SANITARY SEWER EASEMENT AGREEMENT
(Lake Nona Boulevard)

THIS SANITARY SEWER EASEMENT AGREEMENT (the “**Agreement**”) is made and entered into this ____ day of _____, 2018 (the “**Effective Date**”) by and between **LAKE NONA RESEARCH I, LLC**, a Florida limited liability company, whose address is 6900 Tavistock Lakes Boulevard, Suite 200, Orlando, Florida 32827 (“**Grantor**”), and the **CITY OF ORLANDO, FLORIDA**, a municipal corporation organized and existing under the laws of the State of Florida, whose address is 400 South Orange Avenue, Orlando, Florida 32801 (“**Grantee**”) (Grantor and Grantee are sometimes together referred to herein as the “**Parties**”, and separately as the “**Party**”).

WITNESSETH:

WHEREAS, Grantee is the owner of that certain real property lying within Orange County, Florida, being more particularly described in **Exhibit “A”** attached hereto and by this reference incorporated herein (collectively, the “**Easement Area**”); and

WHEREAS, it is contemplated that certain sanitary sewer facilities, together with related improvements (collectively, the “**Facilities**”), are to be installed and located within the Easement Area for the benefit of that certain public right-of-way known as “Lake Nona Boulevard” (the “**Benefited Property**”); and

WHEREAS, Grantor now desires to give, grant, and convey in favor of Grantee a perpetual, non-exclusive easement on, upon, over, under, across and through the Easement Area for the limited purpose of constructing, installing, operating, maintaining, repairing, replacing, and restoring the Facilities for the benefit of the Benefited Property, subject to all applicable permits related thereto, and subject to the terms and provisions set forth herein.

NOW, THEREFORE, for and in consideration of the mutual covenants and agreements herein set forth and other good and valuable consideration, the receipt, adequacy and sufficiency of which are hereby expressly acknowledged by the Parties, the Parties do hereby agree as follows:

1. **Recitals.** The foregoing recitals are true and correct and are incorporated herein by this reference.

2. **Grant of Easement.** Grantor does hereby grant, bargain, sell and convey to Grantee perpetual, non-exclusive easement on, upon, over, under, across and through the Easement Area for the limited purpose of constructing, installing, operating, maintaining, repairing, replacing, and restoring the Facilities in accordance with and subject to any and all applicable laws, ordinances, rules, regulations, permits and approvals, and any future modifications or amendments thereto, for the benefit of the Benefited Property in its current condition and as it may be improved from time to time. Notwithstanding anything contained herein to the contrary, nothing contained herein shall be deemed to create or grant any right to any person or entity to use the Easement Area for the provision of general utilities or communication services.

3. **Right of Relocation.** Grantor, at its expense, shall have the right from time to time to relocate and/or reconfigure the Easement Area, as it deems necessary. During the term of this Agreement, Grantee hereby consents to any relocation and/or reconfiguration of the Easement Area (either in whole or in part) proposed by Grantor; provided that (i) the Easement Area (or portions thereof), as so relocated and/or reconfigured, shall provide Grantee with substantially the same size and quality easement area as existed prior to such relocation and provides the same or greater Facilities capacity as existed prior to such relocation, (ii) Grantor obtains all necessary permits or modifications of permits and constructs the relocated/reconfigured Facilities consistent therewith, (iii) Grantor shall pay for any expenses incurred in the relocation and/or reconfiguration of the Easement Area, including expenses related to relocating/reconfiguring the Facilities, (either in whole or in part) in compliance with all governmental permits, approvals, and requirements, and (iv) Grantor shall deliver to Grantee an amendment to this Agreement together with a legal description for the relocated Easement Area (or portions thereof). After execution of such amendment, the rights of Grantee shall automatically extend and fully apply to such relocated easement area to the same extent as they applied prior to such relocation of the Easement Area, whereupon the rights of Grantee as to the relocated Easement Area (or portions thereof) shall be released and immediately revert to the Grantor, its successors, transferees and assigns.

4. **Repair and Maintenance.**

(a) Grantor, at no cost to Grantee, shall repair and maintain the Easement Area and keep the same in good order and repair in accordance with all applicable permits and other governmental requirements. Grantee, at Grantee's expense, shall repair and maintain any and all Facilities (or its respective portion thereof) dedicated to and accepted by Grantee in good order and repair in accordance with all applicable permits and other governmental requirements and shall diligently thereafter restore the surface of the Easement Area affected to as near as practicable the condition which existed prior to such activities; except, however, Grantee shall have no responsibility to restore any brick or concrete pavers or other upgraded hardscaping features other than typical asphalt lying on the surface of the Easement Area which has been excavated in conjunction with Grantee's repair and maintenance obligations hereunder. Grantor may assign any or all of its repair, maintenance or other obligations hereunder to any Permitted Assignee (as defined herein) which assumes such obligations in writing at any time.

