12. JUSTIFICATION: Document justification for request. Include anticipated economies or efficiencies to be realized by the City, including reductions in personnel or actual cost (cash flow) reductions to be realized in your budget. Construction of the gravity sewer system will be done by Prestige Paving and Land Development, who is also constructing a FM along the same alignment as part of the Southside Shoppes Development. Constructing this sewer at this time is an opportunity for substantial savings for the City, since all of the other related construction costs and roadway restoration will already be covered by the developer's work. The sewer is necessary to serve new developments east and south of the new lift station at Pineloch and Center Avenue.
