12. JUSTIFICATION: Document justification for request. Include anticipated economies or efficiencies to be realized by the City, including reductions in personnel or actual cost (cash flow) reductions to be realized in your budget. The emergency power and distribution system at the City's Water Reclamation Administration Complex requires replacement due to the age of the system and failures that have occurred, most recently during the hurricanes in 2017. Furthermore, finding replacement components has become increasingly difficult. This authorization will provide final design and construction administration services. City staff requested Reiss Engineering, Inc. to provide a scope of work for the required services and has negotiated a Services Authorization for a not to exceed fee of \$233,134.29.

13. APPROVED: David Bass, P.E., Water Reclamation Division Manager (Submitting Director or authorized Division Mgr Only)