(b) In the event any required repair and/or maintenance hereunder is not performed in a commercially reasonable fashion by Grantor (or any Permitted Assignee) or

Grantee, as applicable, in accordance with the foregoing standards, Grantor (or any Permitted Assignee) or Grantee, whichever is applicable, may deliver a notice to the other party setting forth the maintenance deficiencies, whereupon, except as described below, such party shall have a period of fifteen (15) days to remedy the deficiencies, or forty-eight (48) hours, in case of emergency. In the event the deficiencies are not remedied in a commercially reasonable fashion within such fifteen (15) day period, or within such forty-eight (48) hour period in case of emergency, the requesting party shall have the right, but not the obligation, to undertake all reasonably necessary maintenance and repair itself and recover from such other party the reasonable and actual, third party out-of-pocket fees, costs and expenses incurred in connection therewith. Such party shall reimburse the requesting party for the reasonable expenses in connection with any maintenance activities no less than sixty (60) days after the requesting party delivers a written request for such reimbursement, together with all applicable invoices, receipts and lien waivers for work performed (the "**Reimbursement Request**"). If either party (which term includes Grantor, Grantee or any Permitted Assignee) objects to any portion of the notice of maintenance deficiencies, the objecting party will deliver a notice of objection to the other party and the parties will then meet to discuss the issues raised in the notice of objection, all within the above fifteen (15) day period.

(c) In the event of an emergency situation resulting in an immediate threat to the public health, safety or welfare, the requesting party shall only be required to attempt to give reasonable notice, prior to taking action in accordance with Paragraph 4(b) above.

5. **Assignment.** Grantor, upon reasonable notice to Grantee, may assign its rights and obligations under this Agreement to any property owner association, municipality, district or other governmental authority ("**Permitted Assignee**"), whereupon Grantor shall be released from all obligations and liabilities hereunder. Grantee shall have no right to assign its rights and obligations hereunder without the express written consent of Grantor in each instance which may be withheld in its discretion.

6. **Damage.** In the event that Grantee, its agents, employees, consultants, representatives, and contractors (and their subcontractors, employees and materialmen) cause damage to the Easement Area and Facilities (or any other real or personal property not owned by Grantee) Grantee, at its sole cost and expense, agrees to promptly commence the restoration and repair of the same to as nearly as practical the original condition and grade and shall diligently pursue and cause the completion of the same within thirty (30) days after receiving written notice of any such damage. In the event any required restoration and repair hereunder is not completed by Grantee within such thirty (30) day period, Grantor shall have the right to undertake all reasonably necessary restoration and repair itself and recover from Grantee the actual, third party out-of-pocket expenses incurred in connection therewith. The provisions of this section shall expressly survive the termination of this Agreement. In the event that Grantor, its agents, employees, consultants, representatives, and contractors (and their subcontractors, employees and materialmen) cause damage to the Easement Area and Facilities, Grantor, at its sole cost and expense, agrees to promptly commence the restoration and repair of the same to as nearly as practical the original condition and grade and shall diligently pursue and cause the completion of the same within thirty (30) days after receiving written notice of any such damage. In the event any required restoration and repair hereunder is not completed by Grantor within such thirty (30) day period, Grantee shall have the right to undertake all reasonably necessary restoration and

repair itself and recover from Grantor the actual, third party out-of-pocket expenses incurred in connection therewith. The provisions of this section shall expressly survive the termination of this Agreement.

7. **Insurance.** Grantor and Grantee acknowledge that the Grantee, as a governmental entity, self-insures its general liability, automobile liability and Worker's Compensation exposure(s). Grantee, shall ensure that any contractors (and their subcontractors, employees and materialmen) performing work for Grantee on the Easement Area in accordance with Section 4 above, shall maintain general public liability insurance to afford protection against any and all claims for personal injury, death or property damage arising directly or indirectly out of the exercise of the rights and privileges granted herein. Said insurance shall be issued by solvent, reputable insurance companies authorized to do business in the State of Florida, naming Grantor and Grantee as additional insureds, as their interests may appear, in a **combined-single limit** of not less than \$1,000,000.00 with respect to bodily injury or death and property damage. Said insurance shall also be primary, and not contributory, as to any insurance coverage maintained by Grantor or Grantee. Nothing in this Agreement operates as a waiver of the Grantee's grant of sovereign immunity or the limits of liability established under Florida law. Furthermore, nothing in this Agreement operates to allow a claim otherwise barred by sovereign immunity or other operation of law. Grantor shall ensure that any contractors (and their subcontractors, employees and materialmen) performing work for Grantor on the Easement Area in accordance with Section 4 above, shall maintain general public liability insurance to afford protection against any and all claims for personal injury, death or property damage arising directly or indirectly out of the exercise of the rights and privileges granted herein. Said insurance shall be issued by solvent, reputable insurance companies authorized to do business in the State of Florida, naming Grantor and Grantee as additional insureds, as their interests may appear, in a combined-single limit of not less than \$1,000,000.00 with respect to bodily injury or death and property damage. Said insurance shall also be primary, and not contributory, as to any insurance coverage maintained by Grantor or Grantee.

