Mayor Dyer called on Chief Administrative Office Byron Brooks who introduced Brian Usher, Public Works Director from the City of Largo, Florida and Past President of the American Public Works Association. Mr. Usher stated that the American Public Works Association selects ten recipients a year as a Top Ten Public Works Leader, considered to be the finest in their profession, and compared the award to a lifetime achievement. Rick Howard joined the City of Orlando in 1985 in the Streets and Drainage division and has

become a leader in the field in solid waste, reduction in fuel consumption by the City's fleet, water reclamation, water reuse, critical wetland management and stormwater utility operations. Mr. Howard has served in the American Public Works Association, Florida Engineering Society, American Society of Civil Engineers, American Society of Highway Engineers, Boy Scouts of America as Troop Chair, Assistant Scoutmaster and Council Committee member, and judged and captained the Dr. Nelson Ying Orange County Science Exposition at Rollins College. During his career, Rick has worked on the Lake Eola Fountain refurbishment, Orlando City Soccer Stadium, Amway Center, Camping World Stadium renovation and Dr. Phillips Performing Arts Center. Mr. Usher noted Rick's commitment to having stormwater systems fully sustainable in the next 12 years, the use of traffic management technology, roadway maintenance projects and general infrastructure maintenance. Mr. Usher presented Mr. Howard with the "Top Ten Public Works Leaders 2017" award.

Proclaiming June 12 as "Orlando United Day – A Day of Love and Kindness"

Mayor Dyer announced that on Monday, June 12, 2017 the Orlando community will stand together again to honor the memory of the 49 innocent lives lost one year ago at the Pulse nightclub and to support the families of the victims and survivors. The Orlando City Council and the Orange County Board of County Commissioners joined together to proclaim June 12 as "Orlando United Day – A Day of Love and Kindness" and each successive June 12 thereafter. Mayor Dyer noted there are a number of community events planned for June 12 and encouraged the community to participate in "Acts of Love and Kindness" – a homegrown movement led by the One Orlando Alliance with direct input from victims' families. For more information, please visit www.actlovegive.com. Mayor Dyer read the proclamation.

Mayor's Update Moment of Silence

Earlier today, violence touched the Central Florida region as five innocent people lost their lives at a business on North Forsyth Road. Mayor Dyer conveyed his thoughts and prayers to the families of the victims, the survivors and everyone impacted by this. Mayor Dyer expressed gratitude for the quick actions of the Orange County Sheriff's Office as deputies responded to the scene, and asked for a moment of silence to honor these victims, as well as the lives taken during the recent terrorist attacks in England.

Dr. Stuart Cowan, Chief Scientist with Smart Cities Council

Earlier this year Orlando was designated one of five Smart Cities by the Smart Cities Council, the world's largest smart cities network. Orlando was selected because of its commitment to using smart technologies to seek innovative ways to better connect with and meet the needs of residents. As part of this designation, the City will receive tailored guidance on how to further develop and implement a comprehensive approach to applying smart technologies in Orlando and throughout Central Florida. Mayor Dyer recognized Dr. Stuart Cowan, Chief Scientist with the Smart Cities Council, in attendance at today's meeting.

Agenda Items of Note

Item B-3 - *First Amended Liquidating Plan of Reorganization of Debtor First One Hundred, LLC ("Plan"), which provides for the City to acquire ownership and control of six affordable housing projects conditioned upon delivery of marketable and insurable title and payment by City of \$700,000.00*

This agenda item provides a mechanism for the City to acquire ownership and control of six apartment complexes, located along Orange Center Boulevard, which recently filed bankruptcy. The condition of the properties has been a concern to neighbors and this action will help to stabilize the neighborhoods by allowing the City to eventually partner with community development organizations interested in constructing sustainable, mixed-income housing that complement the surrounding neighborhoods.

Community Redevelopment Agency-1 – Ranking and Contract Negotiations for Design-Build Services for CRA Parramore Residential Housing, RFP17-0247

This agenda item will approve the rankings of design-build firms to build ten new single family homes in Parramore. The homes are expected to be completed in the first quarter of 2018 and, after construction is complete, the City will sell the homes to qualified, income-eligible homebuyers. This project further supports

the City's effort to increase housing opportunities in Parramore, and owner-occupant housing, and aligns with recommendations from the recently completed Parramore Comprehensive Neighborhood Plan.

Commissioner Gray filed Form 8B Memorandum of Voting Conflict, a copy of which is included as supplemental papers to this meeting.

Commissioner Patty Sheehan stated she does not have a conflict of interest on Item D-1 (John R. Mott Historical Marker at Lake Eola Park) and that was confirmed by Chief Assistant City Attorney Kyle Shephard.
