SECTION 1: USE OF HOPWA FUNDS

1.1 Incorporation of Recitals: The recitals set forth above are true and correct and are incorporated herein and made a part of this Agreement.

1.2 Scope of Services: Under the terms and conditions of this Agreement, the City has designated the County, through its Health Services Department, to serve as the Administrative Agent for the City of Orlando’s HOPWA Program. For FY’s 2023-2024 through 2025-2026, the City anticipates allocating the estimated amount of Five Million, Five Hundred Forty-Four Thousand, Seven Hundred Thirty-Seven Dollars and No Cents (\$5,544,737.00) each fiscal year, the exact amount of which may increase or decrease, to the Administrative Agent to be used to contract with Project Sponsors, as defined in 24 CFR § 574.3, for the implementation of HOPWA services, on behalf of the City. The City will retain Twenty-Five Thousand Dollars and No Cents (\$25,000.00) from each year’s allocation starting with program year 2023-2024 for its administration and oversight responsibilities of the program. The Agent shall use these Funds for eligible expenses permitted under the HOPWA regulations, as set forth in 24 CFR Part 574. The Agent shall not use these Funds for any prohibited activities as set forth in 24 CFR Part 574. The Agent acknowledges and agrees that this Agreement is contingent upon appropriation by the Orlando City Council, and that any Funds not used in accordance with permitted HOPWA regulations must be repaid to the City, as set forth herein. The Agent shall be responsible for performing the following:

- (a) The Agent shall advertise the availability of HOPWA funds in the *Orlando Sentinel* to qualified agencies in Orange, Seminole, Lake, and Osceola Counties and invite said agencies to submit applications to receive grant funding. The Agent shall assemble a committee to review and score each application using an online application management system to determine which agencies will receive funding to become Project Sponsors.
- (b) The Agent will provide the list of proposed Project Sponsors and Activities to the City. The City will conduct the Environmental Reviews and ensure HUD-approval of property is received prior to committing HOPWA funds and undertaking activities involving property acquisition, rehabilitation, conversion, lease, repair or construction to provide housing as required by 24 CFR § 574.510 and pursuant to Handbook 1390.05 Environmental Policy for HOPWA.

(c) The Agent shall assess each Project Sponsor's capacity for success by conducting an annual risk assessment for each Project Sponsor, as set forth in 2 CFR § 200.332(b) and 24 CFR § 574.605. This risk assessment provides information needed to prioritize the Agent's administrative resources to Project Sponsors who pose the greatest risk of noncompliance with the HOPWA program. The risk assessment must include identifying the Project Sponsors to be monitored (either onsite or remotely), the program areas to be covered, and the depth of the monitoring review. The risk assessment should result in identifying those Project Sponsors and activities that represent the greatest vulnerability to fraud, waste, mismanagement, or lack of capacity. Factors to consider in the risk assessment are as follows:

- i. The Project Sponsor's prior experience with the same or similar subawards;
- ii. The results of previous audits, including whether or not the Project Sponsor receives a Single Audit in accordance with Subpart F of 2 CFR part 200, and the extent to which the same or similar subaward has been audited as a major program;
- iii. Whether the Project Sponsor has new personnel or new or substantially changed systems; and
- iv. The extent and results of previous HUD monitoring if the Project Sponsor also receives funds directly from HUD.

Risk assessments must be documented in writing and describe how they affect the Agent's risk plan and monitoring schedule. After completing the risk assessment for each Project Sponsor, the Agent shall compile a written monitoring schedule, identifying which grantees will be monitored, the method of monitoring (onsite or remote), programs and areas to be monitored, the type of monitoring (in-depth or limited), areas of technical assistance and training needed, resources needed, and projected timeframes. If adjustments are required in the middle of the program year, the Agent will document those changes as well.

(d) The Agent shall provide services necessary to assist persons in the EMSA afflicted with AIDS and related diseases through contracts with Project Sponsors consistent with the purpose, intent, and eligible activities of the HOPWA Program, as set forth in 24 CFR Part 574, such as (i) housing information services; (ii) resource identification; (iii) acquisition, rehabilitation, conversion, lease, and repair of facilities to provide housing and services; (iv) new construction for single room occupancy dwellings and community residences only; (v) project- or tenant-based rental assistance; (vi) short-term rent, mortgage, and utility payments to prevent the homelessness of the tenant or mortgagor of a dwelling; (vii) supportive services; (viii) operating costs for housing; (ix) technical assistance in

establishing and operating a community residence; and (x) administrative expenses. Such Project Sponsor contracts shall be in the form of cost reimbursement agreements, and the Agent shall use a contract form mutually agreed to by both the City and the Agent.

