### **REPORTS**

Ms. Lisa Early reported that the requested budget to expand hours at four sites, as follows: John H. Jackson Neighborhood Center (proposal is to close at 10 p.m. Monday through Friday and 8:00 p.m. on Saturdays, instead of the current hours, which are 8:00 p.m. Monday through Friday and 6:00 p.m. on Saturdays), and Engelwood Neighborhood Center, Northwest Neighborhood Center and the Dr. James R. Smith Neighborhood Center (proposal is to close at 11:00 p.m. Monday through Thursday and midnight on Friday and Saturday instead of the current hours, which are 9:00 p.m. Monday through Saturday) has successfully been placed in the FPR 2017/2018 budget. The budget includes the creation of four additional part time positions to provide sufficient staff for these sites.

Ms. Early also reported that the department has been budgeted for an additional position to better manage the process of repair and maintenance of the City's park and recreation facilities. We expect this to result in savings to the City through tighter management of the process of reviewing, approving and administering facility repairs.

In closing, Ms. Early stated that she will send Board members a link to an article about FPR's Youth Employment Program. FPR currently has over 900 youth employed, paid via the City as well as various grants. In addition, Ms. Early told Board members that billboards are now up at numerous locations throughout the City, provided pro bono by Clear Channel, to promote FPR's summer learning programs.

Mr. John Perrone, Parks Division Manager, reported that the park and playground at Malibu Park was recently renovated and the City held a ribbon cutting last week. Mr. Perrone also reported that outdoor fitness amenities will soon be installed at Bill Frederick Park thanks to a grant that will offset some of the cost.

### **ADJOURNMENT**
