It is a limited clientele activity and meets a national objective as required under 24 CFR §570.200(a)(2) and 24 CFR §570.208(a)(2); and

**WHEREAS**, the parties desire to enter into this Agreement in order to ensure compliance with the requirements of the CDBG regulations by Center and to secure other promises of Center regarding the use of the funds to benefit low-and moderate-income persons as defined under the standards of eligibility established by HUD and adjusted annually, a copy of which current 2018 eligibility income levels are attached hereto as **Exhibit “B”** and incorporated herein by reference.

**NOW THEREFORE**, in consideration of the mutual covenants and agreements contained herein, and for other good and valuable consideration, the sufficiency and receipt whereof being hereby acknowledged, the City and Center agree as follows:

## **SECTION 1: SCOPE OF SERVICES AND USE OF FUNDS**

1. **Recitals.** The recitals set forth above are true and correct and are incorporated herein and made a part of this Agreement.

2. **National Objectives and Use.** Center certifies that the construction activities carried out with the funds provided under this Agreement will meet the CDBG program national objective of benefiting low- and moderate-income persons as required under 24 CFR §570.200(a)(2) and 24 CFR §570.208(a)(2).

3. **The Loan.** Under the terms and conditions of this Agreement, the City has allocated a subaward to Center in the amount of **Three Hundred Twenty-Five Thousand Dollars (\$325,000.00)** in FY 2017-2018 CDBG funds to be used in accordance with all requirements imposed by federal statutes, regulations, and the terms of this Agreement towards the construction of improvements (a parking lot, fencing, and security) on the Property. Pursuant to 2 CFR §200.331, the required Subaward information is attached as **Exhibit “C”**. Any funds remaining unexpended or not disbursed to Center by the City as of the termination date of this Agreement may be deobligated from this Agreement and made available for other City projects as determined by the City.

To evidence this loan, Center shall execute a promissory note, declaration of restrictive covenant, and other loan documents (the “Loan Documents”) as required by the City. Accordingly, Center shall execute a promissory note in favor of the City substantially in the form attached hereto as **Exhibit “D”** (the “Note”) and incorporated herein by reference. Center shall also execute a declaration of covenants and restrictions (“Declaration of Covenants and Restrictions”) substantially in the form as **Exhibit “E”** which sets forth various covenants restricting the use of the Property as a comprehensive healthcare facility to provide supportive healthcare services for low- and moderate- income persons for a period of five (5) years (the “Use Period”).

4. **Statement of Work/Project Description.** Center will use these CDBG funds towards the construction of a parking lot, and security and fencing for the Property (the “Project”) as improvements for the 12,000 square foot comprehensive health care facility building on the Property so that the facility can be used to provide primary and preventative medical, dental, behavioral health and pharmacy services to the homeless and other low- and moderate-income persons. The Budget for this Project is attached as **Exhibit “F”** and made a part hereof by this reference.

5. **Goals and Performance Measures; Implementation Schedule.** During the term of this Agreement, Center agrees to work diligently towards the completion of the Project and complete the Project by September 30, 2019. Center will perform the described tasks in conformance with the following schedule:

Center shall notify the Housing and Community Development Department in advance as to the date and time established for obtaining bids and the commencement of construction. Center shall commence the construction of the Project with permits pulled no later than January 31, 2019. By

March 30, 2019, at least 50% of the award shall have been requested with the corresponding amount of construction completed on the Project. If less than 50% of the funds have been expended by March 30, 2019, the City will review Center's progress and its inability to perform as a performance indicator and it will factor into the City's determination of non-compliance. Center shall finish construction of the Project no later than September 30, 2019. HUD requires the City to timely spend its CDBG funds. Therefore, it is critical that Center complies with these time deadlines. Time is of the essence. Center's failure to work diligently toward timely completing the Project and incidents of non-performance may result in conditions being placed on the loan funds, suspension of loan funds, or the City may cease disbursing funds pursuant to this Agreement so that the City can reallocate the funds for other uses or projects.

6. **Expenditure of Funds/Budget.** Center shall use the loan proceeds for eligible expenses permitted under the CDBG regulations, as set forth in 24 CFR Part 570 and in accordance with the Budget attached hereto as **Exhibit "F"** and made a part hereof by this reference. The City may require a more detailed budget breakdown than the Budget attached hereto, and Center shall provide such supplementary budget information in a timely fashion and in the form and content as may be prescribed by the City. The City may also require changes in line items, or approve other budgetary changes within the total award amount. Any supplementary budget information or budget changes must be approved in writing by the Housing Program Manager and Housing Director or designee. Expenditures shall be directly attributable to the Project. Center shall be responsible for any cost overruns over **\$325,000.00**. Center shall not use any CDBG funds for prohibited activities as set forth in 24 CFR §570.207 and is also prohibited from using these award funds or personnel employed in the administration of activities under this Agreement for political activities, inherently religious activities, or lobbying.

Notwithstanding anything to the contrary in this Agreement, the City also reserves the right to request and approve documentation supporting any requests for reimbursement to verify the reasonableness and validity of such costs and said Budget may be modified by the City accordingly. Center acknowledges and agrees that any funds not used in accordance with this Budget and permitted CDBG regulations must be repaid to the City.

7. **Performance Monitoring.** The City will monitor Center's performance as necessary and in accordance with 2 CFR §200.330-.332 to ensure Center's compliance with all of the requirements of this Agreement, including the timeframes and performance standards as required herein. Further monitoring requirements are set forth in Section 2 herein. Substandard performance as determined by the City will constitute non-compliance with this Agreement. If action to correct such substandard performance is not taken by Center within thirty (30) days after being notified by the City, the City may impose additional conditions on Center and its use of funds, suspend or terminate this Agreement, or initiate other remedies for noncompliance as appropriate under 2 CFR §200.338. Center must return any CDBG funds within 5 days of the Housing and Community Development Department Director's written request.

8. **Term.** This Agreement shall be in effect for the period commencing October 1, 2018 through September 30, 2019. Costs may not be incurred after September 30, 2019. Notwithstanding anything herein to the contrary, Center's obligations to the City shall not end until all close-out requirements are completed, including, but not limited to, such things as making final payments, disposing of program assets, retention of records and use and maintenance requirements for the Property. Also, notwithstanding the foregoing, the term of this Agreement and the provisions herein

shall be extended to cover any additional time period during which Center or any of its related entities remains in control of CDBG funds or other assets, including Program Income, or for any HUD audits requiring repayment of any funds unlawfully spent under this Agreement.

## **SECTION 2: ADMINISTRATIVE REQUIREMENTS**

1. **Applicable Laws and Regulations.** Center shall comply with the requirements of the Housing and Community Development Act of 1974, as amended, all CDBG program requirements, 24 CFR Part 570, and other laws and regulations and regulatory guidance governing the use of these funds, whether set forth herein or not, and any amendments or policy revisions thereto which shall become effective during the term of this Agreement. It is Center's responsibility to read, understand, and comply with these laws and regulations. In addition, Center shall abide by any and all other applicable federal or state laws, rules, regulations, HUD guidance and policies governing the funds provided under this Agreement, whether presently existing or hereafter promulgated. Center shall also comply with all other applicable federal, state or local laws, statutes, ordinances, rules and regulations including, but not limited to, all applicable provisions of the Orlando City Code.

Center is aware and acknowledges that 2 CFR part 200 and 2 CFR part 2400 are recent regulatory changes to the administrative requirements and HUD is in the process of developing guidance on their specific requirements. Although this may change the administrative requirements set forth herein, Center will comply with whatever guidance HUD requires. Costs incurred must be in conformance with 2 CFR part 200, subpart E. Center also agrees to adhere to the accounting principles and procedures required therein, utilize adequate internal controls, maintain necessary source documentation for all costs incurred, and submit an indirect cost allocation plan in accordance with 2 CFR 200, subpart E, if such plan is required. affirmative action laws, nondiscrimination requirements, anti-kickback requirements, federal labor standard provisions, and lobbying prohibitions issued by various federal agencies applicable to the CDBG program. Center shall not enter into any subcontract with any entity, agency or individual in the performance of this Agreement without the written consent and approval of the City's Housing and Community Development Department, prior to execution of the agreement or contract. Center agrees to furnish to the Housing and Community Development Department a copy of each third party contract it enters into an agreement with for the performance of work to be undertaken within the scope of this Agreement along with documentation concerning the selection process. The lowest and most responsive bidder shall be recommended by Center to the City's Housing and Community Development Department as the general contractor. Center shall require and monitor compliance by all contractors, subcontractors and other third parties. Center will monitor all subcontracted services on a regular basis to assure contract compliance. Results of monitoring efforts shall be summarized in the monthly report. Upon completion of construction, the general contractor shall file an executed notice of completion or termination and record it in the Orange County Public Records. Copies of this notice and lien releases shall be filed with the Housing and Community Development Department. The City shall not be obligated or liable hereunder to any party Center enters into agreements with for the Project.

