City of Orlando  
re: Proposal for Replacement Vehicles

Attached please find out proposal for the replacement vehicles submitted by the City of Orlando.

Currently these units are in stock and available for immediate delivery. As per request we are only including units that are currently in our inventory. Since inventory changes daily some of these units may not still be available once we receive a Purchase Order but we are also receiving new inventory regularly it is possible that the specific units submitted may be substituted with like units.

Currently of the 85 units detailed on your spread sheet we have 34 units available.

Attached you will find the complete breakdown for the units available at this time.

Proposal for the 34 units available is for

\$960,361.00

Thank you for the opportunity to bid on your vehicle needs.
