Mayor's Update

Moment of Silence for Marjorie Stoneman Douglas High School and City of Parkland Communities

Mayor Dyer expressed the City's heartfelt sorrow to the Marjorie Stoneman Douglas High School community and the City of Parkland in the wake of the recent tragedy at the high school. Mayor Dyer stated that City Attorney Mayanne Downs traveled to Parkland to assist the school board with legal issues, including Orlando's experience in setting up an assistance fund and navigating public records requests. Mayor Dyer asked for a moment of silence for the community.

Hearings/Emergency Ordinances #1 – Ordinance No. 2018-16 relating to Disorderly Conduct; amending Chapter 43, Section 43.065 of the Code of the City of Orlando, Florida

Mayor Dyer stated that any person who makes a threat on social media and that threat turns out to be a false threat or hoax, can be arrested for that offense. However, if the same threat is made with intent but without directly specifying a person and directed at a place, that action is currently not a crime. As a result, the City of Orlando desires to close that loophole by making a threat against a place a crime of disorderly conduct. The issue is currently before the State legislature for consideration so the City will enact this ordinance (Ordinance No. 2018-16) relating to Disorderly Conduct on an emergency basis to cover the next several weeks. If this emergency ordinance is adopted today, it will become effective immediately upon Mayor Dyer's signature.

Mr. Shephard: "Chief Mina, this ordinance proposes to close an existing loophole in state law. The ordinance is being presented as an emergency ordinance. In your experience, are threats like the ones described in this ordinance, threats on social media toward schools, are they currently challenging law enforcement in Florida today?"