4. **Records to be Maintained.** Center shall maintain all records required by 2 CFR part 200, 24 CFR §570.506, and 24 CFR §570.502 just as if these requirements were directly imposed on Center, regarding records that must be maintained for the Project. 5. **Retention of Records.** All records must be accurate, complete and orderly. Center shall retain all accounting records, financial records, statistical records, supporting documents, source documentation and all records to support how CDBG funds were expended, and all other documents pertinent to the Project and this Agreement in accordance with the retention requirements of 2 CFR §200.333 as modified by 24 CFR §570.502. These documents must be retained for a period of three (3) years from the date of submission of the final expenditure report or for federal awards that are renewed quarterly or annually, from the date of the submission of the quarterly or annual financial report, respectively, as reported to the Federal awarding agency or City in the case of a subrecipient. For subrecipients, the retention period for individual CDBG activities shall be the longer of three (3) years after the expiration or termination of the subrecipient agreement under §570.503, or three (3) years after the submission of the City's Annual Performance and Evaluation Report (CAPER) to HUD in

which the activities assisted under the Agreement are reported on for the final time. Records for individual activities subject to the reversion of assets provisions at 24 CFR §570.503(b)(7) or change of use provisions at 24 CFR §570.505 must be maintained for as long as those provisions continue to apply to the activity; and records for individual activities for which there are outstanding loan balances, other receivables, or contingent liabilities must be retained until such receivables or liabilities have been satisfied.

Notwithstanding the above, 2 CFR §200.333 states that Center may need to keep the records for longer if they fall into one of the following exceptions: if any records are the subject of any litigation, claim, or audit that started before the expiration of the three (3) year period, then such records must be kept until such litigation, claims, or audit findings have been resolved, completed, and final action taken; records for activities subject to the reversion of assets provisions at 24 CFR §570.503(b)(7) or change of use provisions at 24 CFR §570.505 must be maintained for as long as these provisions continue to apply to the activity, otherwise records for any real property and any equipment acquired with these funds shall be retained for three (3) years after final disposition; if Center is notified by the City, HUD, its cognizant agency for audit, its oversight agency for audit, its cognizant agency for indirect costs, or the City to extend the retention period; records for program income after the period of performance; and indirect cost rate proposals and cost allocation plans. Additionally, Center must keep records documenting compliance with the equal access requirements of §5.106 for a period of five (5) years.

6. **Monitoring and Inspections/Access to Records.** Center shall monitor the progress of the Project covered by this Agreement and shall submit appropriate reports to the City. The City shall monitor Center's performance and financial and programmatic compliance. Center shall allow on-site monitoring of the Property and the Project, and their records and financial statements on as frequent a basis as the City deems necessary and at any other time that may be required by HUD to determine compliance with CDBG regulations and this Agreement. Center shall also furnish and cause each of its own subcontractors, if any, to furnish all information and reports required hereunder and will permit access to its books, records and accounts by the City, HUD, or any other authorized official or designee for purposes of investigation to ascertain compliance with the rules, regulations, and provisions stated herein.

Center shall comply with 2 CFR §200.331(a)(5), 2 CFR §200.336, and 24 CFR §570.508 regarding access to its records and financial statements. Also, as required in 2 CFR §200.331(5), Center shall permit the City and its auditors to have access to Center's records and financial statements as necessary to meet the City's audit requirements under the federal award. All files, records, and documents, including financial statements and data, shall be made available for review to the City's Housing and Community Development Department, any auditors, the City's Office of Internal Audit and Evaluation, Comptroller General, HUD, the Inspector General, and/or any of their authorized representatives, who shall have access to and the right to audit, examine, inspect, make transcripts or excerpts of any of the above records, financial statements, documents, or papers related to the Project or are pertinent to the federal award or to meet any HUD requirements during normal business hours and any other reasonable time requested. This right also includes timely and reasonable access to Center's personnel for the purpose of interviewing and discussion related to said documents. This same right to review and access will be imposed upon any third party or subcontractor and it is Center's responsibility to ensure that any contract entered into with third parties contain all necessary clauses and language required by the City and/or HUD to ensure compliance with this Agreement and with all federal, state, and local laws and regulations. This right of access is not limited to the required retention

period but lasts as long as the records are retained. This section shall survive termination of this Agreement.

In monitoring Center, the City may also need to follow up to ensure that Center takes timely and appropriate action on all deficiencies pertaining to the federal award detected through audits, on site reviews, inspections, or other means. The City may also issue management decisions and may consider taking enforcement actions if noncompliance is detected during the monitoring or audits.

7. **Audits and Financial Statements.**

- (a) Center shall comply with 2 CFR part 200 Subpart F – Audits. In accordance with 2 CFR §200.510, Center shall prepare financial statements and a schedule of expenditures of federal awards. Center shall provide the City with its annual financial statement within ninety (90) days of the end of its operating year. This financial statement shall be prepared by an actively licensed public accountant.
- (b) In addition, if expending more than \$750,000 of Federal awards during an operating year, Center shall comply with the audit provisions contained in 2 CFR subpart F and the Single Audit Act Amendments of 1996 (31 U.S.C. §§7501-7507). Audits shall be conducted annually. Center shall submit its annual audit to the City and within one hundred twenty (120) days of the end of Center's fiscal year. Center must clear any deficiencies noted in the audit reports within 30 days after receipt of any noted deficiencies. In the event the audit shows that the entire funds disbursed hereunder, or any portion thereof, were not expended in accordance with the conditions of this Agreement, Center shall be held liable for reimbursement to the City of all funds not expended in accordance with those regulations and Agreement provisions within thirty (30) days after City has notified Center of such non-compliance. Any reimbursement by Center shall not preclude the City from taking any other action or pursuing other remedies. Failure to comply with these audit requirements constitutes a violation of the Agreement and may result in the withholding of future payments. If Center expends less than \$750,000 in federal awards during its fiscal year, they are exempt from this requirement, except as noted in 2 CFR §200.503, but records must be available for review or audit by appropriate officials of HUD, the City, or GAO.
- (c) Center also agrees to allow the City's Internal Audit and Evaluation Department, or any of the City's other departments or representatives, to conduct any audits or financial monitoring the City feels necessary at any time during the term of this Agreement or pursuant to any HUD request.

8. **Program Income.** Center shall comply with all Program Income provisions in 24 CFR §570.502-.504. Center shall report all Program Income, as defined and required at 24 CFR §570.500 and 24 CFR §570.504, in a monthly report to the City's Housing and Community Development Department. Documentation of the receipt of Program Income, such as supporting schedules identifying the project and the source of income, must be submitted to the City within five (5) days of its receipt. At the end of the program year or upon expiration or earlier termination of this Agreement, Center shall transfer all CDBG Program Income to the City within five (5) days of the expiration or termination of this Agreement. If Center receives any Program Income after this Agreement expires or is terminated, Center shall immediately remit said Program Income balances to the City as required in

24 CFR §570.503 (c) within five (5) days of receipt. If applicable, Center shall file reports of Program Income as set forth in the below section entitled “Reports”.

9. **Reports.** Center shall file reports in accordance with the Reporting Schedule attached as **Exhibit “H”**. Center shall provide the City’s Housing and Community Development Department with quarterly and annual reports concerning the progress made on the Project, in the form attached hereto as **Exhibit “H”**. The report shall include the following information: a narrative summary of progress, including, but not limited to, the percentage of project completion, selection of contractors, utilization of MBE/WBE’s, Section 3 accomplishments, expenditures and such other information as required under this Agreement or deemed appropriate by the City. Center shall also file a Report providing information on the client data demonstrating client eligibility including, but not limited to, client name, address, ethnicity, race, gender, age, head of household, income level, or other basis for determining eligibility on the Form attached as **Exhibit “H”**. Also, pursuant to 24 CFR §200.329, Center shall annually submit a status report on the Property in the format requested by the City. Center shall also file and report on such other information as may be considered appropriate by the City. The quarterly reports are due the 15<sup>th</sup> day of the month following the end of the quarter for March, June, September and December. Annual reports are due by October 15, 2019 for activities conducted during the preceding year (Example: October 1, 2018 – September 30, 2019).