8. **Indemnification.** To the extent permitted by law and without waiving sovereign immunity and any of the protections afforded by §768.28, Florida Statutes, and without waiving the limits of liability established under Florida law, each Party hereby agrees to indemnify and hold harmless the other Party, its officers, staff, elected and appointed officials or employees or from and against any and all actions, causes of action, claims, demands, liabilities, judgments, costs, expenses whatsoever (including, without limitation attorneys' fees at trial and appellate levels) to the extent arising out of the negligent acts or omissions or intentional misconduct of such Party's officers, staff, elected and appointed officials or employees or the exercise by such Party or its agents, employees, elected and appointed officials, consultants, representatives, contractors (and their subcontractors, employees, and materialmen) of the rights and obligations set forth herein.

9. **Obligations.** Any rights granted hereunder shall be exercised only in accordance and compliance with any and all applicable laws, ordinances, rules, regulations, permits and approvals, and any future modifications or amendments thereto. No Party shall discharge into or within the Easement Area, any hazardous or toxic materials or substances, any pollutants, or any other substances or materials prohibited or regulated under any federal, state or local law,

ordinance, rule, regulations or permit, except in accordance with such laws, ordinances, rules, regulations and permits.

10. **Beneficiaries of Easement Rights/Binding Effect.** The easement set forth in this Agreement shall be solely for the benefit of Grantee, for the purpose expressly provided for herein and for no other purpose. The easement hereby created and granted includes the creation of all incidental rights reasonably necessary for the use and enjoyment of the Easement Area for its intended purposes.11. **Liens.** Grantee shall not permit (and shall promptly satisfy or bond) any construction, mechanic's lien or encumbrance against the Easement Area or any other property in connection with the exercise of Grantee's rights hereunder.

12. **Amendments and Waivers.** This Agreement may not be terminated or amended, modified, altered, or changed in any respect whatsoever, except by a further agreement in writing duly executed by the Parties and recorded in the Public Records of Orange County, Florida. No delay or omission of any Party in the exercise of any right accruing upon any default of any Party shall impair such right or be construed to be a waiver thereof, and every such right may be exercised at any time during the continuance of such default. A waiver by any Party of a breach of, or a default in, any of the terms and conditions of this Agreement by any other Party shall not be construed to be a waiver of any subsequent breach of or default in the same or any other provision of this Agreement. No breach of the provisions of this Agreement shall entitle any Party to cancel, rescind or otherwise terminate this Agreement, but such limitation shall not affect, in any manner, any other rights or remedies which any Party may have by reason of any breach of the provisions of this Agreement.

13. **Notices.** Any notices which may be permitted or required hereunder shall be in writing, and shall be deemed to have been duly given (i) one day after depositing with a nationally recognized overnight courier service, or (ii) on the day of hand delivery (provided such delivery occurs prior to 5:00 pm, local Orlando time) to the addresses listed below or to such other addresses as a Party may from time to time designate by written notice in accordance with this paragraph:

If any provision of this Agreement, or portion thereof, or the application thereof to any person or circumstances, shall, to the extent be held invalid, inoperative or unenforceable, the remainder of this Agreement, or the application of such provision or portion thereof to any other persons or circumstances, shall not be affected thereby; it shall not be deemed that any such invalid provision affects the consideration for this Agreement; and each provision of this Agreement shall be valid and enforceable to the fullest extent permitted by law. This Agreement shall be construed in accordance with the laws of the United States of America and the State of Florida. Venue for any proceeding brought hereunder

shall be Orange, County, Florida. The section headings in this Agreement are for convenience only, shall in no way define or limit the scope or content of this Agreement, and shall not be considered in any construction or interpretation of this Agreement or any part hereof. Where the sense of this Agreement requires, any reference to a term in the singular shall be deemed to include the plural of said term, and any reference to a term in the plural shall be deemed to include the singular of said term. Nothing in this Agreement shall be construed to make the Parties hereto partners or joint venturers or render either of said parties liable for the debts or obligations of the other. This Agreement may be executed in counterparts, each of which shall constitute an original, but all taken together shall constitute one and the same Agreement. Time is of the essence of this Agreement. This Agreement shall be binding upon and inure to the benefit of Grantee, Grantor, and their respective successors and assigns. The rights, privileges and easements granted and conveyed hereunder shall be a burden upon the Easement Area and exist for the benefit of and shall run with title to the applicable property.
