The Agency agrees to provide and perform the Services in accordance with the terms and conditions set forth herein.

3. **PAYMENTS.** The City's contribution shall be made to the Agency in one payment of **Four Hundred Ninety-Four Thousand, Ninety-Nine Hundred and 00/100 Dollars (\$494,099.00)**, unless otherwise approved and authorized in writing by the Chief Administrative Officer and the Chief Financial Officer of the City. Moreover, the quarterly reports shall be consistent with the Services detailed herein and shall identify expenditures associated with or related to the Funds. Failure to comply with the requirement for submission of such reports in form and content acceptable to the Assistant to the Director shall constitute grounds for termination of this Agreement and may result in the ineligibility of the Agency to receive contributions from the City. 5. **501(C)(3) STATUS.** Agency represents and warrants to City that it has applied for and received tax exempt status from the United States Internal Revenue Service ("IRS") as a 501(C)(3) organization as evidenced by a determination letter from the IRS. 7. **ACCOUNTING AND AUDIT.** The Agency will submit copies of its audited annual financial statements to the City as follows: (1) upon execution of this Agreement (or as soon thereafter as such statements are prepared) for the Agency's immediately preceding fiscal year and (2) thereafter for each fiscal year of Agency during which it receives or expends any Funds from the City under this Agreement such statements shall be submitted upon completion by the Agency which submission date shall not exceed one hundred eighty (180) days following the end of the Agency's fiscal year. All such records shall be open to inspection and audit by the Assistant to the Director or by the Assistant to the Director's designee during normal business hours during the term of this Agreement. Additionally, the Agency will maintain its books and records related to the Services provided utilizing the Funds, and the City will be entitled to audit such books and records, for a period of five (5) years from the date of the last payment under this Agreement. 8. **MONITORING.** The Agency will permit the City and the City's designees to monitor the Services to ensure compliance with the terms of this Agreement. The Agency shall, to assist in the monitoring of its Services, provide the City and the City's designees with access to all client records and such other information as the City may deem necessary. Agency shall make restitution to the City of any Funds not used in conformance with the terms of this Agreement within fifteen (15) days of demand by the City.

9. **TERMINATION.** This Agreement may be terminated by either party at any time, with or without cause, upon written notice to the other party. Said notice shall be delivered in the manner set forth in Paragraph 22 below. The termination of this Agreement shall not relieve the Agency from any obligations under this Agreement with respect to funds paid to the Agency prior to termination.

10. **INDEMNIFICATION.** The Agency agrees to indemnify, defend and save harmless the City from and against any and all liability, claims, demands, damages, expenses, fees,

12. **CONSTRUCTION; SEVERABILITY.** This Agreement shall be construed in accordance with the laws of the State of Florida. It is agreed to by the parties that if any covenant, condition or provision contained in this Agreement is held to be invalid by any court of competent jurisdiction, such invalidity shall not affect the validity of any other covenants, conditions or provisions contained herein.

A successor agency does not automatically have any rights to the Funds disbursed under this Agreement by its position as a successor. A successor agency must receive prior approval from the Assistant to the Director before it can receive Funds. Failure to comply with this section may result in immediate termination of this Agreement.

AGENCY’S SCOPE OF SERVICES FOR FISCAL YEAR 2023-2024

UNITED ARTS OF CENTRAL FLORIDA, INC.

PROGRAM(S) FOR WHICH THE FUNDING IS REQUESTED:

Funds from the City of Orlando will be invested in the expansion of the work below that is all in response to growth of our City and the demands for our services to expand.

1. Expanding our marketing of Orlando as a vibrant and welcoming cultural community through *Orlando Arts Magazine!*, which is distributed to more than 15,000 homes and business and shared digitally with visitors in our local hotels and featured at The Wave hotel at Lake Nona. This magazine reaches over 75,000 people six times a year and celebrates our local cultural community and features many assets of The City Beautiful in every issue.
2. Investing more resources to market Orlando through our comprehensive cultural calendar *OrlandoAtPlay.com* featuring events, festivals, programs, exhibits, classes, and job opportunities for the world to see that we are a vibrant, inclusive, and creative place to live work and play.
3. We are very intentional about our DEi pathways in our programs and operations. Our Board leadership includes 37% BIPOC individuals and we have a staff of 34% BIPOC. We have doubled our investment in our Diversity in the Arts Grants program this year with \$100,000 and included the input of diverse artists and organizations in reforming this very important funding program to support the needs of our diverse arts and cultural organizations. With their guidance, our Board has approved all their recommendations to make the grants process more inclusive and equitable for them. This is transformational work. We had 26 applicants for our Diversity in the Arts Grants program and could not meet the demand with only \$100,000. We were unable to fund 11 organizations with critical operating support.
4. Increasing funding for and promoting important community projects in the City of Orlando that bring festivals, public art, exhibits, and performances. Of the organizations that receive support from United Arts, 51% are based in Orlando, and 75% of our grant funding is invested in organizations and arts programs in Orlando. This support totals \$1,876,200 in this fiscal year. This level of investment has a direct impact on the strength of our City's economy and supports diverse cultural offerings to welcome all people to our City to enjoy a great quality of life.

5. Increasing Arts Education Access for All! United Arts has been coordinating arts education programs in our public schools for more than 10 years. We recognize that senior adults and youth development programs in neighborhoods and Community Centers do not have access to arts education experiences on a regular basis. Without an increase in City funding we cannot expand our arts education opportunities to reach our youth in out-of-school programs in our City as well as seniors 55+ in our City's senior enrichment programs. We know that youth and seniors have limited access to the arts and we are committed to bringing diverse cultural experiences to our residents who have limited income and transportation barriers but we cannot do this without increased City funding.
6. Growing our outreach and grants programs to be more inclusive and equitable by supporting individual artists with funding for projects and professional development. This is an expansion of our current grant program that only serves organizations. Not only does this help Orlando retain its creative talent but it also communicates to the rest of the world that Orlando values their local artists and we want them to thrive, which in turn helps Orlando attract more creative talent in the future.
7. Finally, in 2023 we have launched our Community Vibrancy grants which are available to the City Main Street program to increase vibrancy, increase economic growth and prosperity and to engage and employ local artists supporting their upward mobility. This new program invests \$4,500 to each Main Street that applies to activate their Main Streets with music and performances during slow business hours to promote more foot traffic and vibrancy as well as create community in our neighborhoods. This is new for our City Main Streets and they have asked for this investment and we have responded.