10. **Use and Maintenance of the Facility/Reversion of Assets.** The reversion of assets and use and disposition of real property and equipment under this Agreement shall be in compliance with the requirements of 24 CFR §570.502, §570.503, §570.504, and §570.505, as applicable, which includes but is not limited to the following:

1. Center shall transfer to the City any CDBG funds or Program Income on hand at the time of expiration or termination of this Agreement and any accounts receivable attributable to the use of CDBG funds as required by 24 CFR §570.503 (b)(7); and
2. This Agreement involves real property under Center’s control that was acquired or improved, in whole or in part, with CDBG funds in excess of \$25,000. Therefore, Center:
  - a) shall continue for a period of **five (5) years** following the expiration of this Agreement to use the Property to meet one of the CDBG national objectives cited in 24 CFR §570.208. In furtherance of this obligation, Center shall cause the Title Holding Support Corp (as defined in Article 6, Section 1 below) to execute a Declaration of Restrictive Covenant in favor of the City, substantially in the form attached hereto as **Exhibit “E”** and made a part of this Agreement; or
  - b) if Center fails to use or cause the use of the Property in accordance with paragraph (a), above, Center shall pay the City an amount equal to the current fair market value of the Property less any portion of the value attributable to expenditures of non-CDBG funds for the acquisition or improvement to the Property. The payment shall be considered Program Income to the City. If the Property is used as described herein and Center complies with the terms of this Agreement, then no payment shall be required to be repaid to the City. The determination of Center’s failure to provide a comprehensive health care facility for low- and moderate- income persons is within the sole discretion of the City.

Center shall also comply with the property standards at 2 CFR §200.310, 2 CFR §200.312, and 2 CFR §200.314-.316. For any equipment purchased, Center must also comply with 2 CFR §200.313, as modified by 24 CFR §570.502.

11. **Indirect Costs.** If applicable and requested by the City, Center shall develop an indirect cost allocation plan in accordance with 2 CFR part 200 for determining the appropriate share of administrative costs and shall submit such plan to the City for approval in a form specified by the City. This indirect cost allocation plan must be submitted before any funds will be disbursed under this Agreement.

12. **Payment Procedures/Reimbursement of Funds.** This is a cost reimbursement agreement. Reimbursement of funds under this Agreement may be requested only for necessary, reasonable, and allowable costs described in the Budget, attached hereto as **Exhibit “F”** and for which Center has made payment. Upon compliance with the terms of this Agreement, the City will reimburse funds to Center only after completion of the work and after receipt and approval by appropriate City personnel of the invoices. Invoices shall be submitted in Zoomgrants no more frequently than once a month in accordance with the Budget specifying the services/activity performed and expenses incurred. All invoices must be accompanied by adequate billing documentation of payment for eligible expenses which are to be uploaded in Zoomgrants (i.e. invoices itemizing the percentage of work completed, costs, receipts, bills from vendors, copies of cancelled checks, lien waivers, affidavits, applications, certifications, and time sheets) and other supporting documentation the City may request. Invoices shall include adequate documentation of expenditures and all other information described in **Exhibit “H”**, attached hereto and incorporated herein by reference. The City will not reimburse for costs inconsistent with this Agreement, federal statutes, regulations (including cost principles in 2 CFR part 200, subpart E) or the terms and conditions of the City’s federal award with HUD or that would otherwise result in the City charging improper, unauthorized, or otherwise unallowable costs to the City’s federal award. Failure by Center to provide invoices in a timely manner, complete and error-free, shall reflect on the administrative performance rating of Center for subsequent funding awards. It is anticipated that the City will provide payment to Center within thirty (30) days from the date of receipt of complete invoices. Invoices that are incomplete or that fail to include the necessary supporting documentation may result in delay and or possible denial of payment.

No interest shall be earned on grant proceeds. All invoices submitted in Zoomgrants must be signed by an authorized signatory of Center and certified in accordance with 2 CFR §200.415. If the funds are for acquisition of the Property, the City shall disburse the CDBG proceeds at closing only after receipt of a settlement statement or HUD-1 documentation establishing the value of the Property, documentation and loan closing commitment of funds from other lenders and other various documents the City determines, in its sole discretion, is necessary to verify the costs and value of the Property and compliance with CDBG regulations. Notwithstanding anything to the contrary in this Agreement, the City also reserves the right to request and approve documentation supporting any invoice to verify the reasonableness and validity of such costs and such Budget may be modified by the City accordingly.

Notwithstanding anything herein to the contrary, Center shall not request payment from the City under this Agreement for any portion which has been paid from another source of revenue and further agrees to utilize funds available under this Agreement to supplement rather than supplant funds otherwise available.

13. **Retention.** Center agrees that the City shall retain ten percent (10%) of the loan amount (the “retention”) which will be reimbursed by the City in compliance with the terms of this Agreement. The retention shall be withheld until Center provides the City with releases of liens from all contractors, subcontractors and suppliers and otherwise demonstrates that it has fully complied with the requirements of part 1, Construction Liens, Chapter 713, Florida Statutes, and has fully complied with all the terms and conditions contained in this Agreement and other loan documents executed in connection with this Agreement. If Center does not comply with the terms of this Agreement, the City will not disburse the retainage.

14. **Withholding Payments.** The City’s obligation to reimburse Center is conditioned on Center’s full compliance with this Agreement. A breach of this Agreement is grounds for non-payment by the City.

15. **Closeout.** Center agrees to follow all of the closeout procedures required in 24 CFR §570.502 and 2 CFR §200.343.

### **SECTION 3: DISPLACEMENT, RELOCATION, ACQUISITION, AND REPLACEMENT OF HOUSING**

1. **Displacement, Relocation, Acquisition and Replacement of Housing.** In accordance with 24 CFR §570.606, Center shall take all reasonable steps to minimize the displacement of persons as a result of activities funded under this Agreement. Any persons displaced shall be provided with relocation assistance to the extent permitted and required under applicable regulations. Section 504 provides that no otherwise qualified individual with handicaps in the United States shall, solely by reason of his or her handicap, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under, any program or activity receiving federal financial assistance. HUD's regulations list examples and specify types of prohibited discrimination and specific actions that are prohibited.

Any contracts entered into by Center shall include a provision for compliance with these regulations. Center shall keep records and documentation demonstrating compliance with these regulations.

the use or occupancy of such land, or in any improvements erected or to be erected thereon, provided that the City and the United States are beneficiaries of and entitled to enforce such covenants. Center, in undertaking its obligation to carry out the program assisted hereunder, agrees to take such measures as are necessary to enforce such covenant, and will not itself so discriminate.

4. **Compliance with Davis-Bacon Act.** Center shall comply with 24 CFR §570.603, and the requirements of the Secretary of Labor in accordance with the Davis-Bacon Act (40 U.S.C. §276(a) to (a-7)), as amended, and as supplemented by Department of Labor regulation 29 CFR Part 5. 8. **Utilization of Minority/Women's Business Enterprises.** Center must take affirmative steps to ensure that minority/women's business enterprises are used when possible, including for consideration for participation in all construction, supply or service contracts or in the performance of this Agreement. Affirmative steps include those items required in 2 CFR §200.321 which include 1) placing qualified small and minority businesses and women's business enterprises on solicitation lists; 2) assuring that small and minority businesses and women's business enterprises are solicited whenever they are potential sources; 3) dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises; 4) establishing delivery schedules where the requirement permits which encourage participation by small and minority businesses, and women's business enterprises; 5) using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and 6) requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in 1-5.

Center agrees and warrants that it will establish and adopt written standards of conduct governing conflicts of interest and the performance of its officers, employees, or agents engaged in the selection, award and administration of contracts supported by these federal funds. At a minimum these safeguards must ensure that no employee, officer or agent must participate in the selection, award, or administration of a contract supported by a Federal award if he or she has a real or apparent conflict of interest. Such a conflict of interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated in 2 CFR §200.318, has a financial or other interest in or a tangible personal benefit from a firm considered for a contract. The officers, employees, and agents of Center must neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts. Although this summary does not intend to replace 24 CFR §570.611, essentially this rule states that no “person” described in §570.611( c) who exercise or have exercised any functions or responsibilities with respect to activities assisted with CDBG funds, or who is in a position to participate in a decision making process or gain inside information with regard to these activities, may obtain a financial interest or benefit from a CDBG assisted activity, or have an interest in any contract, subcontract or agreement with respect thereto, or the proceeds thereunder, either for themselves or those with whom they have family or business ties, during their tenure of for one year thereafter. The “persons” covered in 24 CFR §570.611(c) include employees, agents, consultants, officers, or elected officials or appointed officials of the recipient or of any designated public agencies, or of subrecipients (Center ) that are receiving CDBG funds. Center shall also keep records supporting requests for waivers of conflicts.

Center will disclose in writing any potential conflicts of interest to the City. By executing this Agreement, Center covenants and certifies that none of its employees, officers, or agents described in these regulations have any interest in this Agreement or the Property being constructed or rehabilitated or any other interest which would conflict in any manner with this Agreement or the performance of the this Agreement.

