review is as follows:

1. Pre-Application Meeting

The applicant is required to meet with the Façade Program Coordinator who will review the applicant's plans per the program requirements to determine eligibility. The Coordinator will provide the applicant with general guidance as to whether the proposed project is likely to qualify for program funds and whether the applicant is sufficiently prepared to move forward to submit the application.

If the application appears ready to move forward, the Coordinator will instruct the applicant to proceed with any necessary review by the Appearance Review Board (ARB) if located in Downtown Orlando, the Historic Preservation Board (HPB) if located within a Downtown Historic District or the Board of Zoning Approval (BZA) if a zoning variance is required. If these reviews are not required, the applicant may move forward with grant application submission.

2. Grant Application Submission

Following approval by the ARB, HPB and BZA and issuance of the appropriate review Certificate, the Grant application and all attachments may be submitted to the Façade Program Coordinator for formal consideration of funding. A \$50 non-refundable application fee is due with application submission. The application fee offsets the cost of background checks and other necessary due diligence performed by the Façade Program Coordinator.

3. Review Grant Application

Once an eligible application and the supporting documents are received, the Façade Program Coordinator will then conduct the mandatory criminal background check and assess the application with regard to all program requirements. All eligible applications will be forwarded to the Façade Grant Review Committee for review according to the Grant criteria in an interview format with the applicant. The Committee may recommend approval, deny, or table applications. If the Committee recommends approval of an application for a Grant, it shall establish the City's maximum grant participation (not to exceed dollar amount) based on the lowest of the three (3) qualified bids submitted by the applicant.

4. Final Agreement and Construction

Once the Façade Grant Review Committee recommends approval, a funding agreement will be presented to City Council for approval. If approved for funding, the applicant (and property owners, if a tenant is the applicant) shall sign the required funding agreement. After the funding agreement has been executed on behalf of the City, the applicant may secure permission from the City to construct by securing appropriate building permits. Substantial modifications to final plans or change orders to construction documents which produce visible differences in the previously approved façade design will require review and approval of the Façade Grant Review Committee. Evidence of licensure and insurance of the selected contractor(s) shall be submitted to the Façade Program Coordinator prior to commencement of any work associated with the Grant.

5. Construction Approval

On completion of construction, including final inspection by the Permitting Services Division, the grantee shall submit a request for reimbursement to the Façade Grants Coordinator. Along with request for reimbursement, the grantee must submit the following to assure the terms of the agreement have been honored:

- Proof of all project costs, including contractor invoices
- Receipts proving payment for services and supplies
- Lien release(s) by the contractor(s)
- One photo of each improvement and at least one photo of the entire façade

The Façade Program Coordinator will certify that all work was permitted and inspected by the City's Permitting Services Division and verify the work was completed in a satisfactory and professional manner. Discrepancies will be noted and a time frame for their correction will be established as necessary. If there is a strong deviation in improvements as approved by the Façade Grants Review Committee, the City reserves the right to deny reimbursement.

6. Disbursements

Funds will generally be provided upon completion of the project. However, at the City's discretion and pursuant to the terms of the funding agreement, funds may be distributed incrementally as phases of the approved project are completed. Reimbursements will be made according to City's accounting procedures with funds disbursed by check payable to the grantee. All Grant funds shall be issued to the grantee on a reimbursement basis only.

Available Funds

The City may from time to time at its discretion establish annual funding for the program.

Disclosures

The City expressly reserves the right to reject any and all applications or to request additional information from any and all applicants and grantees. The City retains the right to amend the program guidelines, agreements, and application procedures. The City also retains the right to display and advertise properties that receive matching funds under this grant.