- (e) The Agent shall ensure that it and all Project Sponsors operate HOPWA funded programs in accordance with 24 CFR Part 574 and all other applicable HUD regulations, this Agreement, and the City's Grant Agreements with HUD.
- (f) The Agent shall act as the central collection point for all supporting documentation (e.g., invoices, receipts, purchase orders, etc.) that is submitted by the Project Sponsors for reimbursement against HOPWA Funds. The Agent shall assess and verify all supporting documentation submitted by each Project Sponsor as to the appropriateness of the billing and Client eligibility under the respective executed contract before approving reimbursement to the Project Sponsor. After payment has been made by the Agent to the Project Sponsor, the Agent may submit its reimbursement request to the City for payment of that cost.
- (g) The Agent shall monitor the HOPWA contracts with the Project Sponsors, as described in 2 CFR §§ 200.332(d) and 200.332(e), to ensure the appropriateness and correctness of all billing submittals and to ensure the delivery of services, as specified in the respective contracts. The Agent shall also comply with such other terms and conditions, including record keeping and reports for program monitoring and evaluation purposes, as HUD may establish for purposes of implementing and administering the HOPWA Program in an effective and efficient manner. The Agent shall review financial and performance reports of the Project Sponsor and maintain and make these reports available to HUD and the City to ensure proper accounting and disbursing of HOPWA Funds; follow-up and ensure that the Project Sponsors take timely and appropriate action on all deficiencies pertaining to the subaward detected through audits, on-site reviews, or other means; and issue management decisions for audit findings pertaining to the subaward required by 2 CFR § 200.521

The Agent will verify that Project Sponsors who met or exceeded the audit threshold set in 2 CFR § 200.501 for the respective fiscal year are audited as required by Subpart F of 2 CFR part 200.

- (h) The Agent shall implement the HOPWA Program in accordance with the Orlando EMSA Consolidated Housing Plan and the Annual Action Plan, on file at the City of Orlando's Housing and Community Development ("HCD") Department. The Agent may access these documents at www.cityoforlando.net/housing/ under *Plans and Reports*.

- (j) The Agent shall act as the administrative agency and fiduciary entity responsible for the disposition of HOPWA Funds on behalf of its Project Sponsors. The Agent understands that it shall be responsible for the monitoring of Project Sponsors to ensure compliance with all federal and local government management and/or HUD regulations and may incur any penalties imposed due to the failure of its Project Sponsors to comply with the same.

1.3 Expenditure of Administrative Expenses: The City shall allocate to the Administrative Agent, from the funding amount provided in Paragraph 1.2 of this Section, three percent (3%) of each year's HOPWA allocation minus Twenty-Five Thousand Dollars and No Cents (\$25,000.00) to be retained by the City for Agent's expenses in administering its duties and obligations under this Agreement. With regard to the administrative expenses incurred by the Project Sponsors, draws shall be limited to seven percent (7%) of Funds and shall be subject to final reconciliation of the amount. It is the responsibility of the Agent to ensure that no Project Sponsor is reimbursed for administrative costs at a rate higher than 7% of the annual total reimbursement.

1.4 Payment Procedures/Reimbursement of Funds: This is a cost reimbursement grant. The Administrative Agent shall reimburse the Project Sponsor upon completion of the work and after review and approval of the Project Sponsor's reimbursement request. The City will disburse funds only upon completion of the work and after receipt and approval of the Administrative Agent's reimbursement request by the City's HCD Department. The Agent's request for reimbursement shall be submitted to the City by the fifteenth (15th) calendar day of every month and shall include:

- (a) Invoice;
- (b) Expenditure Report and Reimbursement Request worksheet (See **Exhibit "B"**); and

 - 2) System generated report or system print screen reflecting date payment was made to Project Sponsor or supplier;
 - 3) Personnel activity reports for the Agent's personnel costs charged to HOPWA administration; and

In the event that HUD

or the City determines that any HOPWA Funds have been wrongfully paid to the Agent, the Agent agrees to promptly refund such money to the City, in accordance with Section 1.5 below.