No owner or administrator of HUD-assisted or HUD-insured housing, approved lender in an FHA mortgage insurance program, nor any (or any other) recipient or subrecipient of HUD funds may inquire about the sexual orientation or gender identity of an applicant for, or occupant of, HUD-assisted housing or housing whose financing is insured by HUD, whether renter- or owner-occupied, for the purpose of determining eligibility for the housing or otherwise making such housing available. This prohibition on inquiries regarding sexual orientation or gender identity does not prohibit any individual from voluntarily self-identifying sexual orientation or gender identity. This prohibition on inquires does not prohibit lawful inquires of an applicant or occupant's sex where the housing provided or to be provided to the individual is temporary, emergency shelter that involves the sharing of sleeping areas or bathrooms, or inquires made for the purpose of determining the number of bedrooms to which a household may be entitled.

22. **Fees for Use of Facilities.** Reasonable fees may be charged for the use of the facilities assisted with CDBG funds, but charges such as excessive membership fees, which have the effect of precluding low- and moderate-income persons from using the facilities are not permitted.

23. **Registration.** Center agrees to maintain a current registration in the federal System for Award Management (“SAM”) database (<http://www.sam.gov>) pursuant to the Federal Funding Accountability and Transparency Act (FFATA), P.L. 109-282, as amended by section 6202(a) of P.L. 110-252 and the regulations implementing the Act at 2 CFR part 25 and 2 CFR part 170. This information must be submitted to the City for approval at least 45 days prior to any commencement of work. Center also agrees to assist the City in addressing environmental issues that may arise during the City's review process.

2. **Environmental Protection.** Center and its contractors shall comply with all applicable standards, orders or regulations of the Clean Air Act (42 U.S.C. §7401 et. seq.); Section 306 of the Clean Air Act (42 U.S.C. 1857 (h)); Section 508 of the Clean Water Act (33 U.S.C. - (g) if any default occurs under this Agreement, the Note, Declaration of Restrictive Covenant or any loan documents executed by Center in connection with this Loan by the City (herein collectively the "Loan Documents") which is not elsewhere specifically

In addition to the remedies for non-compliance in 2 CFR §200.338, in accordance with 2 CFR §200.338 and .339, the City may suspend or terminate this Agreement in whole or in part whenever the City determines that Center has failed to comply with any terms, conditions, or requirements of this Agreement or upon the occurrence of any Event of Default or any other breach of this Agreement or for cause. The City can withhold all funding and disbursements, demand repayment for amounts disbursed, terminate all payments, and/or exercise all rights and remedies available to it under the terms of this Agreement, the Loan Documents, under statutory law, equity or under common law. If the City terminates this Agreement, Center shall also forfeit to the City all unexpended monies awarded under the Agreement and be required to return any improper expenditures. Center may also be required to refund all CDBG funds awarded by the City within thirty (30) days of the Housing Director's request.

In accordance with 2 CFR §200.339, the City can terminate the Agreement with the consent of Center in which case Center and the City must agree upon the termination conditions, including the effective date, and in the case of partial termination, the portion to be terminated.

In accordance with 2 CFR §200.339(a)(4), the Agreement may also be terminated by Center or the City with written notification setting forth the reason for such termination, the effective date and in the case of partial termination, the portion to be terminated. PROMISSORY NOTE**

\_\_\_\_\_, 2018

**U.S. \$325,000.00**

**Orlando, Florida**

For value received, the undersigned promises to pay the City of Orlando, a Florida municipal corporation (the “City”), the principal sum of **Three Hundred Twenty-Five Thousand Dollars (\$325,000.00)**. Said principal shall be payable at 400 South Orange Avenue, Orlando, Florida 32801, or at such other place as the holder hereof may designate in writing, in one (1) principal installment of **Three Hundred Twenty-Five Thousand Dollars (\$325,000.00)** due on September 30, 2024; however, if Borrower remains the owner of the Property and is not in default under the terms of this City of Orlando Community Development Block Grant Promissory Note (the “Note”) or under the CDBG Loan Agreement or any of the other Loan Documents, as hereafter defined, then in that event, but only in that event, the debt evidenced by this Note shall be forgiven in its entirety. The terms of the CDBG Loan Agreement are incorporated herein by reference including the definitions set forth in the CDBG Loan Agreement.

Notwithstanding the above, at the option of the holder hereof, this Note shall become immediately due and payable, without notice or demand upon the occurrence of any one of the following events: (a) if Borrower fails to construct the parking lot improvements on the Property and use the Property as a comprehensive health care facility for low-and moderate-income persons for the required 5 year Use period; (b) if Borrower fails to use the proceeds of this loan in the time frames set forth in the CDBG Loan Agreement or fails to use the proceeds in the manner or for the purposes set forth therein; (c) if Borrower fails to comply with any of the terms of the CDBG Loan Agreement or with any rules, regulations, executive orders, HUD guidelines, or HUD guidance governing CDBG awards, including, but not limited to, 24 CFR Part 570, or fails to comply with any of the terms contained in the CDBG Loan Agreement and such failure continues for a period of thirty [30] days following written notice thereof given by the Lender; (d) if Borrower is in default under the terms of other financing or mortgages used for the Property; (e) if at any time any material representation made by Borrower in any certification or communication submitted by Borrower to the Lender in an effort to induce the making of this Loan or the administration thereof is determined by the Lender to be false, misleading or incorrect in any material manner; (f) if Borrower does not disclose to the Lender, upon demand, the name of all persons with whom Borrower has contracted or intends to contract with for the construction or management of any portion of the Property, including contracts for services and/or labor; (g) if any default occurs under this Note, the CDBG Loan Agreement, or any of the loan documents executed by the Borrower in connection with this loan by the Lender (herein collectively the “Loan Documents”) which is not elsewhere specifically addressed herein and such default is not cured within the applicable cure period set forth in the Loan Documents, or if there is no cure period set forth, then within fifteen (15) days following the date of written notice to Borrower thereof; (h) if Borrower fails to start or complete the construction of the Property within the

timeframe set forth in the CDBG Loan Agreement; (i) if Borrower fails to make any payment under any of the Loan Documents as and when due; (j) if Borrower improperly uses any funds provided under the CDBG Loan Agreement; (k) if Borrower voluntarily files for bankruptcy, reorganization or any insolvency proceedings, or if a receiver is appointed for the Property, or if the Property becomes subject to the jurisdiction of the Bankruptcy Court or if there is an attachment, execution or other judicial seizure of Borrower's assets; or (l) if Borrower sells or transfers the Property.

Notwithstanding the foregoing, the City hereby agrees to permit the Center to transfer title of the Property to a newly formed nonprofit affiliate, which will be structured as a supporting nonprofit corporation to the Center (the Title Holding Support Corp") and will apply for such status under section 501(c)(3) of the Internal Revenue Code. In consideration of the City's consent to the transfer of the Property, the Center shall comply with the following requirements prior to closing:

- (a) the Borrower shall provide the City a restrictive covenant recorded by the Title Holding Support Corp against the Property that restricts use of the Property to the provision of comprehensive health care services such as primary and preventative medical, dental, behavioral health, and pharmacy services for the homeless and other low- and moderate- income persons during the Use Period;

If any default under this Note remains uncured for thirty (30) calendar days or more following the holder sending written notice to Borrower of such default, the outstanding principal balance of this Note shall bear interest during the period in which the undersigned is in default at a rate of ten percent (10%) per annum, or, if such increased rate of interest may not be collected from the undersigned under applicable law, then at the maximum increased rate of interest, if any, which may be collected from the undersigned under applicable law. Unless forgiven, in writing, by the holder hereof, unpaid, accrued default interest shall be added to the then outstanding principal indebtedness.

From time to time, without affecting the obligation of the undersigned or the successors or assigns of the undersigned to pay the outstanding principal balance of this Note and observe the covenants of the undersigned contained herein, without affecting the guaranty of any person, corporation, partnership or other entity for payment of the outstanding principal balance of this Note, without giving notice to or obtaining the consent of the undersigned, the successors or assigns of the undersigned or guarantors, and without liability on the part of the holder hereof, the holder hereof may, at the option of the holder hereof, extend the time for payment of said outstanding principal

balance or any part thereof, reduce the payments thereon, release anyone liable on any of said outstanding principal balance, accept a renewal of this Note, modify the terms and time of payment of said outstanding principal balance, join in any extension or subordination agreement, release any security hereof, take or release other or additional security, and agree in writing with the undersigned to modify the rate of interest or period of amortization of this Note or change the amount of the monthly installments payable hereunder.

