Good Morning Teddi,

Please let this serve as my request to process a negotiated procurement for the pigmented, porous pavement material and installation on the Westmoreland path. This was bid as a standard RQS, however there were no submissions despite Procurement broadcasting the solicitation to 270 firms with 17 firms downloading the documents. This contract is vital to the successful completion of the path that will provide a safe pedestrian facility for the children in Parramore who will be attending the new K-8 school that opens Aug. 14th 2017.

Thank you for your assistance on the critical procurement need.

Lisa Henry, PE, CFM
