Event: Location Pine st. (from court to Orange ave) But the vehicle closer would be from magnolia to orange, the event block party will only be from court st to orange ave. We would like to block off vehicle traffic on pine st starting at magnolia to help with load and unload during and after the event. This means we would only like to block vehicles from accessing pine in between magnolia and court. No walk through traffic would be affected on that side of pine st therefore none of the business between court and magnolia would be affected by this closer. just vehicles. Pine st from court to orange ave we would closed to both foot and vehicle traffic, outside of the business that are there of course (NV Bar and Artisans Table) we would create designated paths for.