The maker of this Note hereby waives demand, presentment, notice of dishonor and protest. This Note shall be the joint and several obligation of all makers, sureties, guarantors and endorsers and shall be binding upon them and their successors and assigns.

The debt evidenced by this Note is related to the Declaration of Restrictive Covenant of even date herewith (the "Declaration"), **covering the properties generally located at 4426 Old Winter Garden Road, Orlando, Florida, 32811** (the "Property") as more fully described in the Declaration.

The validity of this Note and the other Loan Documents, each of their terms and provisions and the rights and obligations of the undersigned under this Note, and the other Loan Documents shall be governed by, interpreted, construed and enforced pursuant to and in accordance with the laws of the State of Florida. The undersigned agrees that any controversy arising under or in relation to this Note, CDBG Loan Agreement, the Declaration or any other Loan Documents shall be litigated exclusively in the State of Florida. The state and federal courts and authorities with jurisdiction in the State of Florida shall have exclusive jurisdiction over all controversies which may arise under or in relation to this Note, including without limitation those controversies relating to the execution, interpretation, breach, enforcement or compliance with this Note, the Declaration or any other issue arising under, related to or in connection with any of the Loan Documents. The undersigned irrevocably consents to service, jurisdiction, and venue of such courts for any litigation arising from this Note or any of the other Loan Documents, and waives any other venue to which it might be entitled by virtue of domicile, habitual residence or otherwise.

B. Subrecipient shall maintain data demonstrating client eligibility for each low- and moderate-income person/household served. Such data shall include client name, address, number of persons in the household and household income and such other information requested by the City’s Housing and Community Development Department. Such information shall be made available to City and/or HUD monitors or their designees for review upon request. Subrecipient understands that client information collected under this contract is private and the use or disclosure of such information, when not directly connected with the administration of the City’s or Subrecipient responsibilities under this Agreement, is prohibited by the U.S. Privacy Act of 1974 unless written consent is obtained from such person receiving services, and in the case of a minor, that of a responsible parent/guardian.

Payments shall be made on the basis of the completion of the activity and submission of documentation as outlined in this Agreement between the City and Subrecipient. Subrecipient shall submit monthly invoices in Zoomgrants in accordance with the following:

1. The City’s Housing and Community Development Department shall authorize the reimbursement of Subrecipient for actual expenditures outlined in the Budget as

2. Expenses incurred by Subrecipient will not be authorized for payment by the City’s Housing and Community Development Department if such expenses cannot be documented by paid receipts, invoices or other appropriate documentation and information. Furthermore, all invoices submitted by Subrecipient in Zoomgrants will not be reimbursable by the City if such expenditures were not expended directly for the provision of services or activity, as applicable to benefit low- and moderate-income persons in accordance with this Agreement.

For any position that is fully or partially paid for by CDBG funding, the total of all work time for that position, allocated to or paid for by all funding sources, shall not exceed one hundred percent (100%) of its total available work time for the pay period or its total annual salaries.
  - f. If requesting reimbursement for benefits, Subrecipient shall provide the backup and the list of the components that comprise the fringe benefit rate, for example, health insurance, taxes, unemployment insurance, life insurance, retirement plans, and tuition reimbursement. The fringe benefits shall be directly proportional to that portion of personnel costs that are allocated for the project.
  - g. If applicable, if outside contractors have done the work, submit the contractor’s paid invoices for reimbursement. These should include an itemization of the work done, the total cost for labor and materials, the number of hours on the job, and the rate per hour agreed to on the project.

### **EQUAL EMPLOYMENT OPPORTUNITY CLAUSE FOR SUBRECIPIENTS AND THEIR CONTRACTORS AND SUBCONTRACTORS STANDARD SOLICITATION FOR BID AND CONTRACT LANGUAGE CONSTRUCTION OVER \$10,000**

#### **A. Equal Opportunity Clause:**

Center agrees that it will incorporate or cause to be incorporated into any contract for construction work, or modification thereof, as defined in the regulation of the Secretary of Labor 41 CFR Chapter 60, which is paid for in whole or in part with funds obtained from the Federal Government or borrowed on the credit of the Federal Government pursuant to a grant, contract, loan insurance, or guarantee or undertaken pursuant to any Federal Program involving such grant, contract, loan insurance, or guarantee, the following equal opportunity clause:

1. The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.
2. The contractor will, in all solicitations or advertisements for employees placed by on or behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, or national origin.
3. The contractor will send to each labor union or representative of workers with which the contractor has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
4. The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
5. The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to its books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
6. In the event of the contractor's noncompliance with the discrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further government contracts or Federally assisted construction contracts in accordance with

procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rules, regulations, or orders of the Secretary of Labor, or as otherwise provided by law.

7. The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Section 504 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance; provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in Federally assisted construction work; provided, that if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality, or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, government contracts and Federally assisted construction contracts, pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency of the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the appliance agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

Office of Labor Relations Previous editions are obsolete  
Page 1 of 5 form HUD-4010 (06/2009) ref. Handbook 1344.1

#### Applicability

The Project or Program to which the construction work covered by this contract pertains is being assisted by the United States of America and the following Federal Labor Standards Provisions are included in this Contract pursuant to the provisions applicable to such Federal assistance.

**A. 1. (i) Minimum Wages.** All laborers and mechanics employed or working upon the site of the work, will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 CFR Part 3), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the contractor and such laborers and mechanics. Contributions made or costs reasonably anticipated for bona fide fringe benefits under Section I(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of 29 CFR 5.5(a)(1)(iv); also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs, which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period. Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in 29 CFR 5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: Provided, That the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classification and wage rates conformed under 29 CFR 5.5(a)(1)(ii) and the Davis-Bacon poster (WH-1321) shall be posted at all times by the contractor and its subcontractors at the site of the work in a prominent and accessible, place where it can be easily seen by the workers.

(ii) (a) Any class of laborers or mechanics which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. HUD shall approve an additional classification and wage rate and fringe benefits therefor only when the following criteria have been met: (1) The work to be performed by the classification requested is not performed by a classification in the wage determination; and

(2) The classification is utilized in the area by the construction industry; and

(3) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

(b) If the contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and HUD or its designee agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by HUD or its designee to the Administrator of the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, Washington, D.C. 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary. (Approved by the Office of Management and Budget under OMB control number 1215-0140.)

(c) In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and HUD or its designee do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), HUD or its designee shall refer the questions, including the views of all interested parties and the recommendation of HUD or its designee, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary. (Approved by the Office of Management and Budget under OMB Control Number 1215-0140.)

(d) The wage rate (including fringe benefits where appropriate) determined pursuant to subparagraphs (1)(ii)(b) or (c) of this paragraph, shall be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.

(iii) Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the contractor shall either pay the benefit as stated in the wage determination or shall pay

another bona fide fringe benefit or an hourly cash equivalent thereof.

(iv) If the contractor does not make payments to a trustee or other third person, the contractor may consider as part Previous editions are obsolete Page 2 of 5 form **HUD-4010** (06/2009) ref. Handbook 1344.1 of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program, Provided, That the Secretary of Labor has found, upon the written request of the contractor, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the contractor to set aside in a separate account assets for the meeting of obligations under the plan or program. (Approved by the Office of Management and Budget under OMB Control Number 1215-0140.)

**2. Withholding.** HUD or its designee shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from the contractor under this contract or any other Federal contract with the same prime contractor, or any other Federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime contractor so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees and helpers, employed by the contractor or any subcontractor the full amount of wages required by the contract In the event of failure to pay any laborer or mechanic, including any apprentice, trainee or helper, employed or working on the site of the work, all or part of the wages required by the contract, HUD or its designee may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased. HUD or its designee may, after written notice to the contractor, disburse such amounts withheld for and on account of the contractor or subcontractor to the respective employees to whom they are due. The Comptroller General shall make such disbursements in the case of direct Davis-Bacon Act contracts.

**3. (i) Payrolls and basic records.** Payrolls and basic records relating thereto shall be maintained by the contractor during the course of the work preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work. Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in Section I(b)(2)(B) of

the Davis-bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR 5.5 (a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in Section I(b)(2)(B) of the Davis-Bacon Act, the contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs. (Approved by the Office of Management and Budget under OMB Control Numbers 1215-0140 and 1215-0017.)