1.5 Return of Funds: The Administrative Agent shall return to the City any overpayments due to unearned funds or activities disallowed pursuant to this Agreement within thirty (30) days after the date of discovery by the Agent, or within fifteen (15) days of written notification by the City.

1.6 Term: For purposes of 2 CFR Part 200, the County is deemed a sub-recipient. Unless terminated earlier by either party, the period of this Agreement shall be for thirty-six (36) months, beginning on October 1, 2023 and ending on September 30, 2026. Notwithstanding anything herein to the contrary, the Administrative Agent's obligations to the City shall not end until all closeout requirements have been completed including, but not limited to, such things as making final payments, disposing of Program assets, retention of records, and use and maintenance requirements for property and assets. The obligations are further explained on the Office for Civil Rights website at <http://www/hhs/gov/ocr/lep/revisedlep.html>.

The Agent acknowledges that compliance with these regulations constitutes a condition of continued receipt of funding. The Agent shall incorporate nondiscrimination provisions in its agreements with all contractors, subcontractors, Project Sponsors, or others with whom it arranges to provide services or benefits to participants or employees in connection with any of its programs and activities to prohibit discrimination against those participants or employees in violation of the regulations. The Agent agrees and warrants that it will establish and adopt written standards of conduct governing conflicts of interest and the performance of its officers, employees, or agents engaged in the selection, award and administration of contracts supported by these federal funds. At a minimum, these safeguards must ensure that no employee, officer or agent may participate in the selection, award, or administration of a contract supported by a federal award if he or she has a real or apparent conflict of interest. Such a conflict of interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated in 2 CFR § 200.318, has a financial or other interest in or a tangible personal benefit from a firm

considered for a contract. The officers, employees, and agents of the Agent may neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts. These standards of conduct must also provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the Agent. If the Agent has a parent, affiliate, or subsidiary organization, the Agent must also maintain written standards of conduct covering organizational conflicts of interest.

In all cases not governed by 2 CFR Part 200, the Administrative Agent shall comply with the conflict of interest provisions contained in 24 CFR § 574.625. Although this summary does not intend to replace 24 CFR § 574.625, essentially this rule states that no person who exercises or have exercised any functions or responsibilities with respect to activities assisted with HOPWA funds, or who is in a position to participate in a decision making process or gain inside information with regard to these activities, may obtain a financial interest or benefit from a HOPWA assisted activity, or have an interest in any contract, subcontract or agreement with respect thereto, or the proceeds there under, either for themselves or those with whom they have family or business ties, during their tenure or for one year thereafter. The "persons" covered in 24 CFR § 574.625 include employees, agents, consultants officers, or elected officials or appointed officials of the recipient or of any designated public agencies, or of project sponsors that are receiving HOPWA funds. The Agent shall also keep records supporting requests for waivers of conflicts.

The Agent will disclose in writing any potential conflict of interest to the City. By executing this Agreement, the Agent covenants and certifies that none of its employees, officers, or agents described in these regulations have any interest in this Agreement or any other interest which would conflict in any manner with this Agreement or the performance of this Agreement.

2.15 Displacement and Relocation: The Administrative Agent shall comply and assist the City in complying with the provisions of 24 CFR § 574.630, "Displacement, relocation, and real property acquisition."

2.17 Agreement between the City and HUD: The Administrative Agent agrees that it shall be bound by the terms and conditions contained in the HOPWA grant agreement(s) between the City and HUD under which this Agreement is funded and such other rules, regulations or requirements as HUD may reasonably impose in addition to the conditions contained in this Agreement or subsequent to the execution of this Agreement by the parties hereto.

2.18 Confidentiality: To the fullest extent permitted by law, neither the Administrative Agent nor any contracted Project Sponsor shall use or disclose any information concerning a recipient of services under this Agreement for any purpose not in conformity with all

applicable regulations, except with the written consent of the recipient, his/her attorney, or his/her responsible parent or guardian.

