| email | rwaggoner@arthritis.org | Describe Event | <p>Our Walk to Cure Arthritis is the largest arthritis gathering in the world, celebrating our warriors, raising funds for research, resources and a cure. Much more than just a walk event, it's something even bigger than arthritis itself. **We walk for our arthritis warriors, more than 54 million Americans with arthritis, so they know they are not alone **We walk for the 300,000 children who struggle with arthritis, so their families can find information, resources and connection **We walk for the arthritis warrior who cannot, so we can find better treatments and fund research toward a cure. **We walk for the caregivers, to raise our voices together and funds to advocate so their loved ones can receive the care that they need. **We walk for our colleagues, neighbors and friends, together as ONE.</p> | |