(ii) (a) The contractor shall submit weekly for each week in which any contract work is performed a copy of all payrolls to HUD or its designee if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit the payrolls to the applicant sponsor, or owner, as the case may be, for transmission to HUD or its designee. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under 29 CFR 5.5(a)(3)(i) except that full social security numbers and home addresses shall not be included on weekly transmittals. Instead the payrolls shall only need to include an individually identifying number for each employee (e.g., the last four digits of the employee's social security number). The required weekly payroll information may be submitted in any form desired. Optional Form WH-347 is available for this purpose from the Wage and Hour Division Web site at <http://www.dol.gov/esa/whd/forms/wh347instr.htm> or its successor site. The prime contractor is responsible for the submission of copies of payrolls by all subcontractors. Contractors and subcontractors shall maintain the full social security number and current address of each covered worker, and shall provide them upon request to HUD or its designee if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit the payrolls to the applicant sponsor, or owner, as the case may be, for transmission to HUD or its designee, the contractor, or the Wage and Hour Division of the Department of Labor for purposes of an investigation or audit of compliance with prevailing wage requirements. It is not a violation of this subparagraph

for a prime contractor to require a subcontractor to provide addresses and social security numbers to the prime contractor for its own records, without weekly submission to HUD or its designee. (Approved by the Office of Management and Budget under OMB Control Number 1215-0149.)

**(b)** Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following:

**(1)** That the payroll for the payroll period contains the information required to be provided under 29 CFR 5.5 (a)(3)(ii), the appropriate information is being maintained under 29 CFR 5.5(a)(3)(i), and that such information is correct and complete; Previous editions are obsolete Page 3 of 5 form **HUD-4010** (06/2009) ref. Handbook 1344.1

**(2)** That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in 29 CFR Part 3;

**(3)** That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.

**(c)** The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the "Statement of Compliance" required by subparagraph A.3.(ii)(b).

**(d)** The falsification of any of the above certifications may subject the contractor or subcontractor to civil or criminal prosecution under Section 1001 of Title 18 and Section 231 of Title 31 of the United States Code.

**(iii)** The contractor or subcontractor shall make the records required under subparagraph A.3.(i) available for inspection, copying, or transcription by authorized representatives of HUD or its designee or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the contractor or subcontractor fails to submit the required records or to make them available, HUD or its designee may, after written notice to the contractor, sponsor, applicant or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR 5.12.

#### **4. Apprentices and Trainees.**

**(i) Apprentices.** Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship Training, Employer and Labor Services, or with a State Apprenticeship Agency recognized by the Office, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the Office of Apprenticeship Training, Employer and Labor Services or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice. The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the contractor as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the contractor's or subcontractor's registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeymen hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination. In the event the Office of Apprenticeship Training, Employer and Labor Services, or a State Apprenticeship Agency recognized by the Office, withdraws approval of an apprenticeship program, the contractor will no longer be permitted to utilize apprentices at less than the

applicable predetermined rate for the work performed until an acceptable program is approved.

**(ii) Trainees.** Except as provided in 29 CFR 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate who is not registered and participating in a training plan approved by Previous editions are obsolete Page 4 of 5 form **HUD-4010** (06/2009) ref. Handbook 1344.1 the Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In the event the Employment and Training Administration withdraws approval of a training program, the contractor will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

**(iii) Equal employment opportunity.** The utilization of apprentices, trainees and journeymen under 29 CFR Part 5 shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended, and 29 CFR Part 30.

**5. Compliance with Copeland Act requirements.** The contractor shall comply with the requirements of 29 CFR Part 3 which are incorporated by reference in this contract

**6. Subcontracts.** The contractor or subcontractor will insert in any subcontracts the clauses contained in subparagraphs 1 through 11 in this paragraph A and

such other clauses as HUD or its designee may by appropriate instructions require, and a copy of the applicable prevailing wage decision, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses in this paragraph.

**7. Contract termination; debarment.** A breach of the contract clauses in 29 CFR 5.5 may be grounds for termination of the contract and for debarment as a contractor and a subcontractor as provided in 29 CFR 5.12.

**8. Compliance with Davis-Bacon and Related Act Requirements.** All rulings and interpretations of the Davis-Bacon and Related Acts contained in 29 CFR Parts 1, 3, and 5 are herein incorporated by reference in this contract

**9. Disputes concerning labor standards.** Disputes arising out of the labor standards provisions of this contract shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR Parts 5, 6, and 7. Disputes within the meaning of this clause include disputes between the contractor (or any of its subcontractors) and HUD or its designee, the U.S. Department of Labor, or the employees or their representatives.

**10. (i) Certification of Eligibility.** By entering into this contract the contractor certifies that neither it (nor he or she) nor any person or firm who has an interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of Section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1) or to be awarded HUD contracts or participate in HUD programs pursuant to 24 CFR Part 24.

**(ii)** No part of this contract shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of Section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1) or to be awarded HUD contracts or participate in HUD programs pursuant to 24 CFR Part 24.

**(iii)** The penalty for making false statements is prescribed in the U.S. Criminal Code, 18 U.S.C. 1001. Additionally, U.S. Criminal Code, Section 1010, Title 18, U.S.C., "Federal Housing Administration transactions", provides in part: "Whoever, for the purpose of . . . influencing in any way the action of such Administration..... makes, utters or publishes any statement knowing the same to be false..... shall be fined not more than \$5,000 or imprisoned not more than two years, or both."

**11. Complaints, Proceedings, or Testimony by Employees.** No laborer or mechanic to whom the wage, salary, or other labor standards provisions of

this Contract are applicable shall be discharged or in any other manner discriminated against by the Contractor or any subcontractor because such employee has filed any complaint or instituted or caused to be instituted any proceeding or has testified or is about to testify in any proceeding under or relating to the labor standards applicable under this Contract to his employer.

**B. Contract Work Hours and Safety Standards**

**Act.** The provisions of this paragraph B are applicable where the amount of the prime contract exceeds \$100,000. As used in this paragraph, the terms "laborers" and "mechanics" include watchmen and guards.

**(1) Overtime requirements.** No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which the individual is employed on such work to work in excess of 40 hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of 40 hours in such workweek.

**(2) Violation; liability for unpaid wages; liquidated damages.** In the event of any violation of the clause set forth in subparagraph (1) of this paragraph, the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in subparagraph (1) of this paragraph, in the sum of \$10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of 40 hours without payment of the overtime wages required by the clause set forth in sub paragraph (1) of this paragraph. Previous editions are obsolete Page 5 of 5 form **HUD-4010** (06/2009) ref. Handbook 1344.1

**(3) Withholding for unpaid wages and liquidated damages.** HUD or its designee shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contract, or any other Federally-assisted contract subject to the Contract Work Hours and Safety Standards Act which is held by the same prime contractor such sums as

may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in subparagraph (2) of this paragraph.

**(4) Subcontracts.** The contractor or subcontractor shall insert in any subcontracts the clauses set forth in subparagraph (1) through (4) of this paragraph and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in subparagraphs (1) through (4) of this paragraph.

**C. Health and Safety.** The provisions of this paragraph C are applicable where the amount of the prime contract exceeds \$100,000.

**(1)** No laborer or mechanic shall be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous to his health and safety as determined under construction safety and health standards promulgated by the Secretary of Labor by regulation.

**(2)** The Contractor shall comply with all regulations issued by the Secretary of Labor pursuant to Title 29 Part 1926 and failure to comply may result in imposition of sanctions pursuant to the Contract Work Hours and Safety Standards Act, (Public Law 91-54, 83 Stat 96). 40 USC 3701 et seq.

**(3)** The contractor shall include the provisions of this paragraph in every subcontract so that such provisions will be binding on each subcontractor. The contractor shall take such action with respect to any subcontractor as the Secretary of Housing and Urban Development or the Secretary of Labor shall direct as a means of enforcing such provisions

Note: Under Executive Order (EO) 13658, an hourly minimum wage of \$10.35 for calendar year 2018 applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2015. If this contract is covered by the EO, the contractor must pay all workers in any classification listed on this wage determination at least \$10.35 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on the contract in calendar year 2018. The EO minimum wage rate will be adjusted annually. Please note that this EO applies to the above-mentioned types of contracts entered into by the federal government that are subject to the Davis-Bacon Act itself, but it does not apply to contracts subject only to the Davis-Bacon Related Acts, including those set forth at 29 CFR 5.1(a)(2)-(60). Note: Executive Order (EO) 13706, Establishing Paid Sick Leave  
for Federal Contractors applies to all contracts subject to the  
Davis-Bacon Act for which the contract is awarded (and any  
solicitation was issued) on or after January 1, 2017. If this  
contract is covered by the EO, the contractor must provide

employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at [www.dol.gov/whd/govcontracts](http://www.dol.gov/whd/govcontracts).

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (ii)).

-----

The body of each wage determination lists the classification and wage rates that have been found to be prevailing for the cited type(s) of construction in the area covered by the wage determination. The classifications are listed in alphabetical order of "identifiers" that indicate whether the particular rate is a union rate (current union negotiated rate for local), a survey rate (weighted average rate) or a union average rate (weighted union average rate).