2.19 Requirements for Personal Information Protection.

In addition to the remedies for non-compliance in 2 CFR § 200.339, in accordance with 2 CFR §§ 200.339 and 340, the City may suspend or terminate this Agreement in whole or in part. The City can withhold all funding and disbursements, demand repayment for amounts disbursed, terminate all payments, and/or exercise all rights and remedies available to it under the terms of this Agreement under statutory law, equity or under common law. If the City terminates this Agreement, the Administrative Agent shall also forfeit to the City all unexpended monies awarded under the Agreement. However, if the City determines in the case of partial termination that the reduced or modified portion of the award will not accomplish the purposes for which the award was made, the City may terminate the award in its entirety.

Notwithstanding the foregoing, if the City determines it is in its best interest to terminate the Agreement, the City may terminate for its convenience in its sole and absolute discretion upon providing the Agent with thirty (30) days written notice of termination.

If this award is terminated or partially terminated, the Administrative Agent remains responsible for compliance with the closeout requirements in 2 CFR § 200.344 and post-closeout requirements set forth in 2 CFR § 200.345.

All remedies shall be deemed cumulative and, to the extent permitted by law, the election of one or more remedies shall not be construed as a waiver of any other remedy the City may have available to it.

3.4 No Waiver: Failure of the City to declare a default shall not constitute a waiver of any rights by the City. Furthermore, the waiver of any default by the City shall in no event be construed as a waiver of rights with respect to any other default, past or present.

SECTION 4: INDEMNIFICATION AND INSURANCE

4.1 Liability: The County assumes any and all risks of personal injury and property damage attributable to the negligent acts or omissions of the County and its officials and employees while acting within the scope and course of their employment, or arising out of or resulting from this Agreement. The City assumes any and all risks of personal injury and property damage attributable to the negligent acts or omissions of the City and its officers, employees, and servants thereof, while acting within the scope and course of their employment, or arising out of or resulting from this Agreement. The City and County further agree that nothing contained in this Agreement shall constitute a waiver of sovereign immunity or the provisions of Section 768.28, Florida Statutes. Furthermore, the Parties agree that nothing in this Agreement shall be construed or interpreted (1) to deny either Party any remedy or defense available to the Party under the laws of the State of Florida, and (2) as comprising the consent of the State of Florida or its agents and agencies to be sued.

4.2 Insurance: Without waiving its right to sovereign immunity, as provided in Section 768.28, Florida Statutes, the Administrative Agent is self-insured for General Liability and Automobile Liability with coverage limits of \$200,000 per person, \$300,000 per occurrence.

The Administrative Agent shall provide Certificate(s) of Insurance Within ten (10) days of the Effective Date of this Agreement, and shall notify the City within thirty (30) days of receiving notice of cancellation, changes, or material alternations in the coverages.

The City's failure to request proof of insurance or to identify any deficiency in coverage or compliance with the foregoing requirements shall not relieve the Administrative Agent of its liability and obligations under this Agreement.

The Administrative Agent shall require all Project Sponsors performing work under this Agreement to procure and maintain workers' compensation, commercial general liability, business auto liability and contractor's pollution liability coverage. Each party shall be listed as an additional insured on all general liability policies.

AFFIDAVIT

Federal Funding Accountability and Transparency Act (FFATA)

The Federal Funding Accountability and Transparency Act (FFATA) was signed on September 26, 2006. The FFATA legislation requires information on federal awards (federal financial assistance and expenditures) be made available to the public via a single, searchable website, which is www.USASpending.gov.

The FFATA Subaward Reporting System (FSRS) is the reporting tool Federal prime awardees (i.e., prime contractors and prime grants recipients) use to capture and report subaward and executive compensation data regarding their first-tier subawards to meet the FFATA reporting requirements. Prime contract awardees will report against sub-contracts awarded and prime grant awardees will report against sub-grants awarded. The sub-award information entered in FSRS will then be displayed on www.USASpending.gov associated with the prime award furthering Federal spending transparency.

The Transparency Act requires information disclosure concerning entities receiving Federal financial assistance through Federal awards such as Federal contracts, sub-contracts, grants, and sub-grants. Specifically, the Transparency Act's section 2(b)(1) requires the City to provide the following information about each Federal award:
