12. **JUSTIFICATION:** Document justification for request. Include anticipated economies or efficiencies to be realized by the City, including reductions in personnel or actual cost (cash flow) reductions to be realized in your budget. The Project Management Division is responsible for providing construction management and inspection services on City infrastructure projects. Current full time staff members are fully committed to projects already under construction. Upcoming projects will require staffing for inspection services on a short term (2 year) basis. Based on need, Public Works staff previously received authorization to create additional City contract inspector positions in lieu of using more costly outside consultants. This position is included in the FY2017 and Proposed FY2018 Budgets.

13. **APPROVED:** Tom Connery, Project Management Division Manager (Submitting Director or authorized Division Mgr Only)