#### Union Rate Identifiers

A four letter classification abbreviation identifier enclosed in dotted lines beginning with characters other than "SU" or "UAVG" denotes that the union classification and rate were prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2014. PLUM is an abbreviation identifier of the union which prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. 07/01/2014 is the effective date of the most current negotiated rate, which in this example is July 1, 2014.

Union prevailing wage rates are updated to reflect all rate changes in the collective bargaining agreement (CBA) governing this classification and rate.

## Survey Rate Identifiers

Classifications listed under the "SU" identifier indicate that no one rate prevailed for this classification in the survey and the published rate is derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As this weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SULA2012-007 5/13/2014. SU indicates the rates are survey rates based on a weighted average calculation of rates and are not majority rates. LA indicates the State of Louisiana. 2012 is the year of survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. 5/13/2014 indicates the survey completion date for the classifications and rates under that identifier.

Survey wage rates are not updated and remain in effect until a new survey is conducted.

## Union Average Rate Identifiers

Classification(s) listed under the UAVG identifier indicate that no single majority rate prevailed for those classifications; however, 100% of the data reported for the classifications was union data. EXAMPLE: UAVG-OH-0010 08/29/2014. UAVG indicates that the rate is a weighted union average rate. OH indicates the state. The next number, 0010 in the example, is an internal number used in producing the wage determination. 08/29/2014 indicates the survey completion date for the classifications and rates under that identifier.

A UAVG rate will be updated once a year, usually in January of each year, to reflect a weighted average of the current negotiated/CBA rate of the union locals from which the rate is based.

## WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

- \* an existing published wage determination
- \* a survey underlying a wage determination
- \* a Wage and Hour Division letter setting forth a position on a wage determination matter
- \* a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour

Regional Office for the area in which the survey was conducted because those Regional Offices have responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations  
Wage and Hour Division  
U.S. Department of Labor  
200 Constitution Avenue, N.W.  
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator  
U.S. Department of Labor  
200 Constitution Avenue, N.W.  
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board  
U.S. Department of Labor  
200 Constitution Avenue, N.W.  
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.

### **SECTION 3 ECONOMIC OPPORTUNITY**

#### **SECTION 3 CLAUSE**

- A. The work to be performed under this contract is on a project assisted under a program providing direct Federal financial assistance from the Department of Housing and Urban Development (“HUD”) and is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. §1701u. The purpose of section 3 is to ensure that to the greatest extent feasible, opportunities for training and employment be given to low income residents of the Project area and contracts for work in connection with the Project be awarded to business concerns which are located in or owned in substantial part by persons residing in the area of the Project.
- B. The parties to this contract will comply with the provisions of said Section 3 and the regulations issued pursuant thereto by the Secretary of HUD set forth in 24 CFR Part 135, and all applicable rules and orders of the Department issued thereunder as evidenced by the execution of this contract. The parties to this contract certify and agree that they are under no contractual agreement or other disability which would prevent them from complying with these requirements.
- C. Subrecipient will send to each labor organization or representative of workers with which it has a collective bargaining agreement or other contract or understanding, if any, a notice advising the said labor organization or workers’ representative of his commitments under this Section 3 Clause and shall post copies of the notice in conspicuous places available to employees and applicants for employment or training. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship, and training positions, the qualifications for each, the name and location of the persons taking applications for each of the positions, and the anticipated date the work shall begin.
- D. Subrecipient will include this Section 3 Clause in every subcontract for work in connection with the Project and will, at the direction of the applicant for or recipient of Federal financial assistance, take appropriate action pursuant to the subcontract upon a finding that Subrecipient is in violation of the regulations issued by the Secretary of Housing and Urban Development, 24 CFR Part 135. Subrecipient will not subcontract with any agency where it has notice or knowledge that the latter has been found in violation of regulations under 24 CFR Part 135, and will not let any subcontract unless the agency has first provided it with a preliminary statement of ability to comply with the requirements of these regulations.
- E. Subrecipient will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 25 CFR part

135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135.

Compliance with the provisions of Section 3, the regulations set forth in 24 CFR Part 135, and all applicable rules and orders of the Department issued thereunder prior to the execution of the contract shall be a condition of the Federal financial assistance provided to the Project, binding upon the applicant or recipient for such assistance, its successors and assigns. Failure to fulfill these requirements shall subject the applicant or recipient, its subrecipients, and its successors, and assigns to those sanctions specified by the CDBG Program Agreement or contract through which Federal assistance is provided, and to such sanctions as are specified by 24 CFR Part 135, which include termination of this Agreement for default and debarment and suspension from future HUD-assisted contracts.

Title 24: Housing and Urban Development  
PART 5—GENERAL HUD PROGRAM REQUIREMENTS; WAIVERS  
Subpart A—Generally Applicable Definitions and Requirements; Waivers

#### **§5.109 Equal participation of faith-based organizations in HUD programs and activities.**

(a) *Purpose.* Consistent with Executive Order 13279 (issued on December 12, 2002, 67 FR 77141), entitled “Equal Protection of the Laws for Faith-Based and Community Organizations,” as amended by Executive Order 13559 (issued on November 17, 2010, 75 FR 71319), entitled “Fundamental Principles and Policymaking Criteria for Partnerships With Faith-Based and Other Neighborhood Organizations,” this section describes requirements for ensuring the equal participation of faith-based organizations in HUD programs and activities. These requirements apply to all HUD programs and activities, including all of HUD’s Native American Programs, except as may be otherwise noted in the respective program regulations in title 24 of the Code of Federal Regulations (CFR), or unless inconsistent with certain HUD program authorizing statutes.

(b) *Definitions.* The following definitions apply to this section:

*Direct Federal financial assistance* means Federal financial assistance provided when a Federal Government agency or an intermediary, as defined in this section, selects the provider and either purchases services from that provider (*i.e.*, via a contract) or awards funds to that provider to carry out an activity (*e.g.*, via grant, sub-grant, sub-award, or cooperative agreement). The recipients of sub-grants or sub-awards that receive Federal financial assistance through State-administered programs (*e.g.*, flow-through programs) are considered recipients of direct Federal financial assistance. In general, Federal financial assistance shall be treated as direct, unless it meets the definition of indirect Federal financial assistance.

*Federal financial assistance* means assistance that non-Federal entities receive or administer in the forms of grants, contracts, loans, loan guarantees, property, cooperative agreements, food commodities, direct appropriations, or other assistance, but does not include a tax credit, deduction, or exemption.

*Indirect Federal financial assistance* means Federal financial assistance provided when the choice of the provider is placed in the hands of the beneficiary, and the cost of that service is paid through a voucher, certificate, or other similar means of Government-funded payment. Federal financial assistance provided to an organization is considered indirect when the Government program through which the beneficiary receives the voucher, certificate, or other similar means of Government-funded payment is neutral toward religion; the organization receives the assistance as a result of a decision of the beneficiary, not a decision of the Government; and the beneficiary has at least one adequate secular option for the use of the voucher, certificate, or other similar means of Government-funded payment.

*Intermediary* means an entity, including a nongovernmental organization, acting under a contract, grant, or other agreement with the Federal Government or with a State, tribal or local government that accepts Federal financial assistance and distributes that assistance to other entities that, in turn, carry out activities under HUD programs.

(c) *Equal participation of faith-based organizations in HUD programs and activities.* Faith-based organizations are eligible, on the same basis as any other organization, to participate in HUD programs and activities. Neither the Federal Government, nor a State, tribal or local government, nor any other entity that administers any HUD program or activity, shall discriminate against an organization on the basis of the organization’s religious character or affiliation, or lack thereof. In addition, decisions about awards of Federal financial assistance must be free from political interference or even the appearance of such interference and must be made on the basis of merit, not based on the religious character or affiliation, or lack thereof, of an organization.

(d) *Separation of explicitly religious activities from direct Federal financial assistance.*

(1) A faith-based organization that applies for, or participates in, a HUD program or activity supported with Federal

financial assistance retains its independence and may continue to carry out its mission, including the definition, development, practice, and expression of its religious beliefs, provided that it does not use direct Federal financial assistance that it receives (e.g., via contract, grant, sub-grant, sub-award or cooperative agreement) to support or engage in any explicitly religious activities (including activities that involve overt religious content such as worship, religious instruction, or proselytization), or in any other manner prohibited by law.

(2) A faith-based organization that receives direct Federal financial assistance may use space (including a sanctuary, chapel, prayer hall, or other space) in its facilities (including a temple, synagogue, church, mosque, or other place of worship) to carry out activities under a HUD program without removing religious art, icons, scriptures, or other religious symbols. In addition, a faith-based organization participating in a HUD program or activity retains its authority over its internal governance, and may retain religious terms in its organization's name, select its board members on a religious basis, and include religious references in its organization's mission statements and other governing documents.

(e) *Explicitly religious activities.* If an organization engages in explicitly religious activities (including activities that involve overt religious content such as worship, religious instruction, or proselytization), the explicitly religious activities must be offered separately, in time or location, from the programs or activities supported by direct Federal financial assistance and participation must be voluntary for the beneficiaries of the programs or activities that receive direct Federal financial assistance.

(f) *Intermediary responsibilities to ensure equal participation of faith-based organizations in HUD programs.* If an intermediary—acting under a contract, grant, or other agreement with the Federal Government or with a State, tribal or local government that is administering a program supported by Federal financial assistance—is given the authority to select a nongovernmental organization to receive Federal financial assistance under a contract, grant, sub-grant, sub-award, or cooperative agreement, the intermediary must ensure that such organization complies with the requirements of this section. If the intermediary is a nongovernmental organization, it retains all other rights of a nongovernmental organization under the program's statutory and regulatory provisions.

(g) *Beneficiary protections.* Faith-based organizations that carry out programs or activities with direct Federal financial assistance from HUD must give written notice to beneficiaries and prospective beneficiaries of the programs or activities describing certain protections available to them, as provided in this subsection. In addition, if a beneficiary or prospective beneficiary objects to the religious character of the organization carrying out the programs or activities, that organization must promptly undertake reasonable efforts to identify and refer the beneficiary or prospective beneficiary to an alternative provider to which the beneficiary or prospective beneficiary has no such objection.

(1) *Written notice.* The written notice must state that:

(i) The organization may not discriminate against a beneficiary or prospective beneficiary on the basis of religion, religious belief, a refusal to hold a religious belief, or a refusal to attend or participate in a religious practice;

(ii) The organization may not require beneficiaries to attend or participate in any explicitly religious activities that are offered by the organization, and any participation by beneficiaries in such activities must be purely voluntary;

(iii) The organization must separate, in time or location, any privately funded explicitly religious activities from activities supported by direct Federal financial assistance;

(iv) If a beneficiary objects to the religious character of the organization, the organization must undertake reasonable efforts to identify and refer the beneficiary to an alternative provider to which the beneficiary has no such objection; and

(v) Beneficiaries or prospective beneficiaries may report an organization's violation of these protections, including any denial of services or benefits by an organization, by contacting or filing a written complaint to HUD or the intermediary, if applicable.

(2) *Timing of notice.* The written notice must be given to prospective beneficiaries before they enroll in any HUD program or activity. When the nature of the program or activity or exigent circumstances make it impracticable to provide the written notice in advance, the organization must provide written notice to beneficiaries of their protections at the earliest available opportunity.

(3) *Referral requirements.* (i) If a beneficiary or prospective beneficiary of a program or activity that receives direct Federal financial assistance from HUD objects to the religious character of an organization that carries out the program or activity, that organization must promptly undertake reasonable efforts to identify and refer the beneficiary or prospective beneficiary to an alternative provider to which the beneficiary or prospective beneficiary has no such objection.

(ii) A referral may be made to another faith-based organization, if the beneficiary or prospective beneficiary has no objection to that provider based on the provider's religious character. But if the beneficiary or prospective beneficiary

requests a secular provider, and a secular provider is available, then a referral must be made to that provider.

(iii) Except for activities carried out by telephone, Internet, or similar means, the referral must be to an alternative provider that is in reasonable geographic proximity to the organization making the referral and that carries out activities that are similar in substance and quality to those offered by the organization. The alternative provider also must have the capacity to accept additional beneficiaries.

(iv) If the organization determines that it is unable to identify an alternative provider, the organization shall promptly notify the intermediary or, if there is no intermediary, HUD. If HUD or an intermediary is notified that an organization is unable to identify an alternative provider, HUD or the intermediary, as appropriate, shall promptly determine whether there is any other suitable alternative provider to which the beneficiary or prospective beneficiary may be referred. An intermediary that receives a request for assistance in identifying an alternative provider may request assistance from HUD.

(4) *Recordkeeping.* A faith-based organization providing a referral under paragraph (g)(3) of this section must document a beneficiary or prospective beneficiary's request for a referral, whether the beneficiary or prospective beneficiary was referred to another provider, to which provider the beneficiary or prospective beneficiary was referred, and if the beneficiary or prospective beneficiary contacted the alternative provider, unless the beneficiary or prospective beneficiary requests no follow up.

(h) *Nondiscrimination requirements.* Any organization that receives Federal financial assistance under a HUD program or activity shall not, in providing services or carrying out activities with such assistance, discriminate against a beneficiary or prospective beneficiary on the basis of religion, religious belief, a refusal to hold a religious belief, or a refusal to attend or participate in a religious practice. However, this section does not require any organization that only receives indirect Federal financial assistance to modify its program or activities to accommodate a beneficiary that selects the organization to receive indirect aid.

(i) *Exemption from Title VII employment discrimination requirements.* A religious organization's exemption from the Federal prohibition on employment discrimination on the basis of religion, set forth in section 702(a) of the Civil Rights Act of 1964 (42 U.S.C. 2000e-1), is not forfeited when the organization participates in a HUD program. Some HUD programs, however, contain independent statutory provisions that impose certain nondiscrimination requirements on all grantees. Accordingly, grantees should consult with the appropriate HUD program office to determine the scope of applicable requirements.

(j) *Acquisition, construction, and rehabilitation of structures.* Direct Federal financial assistance may be used for the acquisition, construction, or rehabilitation of structures only to the extent that those structures are used for conducting eligible activities under a HUD program or activity. Where a structure is used for both eligible and explicitly religious activities (including activities that involve overt religious content such as worship, religious instruction, or proselytization), direct Federal financial assistance may not exceed the cost of the share of acquisition, construction, or rehabilitation attributable to eligible activities in accordance with the cost accounting requirements applicable to the HUD program or activity. However, acquisition, construction, or rehabilitation of sanctuaries, chapels, or other rooms that a HUD-funded faith-based organization uses as its principal place of worship, may not be paid with direct Federal financial assistance. Disposition of real property by a faith-based organization after its use for an authorized purpose, or any change in use of the property from an authorized purpose, is subject to Government-wide regulations governing real property disposition (2 CFR part 200, subpart D) and the HUD program regulations, as directed by HUD.

(k) *Commingling of Federal and State, tribal, and local funds.* If a State, tribal, or local government voluntarily contributes its own funds to supplement direct Federal financial assistance for an activity, the State, tribal or local government has the option to segregate those funds or commingle them with the direct Federal financial assistance. However, if the funds are commingled, the requirements of this section apply to all of the commingled funds. Further, if a State, tribal, or local government is required to contribute matching funds to supplement direct Federal financial assistance for an activity, the matching funds are considered commingled with the direct Federal financial assistance and, therefore, subject to the requirements of this section. Some HUD programs' requirements govern any activity assisted under those programs. Accordingly, recipients should consult with the appropriate HUD program office to determine the scope of applicable requirements.

Federal Funding Accountability and Transparency Act (FFATA )

The Federal Funding Accountability and Transparency Act (FFATA) was signed on September 26, 2006. The FFATA legislation requires information on federal awards (federal financial assistance and expenditures) be made available to the public via a single, searchable website, which is [www.USASpending.gov](http://www.USASpending.gov).

The FFATA Subaward Reporting System (FSRS) is the reporting tool Federal prime awardees (i.e. prime contractors and prime grants recipients) use to capture and report subaward and executive compensation data regarding their first-tier subawards to meet the FFATA reporting requirements. Prime contract awardees will report against sub-contracts awarded and prime grant awardees will report against sub-grants awarded. The sub-award information entered in FSRS will then be displayed on [www.USASpending.gov](http://www.USASpending.gov) associated with the prime award furthering Federal spending transparency.

The Transparency Act requires information disclosure concerning entities receiving Federal financial assistance through Federal awards such as Federal contracts, sub-contracts, grants, and sub-grants.

Specifically, the Transparency Act’s section 2(b)(1) requires the City to provide the following information about each Federal award:

- Name of the entity receiving the award;
- Amount of the award;
- Information on the award including transaction type,
- Location of the entity receiving the award and primary location of performance under the award;
- Unique identifier of the entity receiving the award and the parent entity of the recipient;
- Names and total compensation of the five most highly compensated officers of the entity if the entity in the preceding fiscal year received 80 percent or more of its annual gross revenues in Federal awards; and \$25,000,000 or more in annual gross revenues from Federal awards; and the public does not have access to this information about the compensation of the senior executives of the entity through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. §§ 78m(a), 78o(d)) or section 6104 of the Internal Revenue Code of 1986.
